Subject: RE: SCBA request

Mr. Pechukas,

On behalf of Fort Bend County ESD #2 and the Willowfork Fire Department, I would like to request funding assistance with the replacement of our current Self Contained Breathing Apparatus (SCBA). We have been working towards a full replacement of these devices and currently have a number of the older units still in service. This causes some safety and accountability issues since a number of the safety features operate differently depending upon the unit being use. We thank you, as well as the entire County for your support, if any further information is needed, please feel free to reach out to me by email or by phone at xxx-xxx-xxxx
