**RE: Spring Green Boulevard – Speed Limit**

Dear Commissioner:

The Fort Bend County Engineering Department has completed a review of the operational conditions along Spring Green Boulevard between FM 1093 and Katy Flewellen Road. The roadway currently has a posted speed of 35 mph and is identified as a Principal Thoroughfare in the 2015 Fort Bend County Major Thoroughfare Plan.

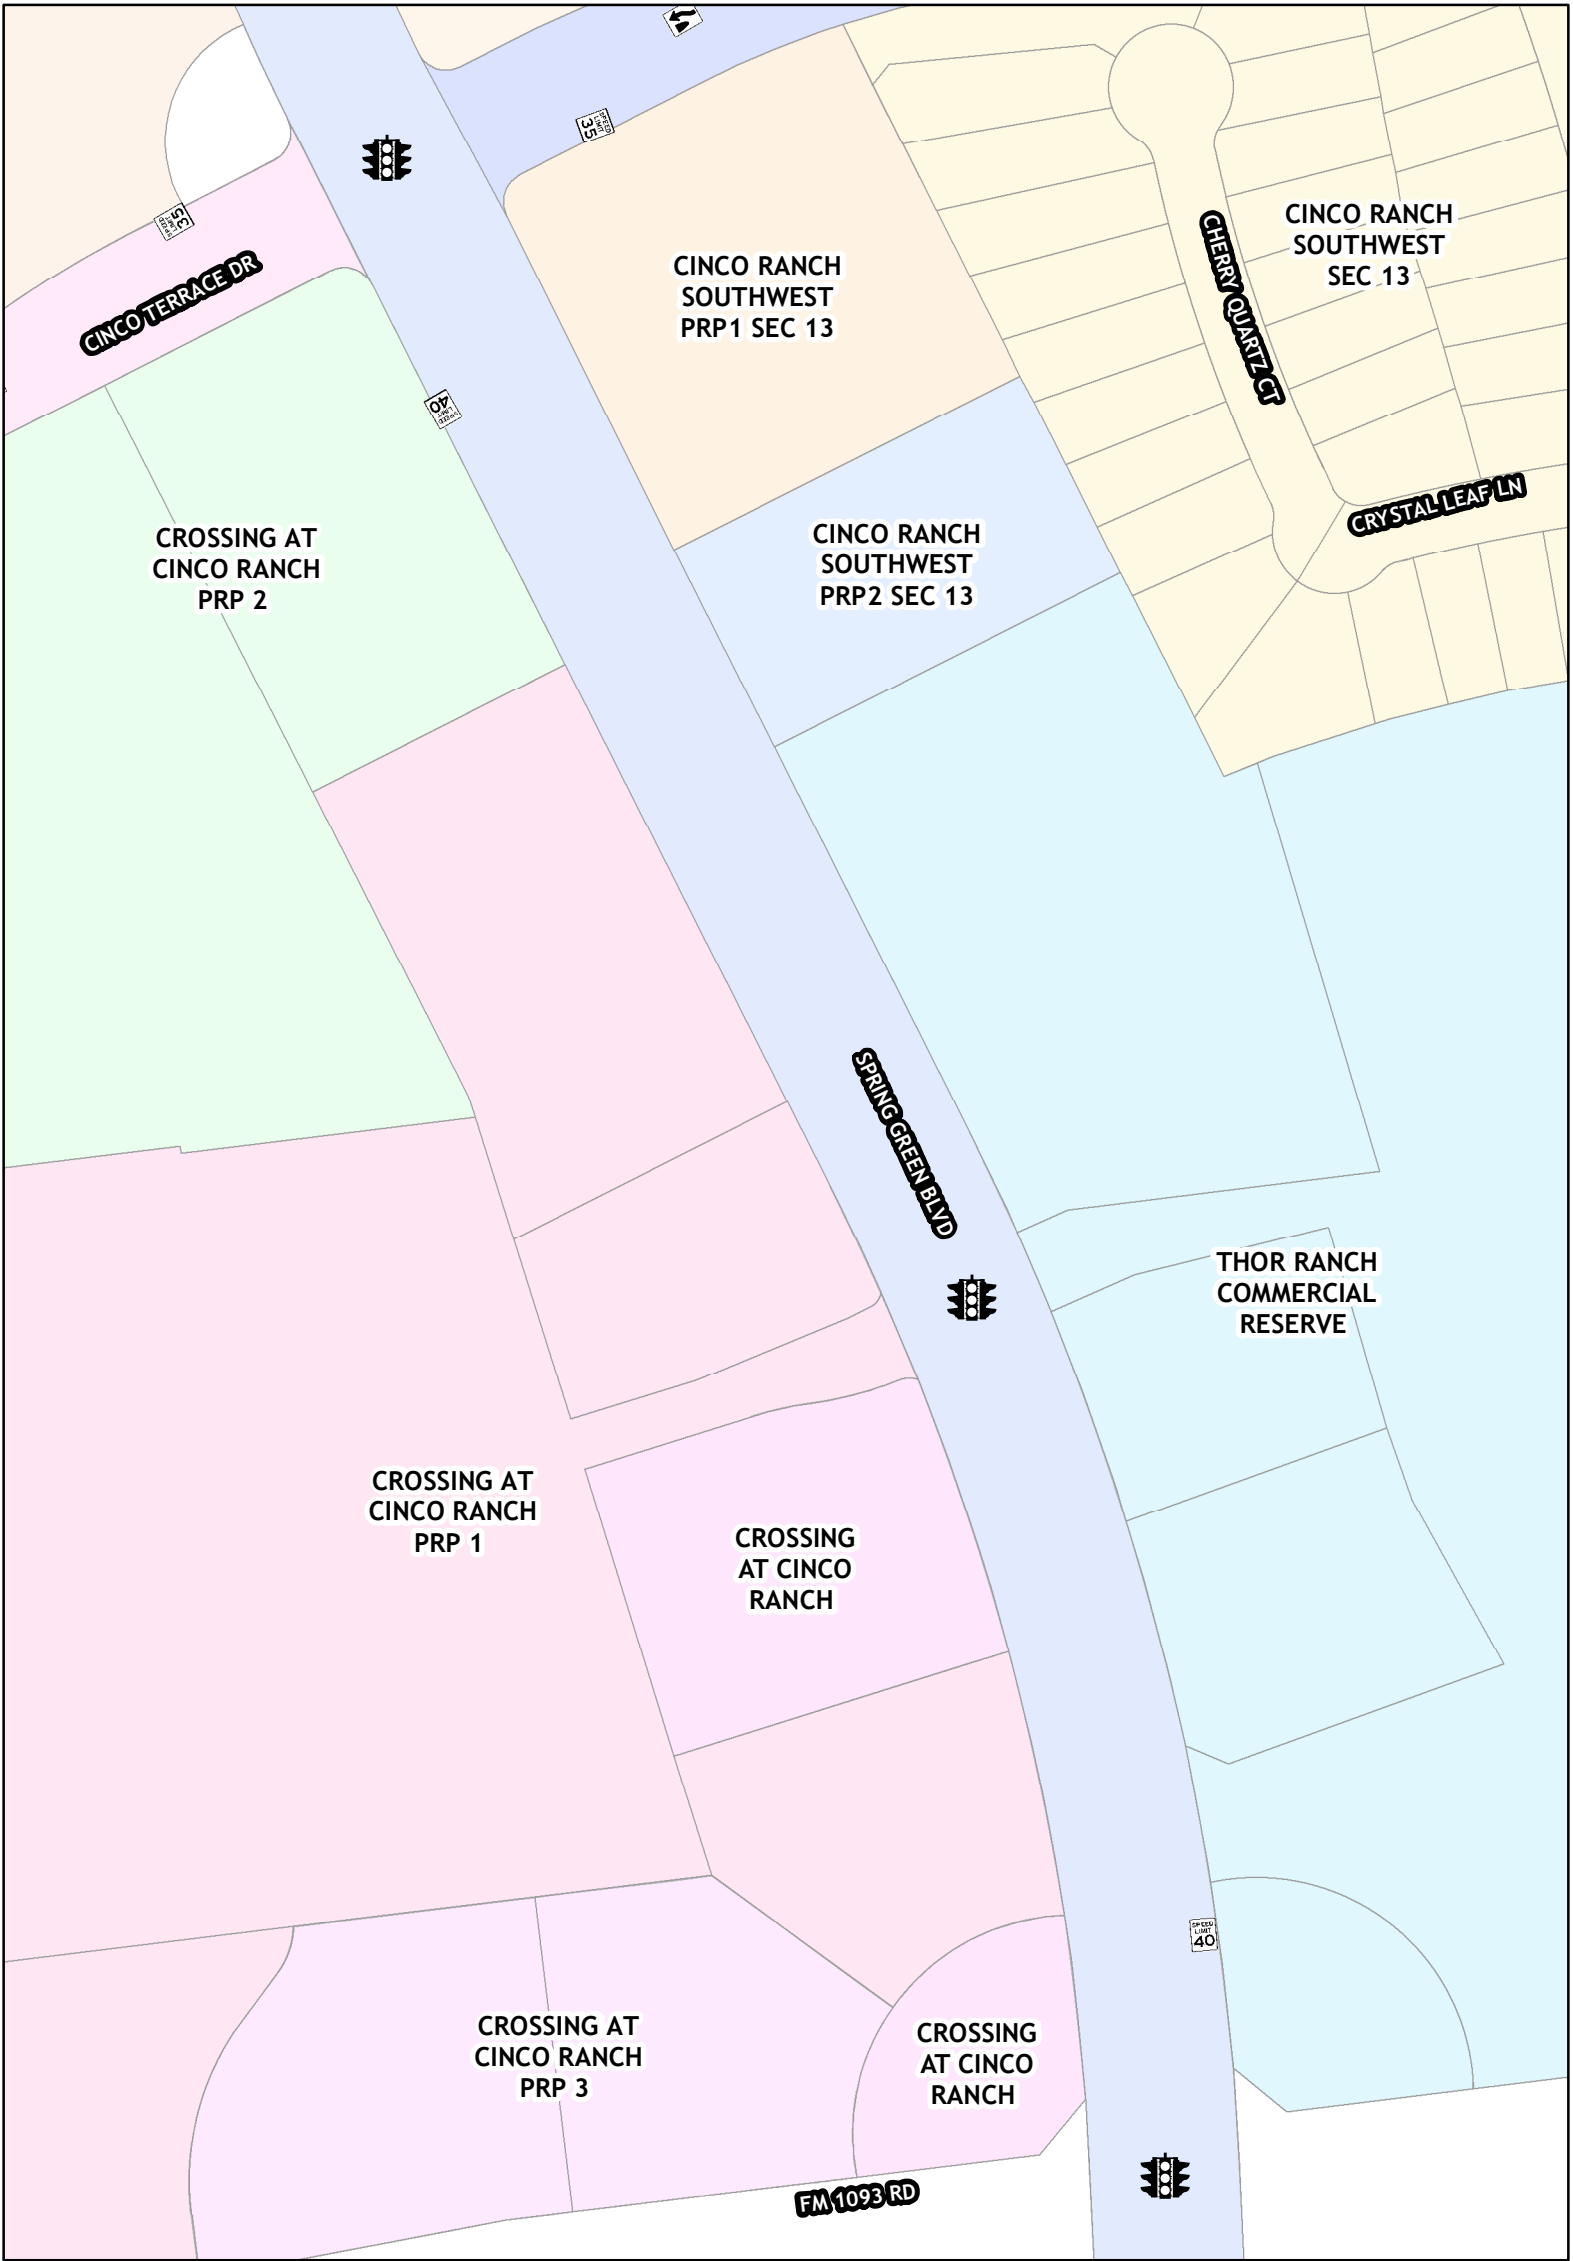

Based on traffic counts and speed data collected, and the crash history along the corridor, Federal Highway Administration criteria recommend a speed limit of 40 mph. The updated traffic control plan is attached.

Based on the above results, Engineering recommends a speed limit of 40 mph on the corridor. If you have any questions please do not hesitate to contact me at 281-633-7528 or [chris.debaillon@fortbendcountytexas.gov](mailto:chris.debaillon@fortbendcountytexas.gov).

Sincerely,

Chris Debaillon, PE, PTOE
