All employees of BIBLIOTHECA shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of BIBLIOTHECA or agent of BIBLIOTHECA who, in the opinion of County, is incompetent or by his conduct becomes detrimental to providing services pursuant to this Agreement shall, upon request of County, immediately be removed from association with the services required under this Agreement.

When performing services on-site at the County, BIBLIOTHECA shall comply with, and ensure that all BIBLIOTHECA Personnel comply with, all rules, regulations and policies of County that are communicated to BIBLIOTHECA, including security procedures concerning systems and data and remote access thereto, building security procedures, including the restriction of access by County to certain areas of its premises or systems for security reasons, and general health and safety practices and procedures.

13. **Remote Access.** If BIBLIOTHECA requires remote access to County Systems for support, installation, integrations, configurations, and/or maintenance, except as otherwise agreed by the parties and approved by the County's Information Technology Director in writing, the below requirements must be met before BIBLIOTHECA is granted remote access to County Systems:

BIBLIOTHECA will supply County with evidence of access logs concerning remote access to County Systems upon written request from County. Such access logs will be provided to County, within three business days from the date of County's request. These requests may be used to confirm compliance with these terms and/or to investigate a security incident.
- (F). If any member(s) of BIBLIOTHECA's Workforce is provided with remote access to County Systems, then BIBLIOTHECA's workforce will not remotely log-in to County Systems from a public internet access device (e.g., airport computer terminal, or Internet café). This is due to the possibility of sensitive information being monitored by video or computer surveillance in public areas.
- (G). Failure of BIBLIOTHECA to comply with this Section may result in BIBLIOTHECA and/or BIBLIOTHECA's Workforce losing remote access to County Systems.

County reserves the right at any time to disable remote access to protect County Systems.

(H). For purposes of this Section, "Workforce" means employees, agents, subcontractors (where permitted), and/or other persons whose conduct, in the performance of work for BIBLIOTHECA, is under the direct control of BIBLIOTHECA, whether or not they are paid by BIBLIOTHECA and who have direct or incidental access to County Systems.

When required by County, BIBLIOTHECA shall furnish County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified.

16. **Understanding, Fair Construction.** By execution of this Renewal, the parties acknowledge that they have read and understood each provision, term and obligation contained in this Renewal. This Renewal, although drawn by one party, shall be construed fairly and reasonably and not more strictly against the drafting party than the nondrafting party.

17. **Severability.** If any provision of this Agreement is determined to be invalid, illegal, or unenforceable, the remaining provisions remain in full force, if the essential terms and conditions of this Agreement for each party remain valid, binding, and enforceable.

18. **Captions.** The section captions used in this Agreement are for convenience of reference only and do not affect the interpretation or construction of this Agreement.
