Dear Commissioner:

Fort Bend County Engineering has completed the traffic control plan for Chimney Rock Road from Cambridge Falls Drive to Acorn Glen Trail, establishing traffic control for the recently completed Chimney Rock Road mobility project. With completion of the mobility project, the mobility project added the street with the double boulevard road between Cambridge Square Lane and Cambridge Falls Drive and added a single boulevard road between Cambridge Square Lane and Acorn Glen Trail.

A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

Sincerely,

Chris Debaillon, PE, PTOE
