**RE: Chimney Rock (from Cambridge Falls Drive to Acorn Glen Trail)
Mobility Project (2007) x20, Completed October 2017**

Dear Commissioner:

A final inspection of the road for the above referenced was made, and all of the deficiencies have been corrected. The mobility project added the street with the double boulevard road between Cambridge Square Lane and Cambridge Falls Drive and added a single boulevard road between Cambridge Square Lane and Acorn Glen Trail (north lane only). The portion from Cambridge Falls Drive to Acorn Glen Trail was dedicated by separate instrument, and needs to be added to the road log (2,913.00 LF). The street footage length for this project are as follows:

Chimney Rock Road 1,920.60 LF (0.36 miles from 350' S Cambridge Square Lane to
Cambridge Falls Drive)

Chimney Rock Road 992.40 LF (0.19 miles from 117.2' S of Acorn Glen Trail to 350' S
(north lane) Cambridge Square Lane)

There is no bond for this project.

If you should have any questions or need additional information please feel free to call.

Sincerely,

Wesley Crawford
Construction Manager
