**RE: Jordan Road renaming to Woods Road and Fulshear Bend Drive**

Dear Commissioner Meyers:

Fort Bend County Engineering has received a request for a street name modification to change existing **Jordan Road** to **Woods Road** from the Waller/Fort Bend County line south to the 90-degree bend in Jordan Road (2.02 miles south of county line) and to change **Jordan Road** to **Fulshear Bend Drive** from the 90-degree bend in Jordan Road west to FM 359 (0.27 miles).

The reason for the name change is for continuity purposes, as Waller County has the street name as Woods Road with multiple addresses from this roadway. The portion to rename the road to Fulshear Bend Drive is in alignment with future development plans. See attachments.

The request has been placed on the 06/01/2021 agenda to set the public hearing. If you have any questions please do not hesitate to call.

Sincerely,

A handwritten signature in cursive script, appearing to read "Maggie Dalton", followed by a stylized flourish.

RE: **PROPOSED RENAMING OF JORDAN ROAD**

Dear Ms. Hornsby,

Jones|Carter, on behalf of DR Horton would like to request renaming **Jordan Road** as follows:

1. North to South to be renamed to **Woods Road** from north county line up to the current Jordan Road (East-West) to be in continuity with Woods Road off of Interstate 10 in Waller County.
2. East to West to be renamed to **Fulshear Bend Road** from FM 359 to the current Jordan Road (North-South)

A red arrow points from a red rectangular box containing the word 'DRIVE' to the text 'Fulshear Bend Road' in the second list item.

We are attaching herewith a completed Request Form and exhibit showing the proposed extent of Jordan Road to be renamed.

Should you need further information, please feel free to contact us at your convenience.

Thank you,

Best Regards,

A blue ink signature of Enrique Gadia.
