RE: Addition of Lane Use Control signs on Trammel Fresno Road at FM 521

Dear Commissioner:

Fort Bend County Engineering Department has completed the traffic control plan to clarify the legal lane usage on the eastbound approach of the Trammel Fresno Road at FM 521 intersection. The eastbound approach will have one left-turn only lane, one thru only lane, and one right-turn only lane. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Debaillon".
