COUNTY OF FORT BEND §

THAT TWINWOOD (U.S.), INC., a Texas corporation ("Grantor"), for and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, has GRANTED, SOLD, AND CONVEYED and, by these presents, does GRANT, SELL, AND CONVEY unto **FORT BEND COUNTY DRAINAGE DISTRICT**, a political subdivision of the State of Texas, its successors and assigns ("Grantee"), a permanent and perpetual non-exclusive easement and right-of-way (the "Easement") for the laying, construction, installation, maintenance, repair, relocation, replacement, removal, modification and operation of drainage facilities, including, without limitation, drainage channels, drainage ditches and all related connections and appurtenances thereto (collectively, the "Drainage Facilities") across, along, under, over, upon and through those four (4) certain tracts of land located in Fort Bend County, Texas, containing 0.3083 acre, 0.4219 acre, 0.8543 acre and 1.100 acres, respectively, as more particularly described in **Exhibits A, C, E and G** and shown on **Exhibit B, D, F and H**, all attached hereto and incorporated herein for all purposes (collectively, the "Easement Tracts"). Further, Grantee hereby acknowledges that Grantor is also conveying a permanent and perpetual non-exclusive easement to Fort Bend County Municipal Utility District No. 213, a political subdivision of the State of Texas ("FBC MUD 213") for the purposes described below. As used herein, the term "Grantor" shall include Grantor and Grantor's successors and assigns, including FBC MUD 213.

Subject to the provisions hereof, Grantee may lay, construct, install, maintain, repair, relocate, replace, remove, modify and operate the Drainage Facilities across, along, under, over, upon and through the Easement Tracts, and may enter upon the Easement Tracts to engage in all activities as may be necessary in connection therewith. Grantee will, at all times after doing any work in connection with the Easement, restore the surface of the Easement Tract (excluding the Drainage Facilities) to substantially its condition prior to the undertaking of such work.

Grantor expressly reserves the right to the use and enjoyment of the Easement Tracts for any and all purposes (including, without limitation, the construction, installation, maintenance, repair, modification, replacement and operation of any of the following improvements within the Easement Tracts: trails, sidewalks, retaining walls lighting facilities, irrigation facilities, utility lines, drainage or detention lines or related facilities, benches, fitness trail equipment and/or similar recreational facilities, signage, landscaping (including trees), and greenbelts); provided that such use shall not prevent or unreasonably interfere with Grantee's ability to lay, construct, install, maintain, repair, relocate, replace, remove, modify or operate the Drainage Facilities located therein. Provided however, prior to the installation or construction of any such improvements (except for repair, rehabilitation or re-installation of previously installed facilities and/or improvements) within the Easement Tracts by or on behalf of Grantor (which defined term includes Grantor's successors and assigns, including FBC MUD 213, as previously provided herein), plans for same shall be submitted to Grantee for review and approval, which approval shall not be unreasonably withheld or delayed. In the event any trails are to be constructed within the Easement Tracts, Grantee agrees to enter into a written agreement with Grantor setting forth the requirements related to the construction, maintenance and operation of any such trails.

Further, FBC MUD 213 shall have the right to use the Easement Tracts for the construction, installation, maintenance, repair, relocation, replacement, removal, modification and operation of trails, sidewalks, retaining walls, lighting facilities, irrigation facilities, utility lines, drainage or detention lines or related facilities, benches, fitness trail equipment and/or similar recreational facilities, signage, landscaping (including trees), and greenbelts therein, and Grantor hereby grants a non-exclusive easement to FBC MUD 213 for said purposes (any of the foregoing improvements installed and/or constructed by FBC MUD 213 shall be referred to herein as collectively as the "MUD Improvements"). FBC MUD 213 be responsible for the maintenance, repair and operation of the MUD Improvements. Grantee shall not use the Easement in any manner that would prevent or unreasonably interfere with any of the MUD Improvements hereafter installed or constructed within the Easement Tracts by FBC MUD 213 or the ability of FBC MUD 213 to construct, install, maintain, repair, relocate, replace, remove, modify or operate the same within the Easement Tracts. Notwithstanding the foregoing, if any of the MUD Improvements are damaged as a result of any work performed by Grantee in connection with the Drainage Facilities, Grantee shall not have any responsibility for the repair of any such damage to the MUD Improvements or the restoration thereof as a result of such damage.

Grantor reserves all oil, gas, and other minerals in, on, or under the Easement Tracts, but waives all right to use the surface of the Easement Tracts for, and all rights of ingress and egress for, the purpose of exploring, developing, mining, or drilling for the same; provided, however, that nothing herein shall prohibit or in any manner restrict

the right of Grantor to extract oil, gas, and other minerals from and under the Easement Tracts by directional drilling or other means that does not interfere with or disturb the surface of the Easement Tracts or Grantee's use of the Easement Tracts for the purposes set forth herein.

This conveyance is further made subject to any and all restrictions, covenants, easements, rights-of-way, encumbrances, and mineral or royalty reservations or interests affecting the Easement Tracts and appearing of record in the Official Public Records of Fort Bend County, Texas, to the extent in effect and validly enforceable against the Easement Tracts (the "Permitted Encumbrances"); provided, however, to the extent that Grantor has the ability to enforce any of the Permitted Encumbrances, Grantor will not do so in a manner that would unreasonably prejudice or interfere with Grantee's exercise of its rights in the Easement and use of the Easement Tracts for the purposes set forth herein.

TO HAVE AND TO HOLD, subject to the matters set forth herein, Grantor's Reserved Rights and the Permitted Encumbrances, the Easement, together with, all and singular, the rights and appurtenances thereto in any wise belonging, including all necessary rights to ingress, egress, and regress, unto Grantee, its successors and assigns, forever. Grantor does hereby bind itself and its successors and assigns to WARRANT AND FOREVER DEFEND, all and singular, the Easement and right-of-way and other rights described herein unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through, or under Grantor, but not otherwise.

The covenants and agreements contained herein shall run with the land and shall inure to the benefit of and shall be binding upon Grantor and Grantee and their respective successors and assigns.

The prevailing party in any suit, action, or other proceeding instituted in connection with any controversy arising out of this instrument or the Easement shall be entitled to recover its reasonable attorneys' fees from the other party.

The individual signing this instrument on behalf of Grantor represents that he/she has the requisite authority to bind Grantor. The individual signing this instrument on behalf of Grantee represents that he/she has the requisite authority to bind Grantee. The individual signing this instrument on behalf of FBC MUD 213 represents that he/she has the requisite authority to bind FBC MUD 213.

Neither party's failure to insist on strict performance of any part of this instrument shall be construed as a waiver of the performance in any other instance.

This instrument shall be interpreted and construed in accordance with the laws of the State of Texas, without regard to conflict of laws, principles, and venue for any suit, action, or proceeding instituted in connection with any controversy arising out of this instrument or the Easement shall be the state courts situated in Fort Bend County, Texas.

This instrument may be executed in multiple counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one instrument.

Grantee's address is c/o Chief Engineer, 301 Jackson Street, Richmond, Texas 77469.

FBC MUD 213's address is c/o Allen Boone Humphries Robinson LLP, 3200 Southwest Freeway, Suite 3200, Houston, Texas 77027.
