The NETC Welcome Package has been updated with many changes to include COVID-related procedures. Please be sure to read through this important information prior to traveling to campus.

Notice about the coronavirus (COVID-19)

The health and safety of students is a top priority for the National Emergency Training Center (NETC). The NETC wants to be proactive in sharing information and mitigating effects of any communicable disease, including the Coronavirus (COVID-19). To ensure accurate information is shared with our students, stakeholders and campus users, the following information is an important read.

All NETC students accepted into class are directed to discontinue their class attendance if they are experiencing flu-like symptoms including fever, sneezing, coughing, congestion, or muscle aches that are not caused by another, preexisting condition. If you have these symptoms, please notify NETC Admissions and do not attend the training.

In addition, while attending training at NETC you should practice good hygiene; washing hands (minimum of 20 seconds) or using hand sanitizer after using the restroom. Cough and sneeze etiquette (coughing or sneezing into your elbow) is always the correct thing to do and helps prevent the spread of germs through the air or contaminated hands.

Please review the following guidance. Information in the guidance included many current references on COVID-19:

- Centers for Disease Control and Prevention (CDC) Coronavirus Website: <https://www.cdc.gov/coronavirus/2019-ncov/index.html>
- CDC Coronavirus Fact Sheet: <https://www.cdc.gov/coronavirus/2019-ncov/php/risk-assessment.html>
