RE: Major Thoroughfare Plan modifications for an Unnamed Collector and Major Thoroughfare

Dear Judge George:

Fort Bend County Engineering respectfully requests modifications to the Fort Bend County Major Thoroughfare Plan (MTP). Coordination between Fort Bend County and the City of Simonton have occurred and all parties agree to the requested modifications. The requested modifications are as follows:

- **Unnamed Thoroughfare** – beginning at the intersection of Bowser Road (Major Thoroughfare) and Winding Stream Drive (local), upgrade the existing unnamed Collector to a Major Thoroughfare. Extend north to and beyond the future Principal Thoroughfare to align with Nails Road. At Sanders Road (local) begin a 1,200' radius and reverse curve south to align with Zuckero Road and continue the Major Thoroughfare extension to Guyler Road (Major Thoroughfare).

A copy of the map is attached for your review. The public hearing date for acceptance of the change is being scheduled. If you should have any questions, please give me a call 281-633-7515.

Sincerely,

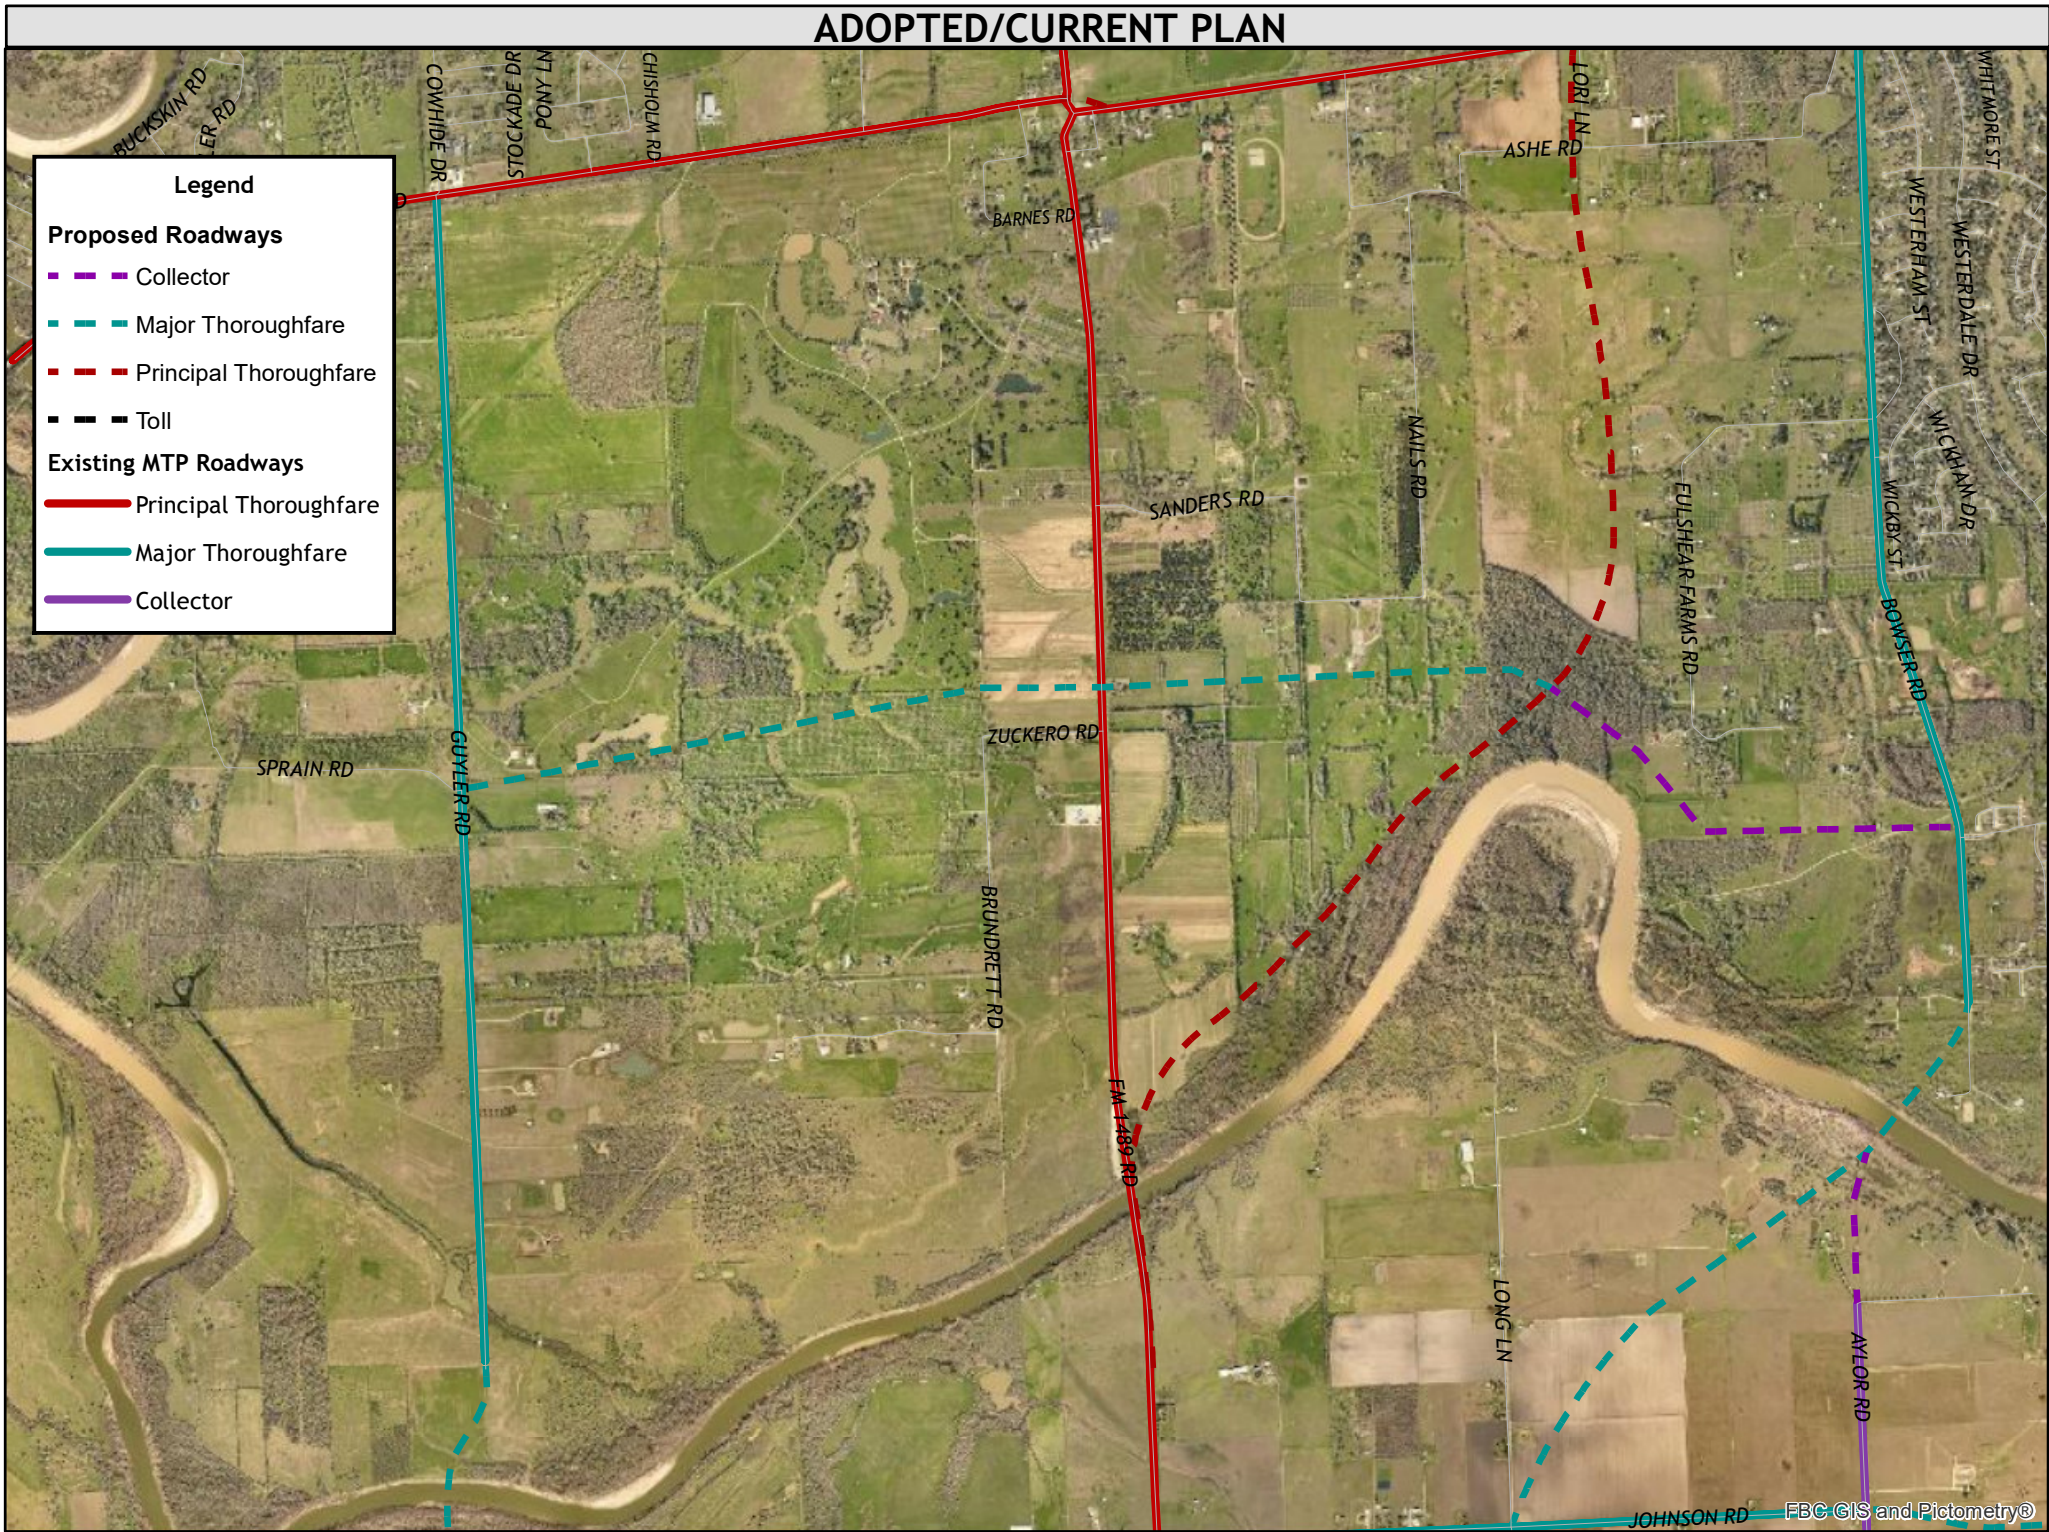

Maggie Dalton
Development Services Manager
