**RE: Bellaire Blvd at Horton Vista Drive – All-Way Stop Control**

Dear Commissioner Prestage:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of Bellaire Boulevard at Horton Vista Drive in response to a request for all-way stop control. The intersection currently operates with stop control on Horton Vista Drive. Bellaire Boulevard has a posted speed of 35 mph and is identified as a Major Thoroughfare in the 2015 Fort Bend County Major Thoroughfare Plan. Horton Vista Drive has a posted speed of 30 mph and is identified as a Local Street.

This intersection has been identified as a future traffic signal. As this satisfies one of the criteria of the all-way stop warrant in the Texas Manual on Uniform Traffic Control Devices, an all-way stop is warranted and Engineering recommends the conversion of the intersection to all-way stop control.

A copy of the traffic control plan is attached for your review. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.
