RE: Anserra, Section 4 – TCP Revision

Dear Commissioner:

Fort Bend County Engineering Department has revised the traffic control plan for Anserra, Section 4, to create consistency in the speed limit on Kingsland Boulevard, as shown on the traffic control plan. The previous traffic control plan showed a speed limit of 45 miles per hour on Kingsland, which was inconsistent with the rest of the roadway. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

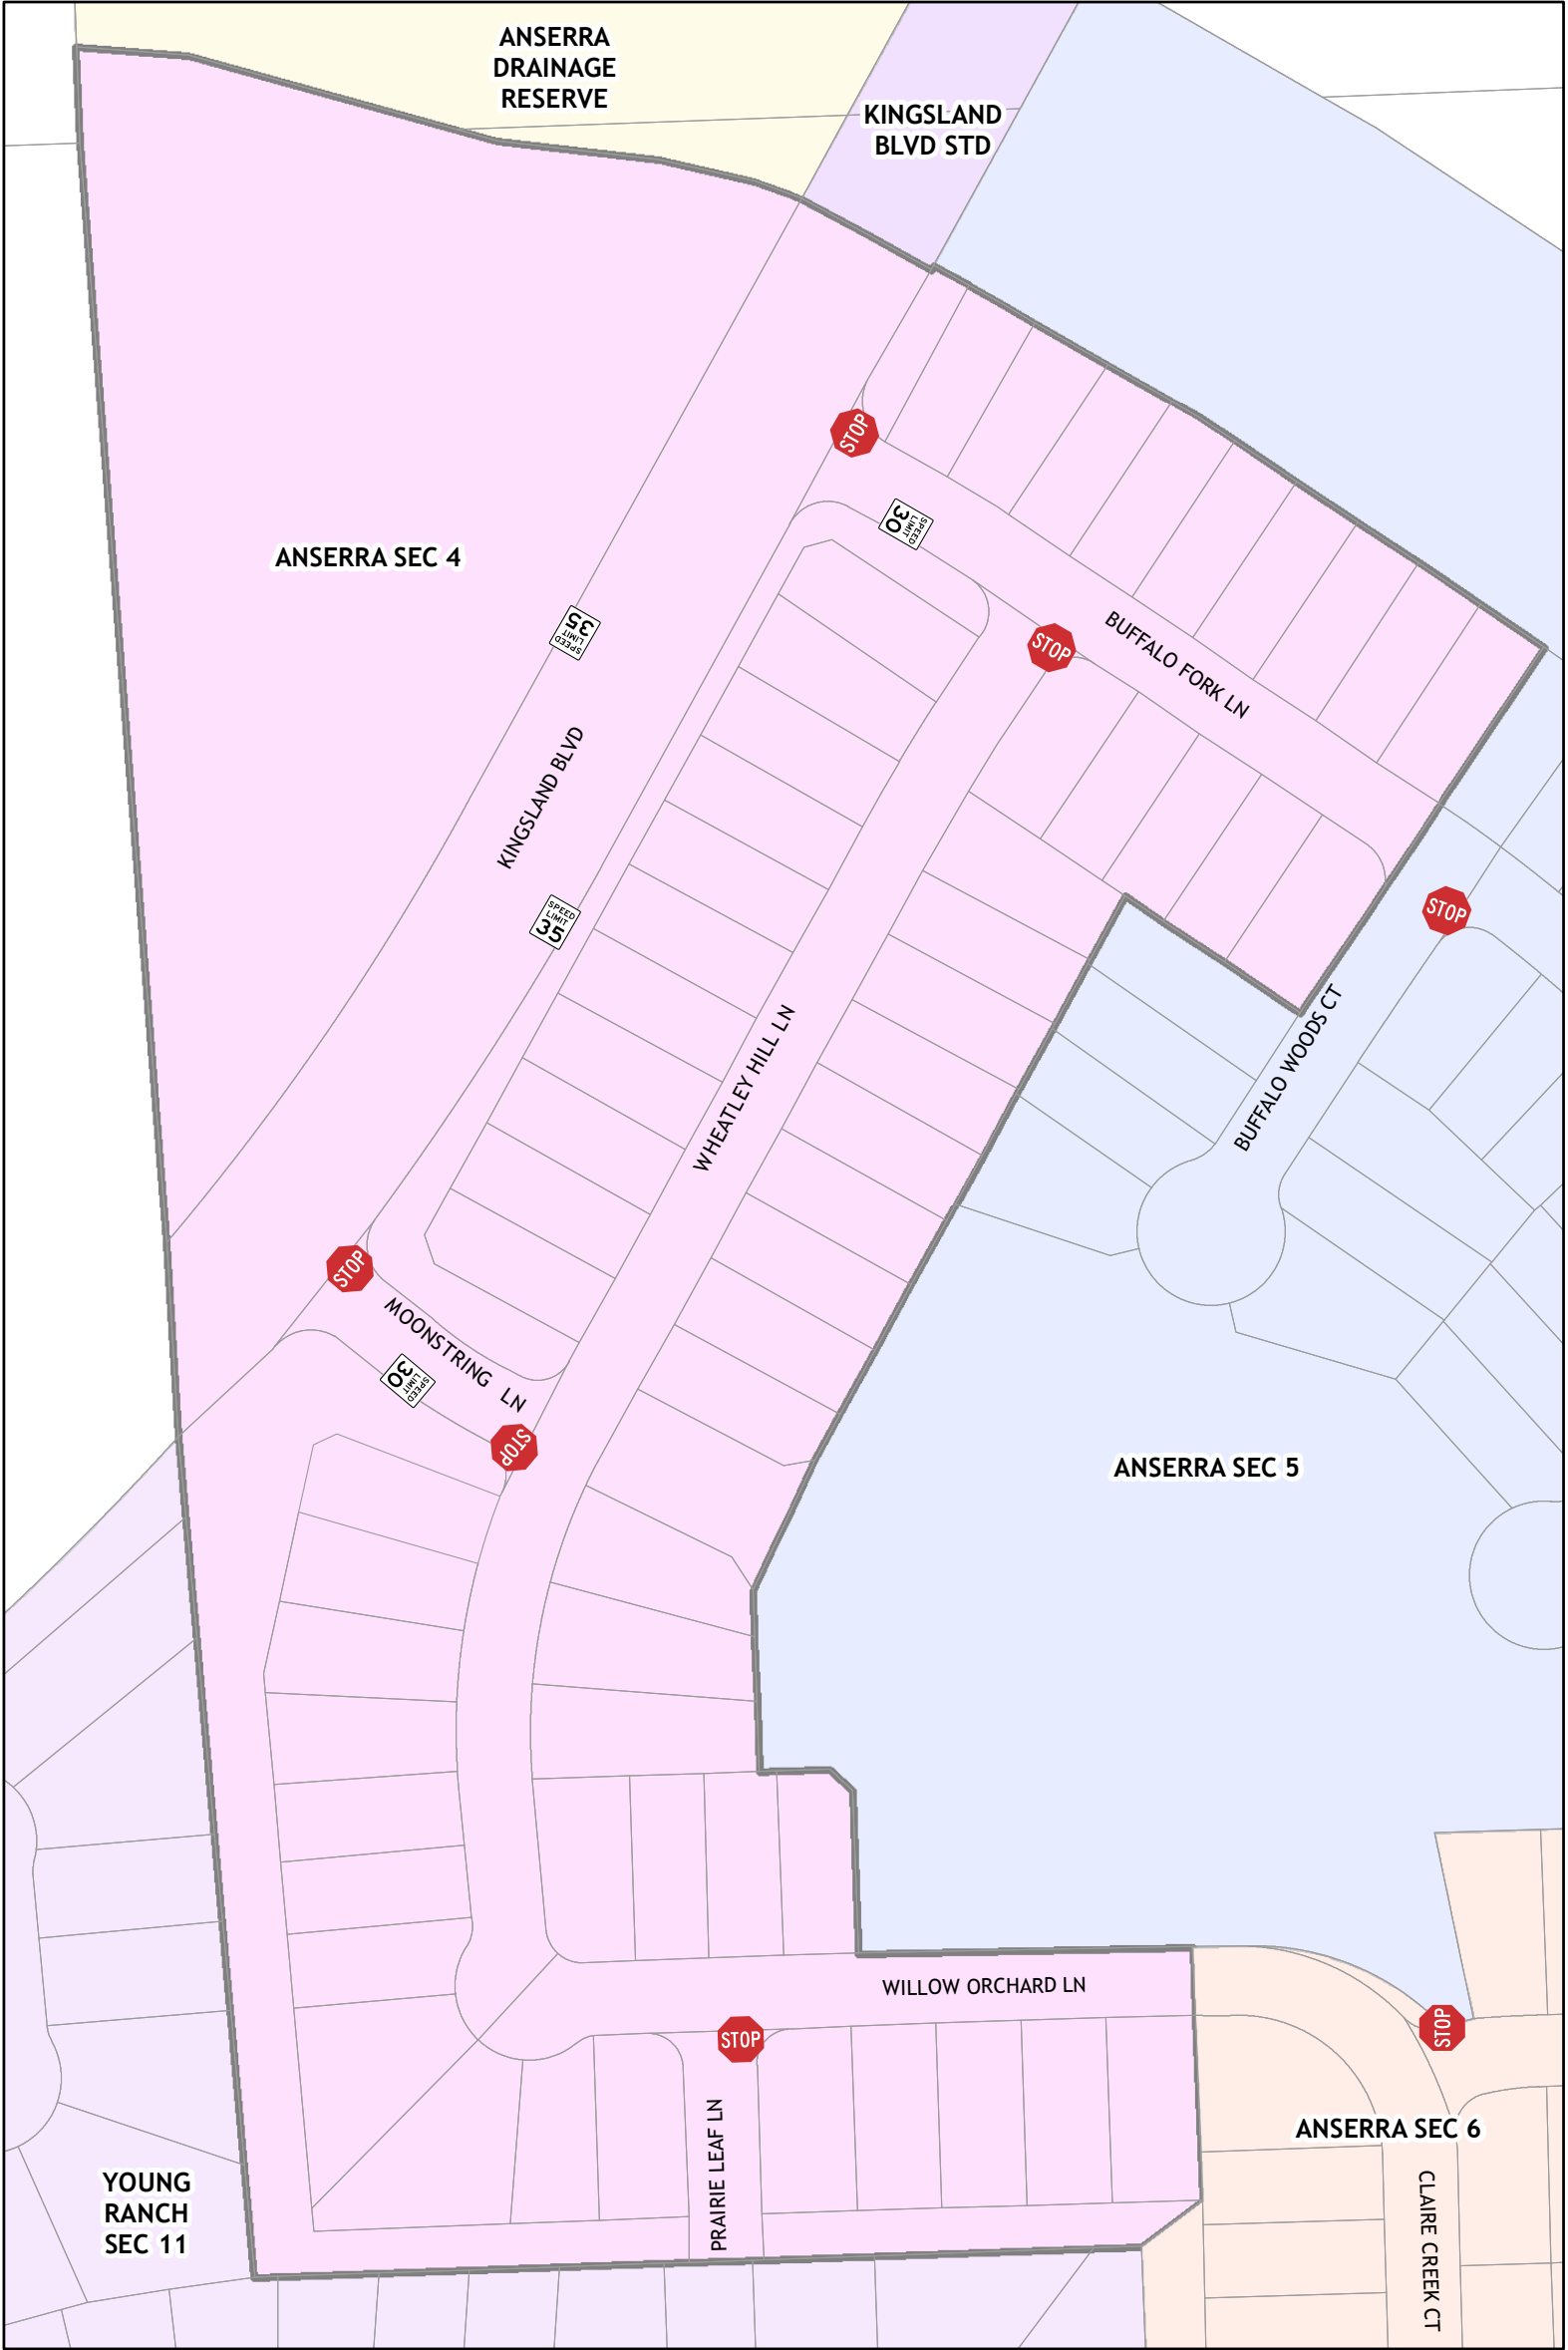

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov

Sincerely,
