Dear Judge George,

Congratulations! We are thrilled to inform you that your organization has been selected as one of the 10 sites to participate in the Alliance for Strong Families and Communities' *Texas Change in Mind Learning Collaborative*, with generous funding from the Episcopal Health Foundation and Powell Foundation. The final 10 sites selected, including your organization, submitted exceptional applications focusing on a wide range of pertinent, exciting, and innovative topics. We couldn't be more pleased with the 10 organizations that will comprise this learning collaborative.

Your agency will be awarded \$50,000 from the Alliance for Strong Families and Communities as a result of your selection into the collaborative. The cohort period will officially begin April 1, 2021 and run through June 30, 2023. In the next several days we will be sending you a formal contract for your review and signature. In the meantime, please respond to changeinmind@alliance1.org to let us know you have received this message and to confirm that we should move forward in sending you the contract.

We are elated to begin working closely with you and other members of the cohort to infuse, accelerate, and align brain science research throughout the human-serving sector to create lasting systems change and influence policy that will ultimately improve the lives of children and families in Texas.

Sincerely,

The Texas Change in Mind Team
