Fort Bend County Purchasing 301 Jackson Street, Suite 201 Richmond, TX 77469

Attn: Cheryl Krejci

Senior Buyer

Re:

Term Contract for Purchase and Hauling of Earthen Road Materials

Bid 20-048

Dear Ms. Krejci:

James Construction Group, LLC (JCG) wishes to respond to your request to renew the above referenced term contract. The basis of this request is allowed by Article 4.0 of the contract which states, "The term of this contract is April 1, 2020 through March 31, 2021, renewable annually for four (4) years (through 31 March 2025) under the same terms and conditions if mutually agreeable by both parties." JCG wishes to renew the term contract with the understanding that JCG has incurred cost this past year and will incur additional cost in the following year, leading to a revised unit bid price for the renewal term. Attached to this letter is the increased material pricing provided by the aggregate supplier, Vulcan Materials. Also attached is the increase per line item based on the increase in the aggregates, which is reflected in each of the bid items on the table below. Abiding by Article 1.35, JCG proposes the unit bid prices for renewal of the term contract as follows:

			INCREASE		
		ORIGINAL	IN BID	REVISED BID	PERCENT
ITEM	DESCRIPTION	BID PRICE	PRICE	PRICE	INCREASE
292	Black Base GR 2 without RAP	52.00	2.63	54.63	5.06%
292	Black Base GR 2 with RAP	41.25	1.89	43.14	4.58%
340	Type D without RAP	58.00	2.85	60.85	4.91%
340	Type D with RAP	47.50	2.28	49.78	4.80%
341	Type C HMAC CI A Aggr PG 76-22	75.00	2.25	77.25	3.00%

Recognizing this proposal must be mutually agreed to by both parties, JCG request your consideration of this proposal and please feel free to contact us with any questions you may have.

Sincerely,

Eric Suarez General Manager

Eric,

As requested, you received the following increases on HMA aggregate at the Fort Bend Yard for 2020:

Effective June 1, 2020 Clean Stone Increase\$1.50/ton Fine Sand (field sand) Increase \$0.75/ton. Haul Rate to HMA plant Increase \$0.25/ton.

Sincerely, Ryan Bass VP GM Coastal Texas Southwest Division

October 21, 2020

Dear Vulcan Customer,

First and foremost, I hope you, your family, and your employees are healthy and doing well. I know operating in the Covid-19 environment has been a very fluid and unique challenge for all of us. That being said, I would like to thank you for your business and loyalty, and let you know how much the entire Vulcan team truly appreciates the opportunity to work with you. Your business is very important to us and our primary commitment to you as our partner is to ensure we continue to supply the highest quality products, service, and value-added solutions to meet your needs.

In an effort to keep pace with long-term demand, Vulcan will continue to make capital investments in our facilities, reserves, and technology in 2021. As we make these investments, we are also working hard to continuously manage our day-to-day operational costs. However, our industry is consistently experiencing increases to input costs related to power, production, environmental regulations, inflationary pressures, and labor constraints.

As a result we will be implementing price increases in 2021. We believe these increases will allow us to both maintain an appropriate level of reinvestment in our business and continue to provide you with the highest quality products, service, and solutions.

Effective January 1, 2021, Vulcan Materials will increase prices as follows in the Houston market (from our Houston Port, Freeport, Houston Hub, Spring, Tomball, Hockley, Fort Bend, Stafford, Mykawa yards and Simonton):

Base products \$0.50/ton
Clean stone products \$1.25/ton
Simonton Sand \$0.50/ton

The above prices are subject to change in 2021 due to market conditions. If you have any questions, please contact your sales representative. Thank you for your business. We look forward to supplying your construction projects in 2021 and continuing our mutually beneficial relationship.

Sincerely,

Ryan Bass VP/GM - Coastal Texas Southwest Division
