Fort Bend Project - Worklogs for August 01 - 31, 2021

Worklog by	Project	Comment	Worklog Date	Sum of Time Spent (Hours)
		AP Non-PO Enh - Tech specs and estimate review internal.		
		Inv Standard Solution SRD Review - Mobile Inv Discovery discussion, schedule discovery		
Kristen Stack	Project Management	Sprint Planning prep and sprint planning meeting with FBC	2021-08-19	4.00
		AP Non-PO Est review, Tech Spec review		
		FMO - HDI One pager review for Puja		
		Start Sprint Planning Prep		
		Mobile - Reschedule		
Kristen Stack	Project Management	EMS - 837 file escalation	2021-08-23	3.50
		EMS Meeting with Tania ,		
		Inv Mgt - Standard Solution - Internal discussion how to proceed with Mobile Inv without standard solution		
		Rec Man - Followup on UAT		
		EMS - EDI module ordering for solution		
		Inv Mgt - Coordinate SRD review with Tania for Beverly.		
Kristen Stack	Project Management	Adjust resourcing for Mobile vs Standard Solution	2021-08-20	4.00
		FBC - Weekly backlog and resourcing review		
		Update FBC Project portfolio		
Kristen Stack	Project Management	TrueSign Purchasing QA Training and Testing scheduling with Murad	2021-08-18	3.00
		FBC Project Portfolio Updates		
		WebServer licensing discussion with FBC IT and Tania		
Kristen Stack	Project Management	FMO - final onsite prep FBC Project Portfolio weekly resourcing and projection updates	2021-08-10	2.00
		Retiree Enrollment discussion with FBC: Feedback on best approach & feasibility of having it in place in OnBaseTest by 8/16?		
		We need to know +*++*if*++* it can be done+ - by our weekly meeting 8/4.		
		(Note: FBC IT is doing the configuration/unity form/lifecycle work in-house.)		
		Else we will defer electronic enrollment forms for Retirees until next year.		
Kristen Stack	Project Management	FMO QA testing Daily Touchpoint - Review Issues and progress	2021-08-03	3.50
	, ,	FMO - Discussion with Tania		
		QA Testing Discussion with Paula		
		Agenda:		
		Review Fort Bend County's QA process		
		Will same QA resource test on all projects?		
		Determine requirements for ImageSoft on projects		
		# QA Department training QA testing support timeline		
		Determine which current projects will need QA testing		
		# Discuss schedule updates on the program portfolio		
Kristen Stack	Project Management	FMO QA Testing Touchpoint call	2021-08-06	1.00
	ajaas munugamunt		20210000	

Kristeri Stack	Project Management	FMO Onsite Training FMO Onsite Training and UAT Kickoff	2021-08-11	6.00 4.00
Kristen Stack Kristen Stack	Project Management	Payroll doc types testing FMO Onsite Training	2021-08-27	4.00
		FMO Issue review, Updates to FMO discussion, collaboration. Coordinate efforts with Hassaan on solution 'freeze'		
	. •	FMO Demo		
Kristen Stack	Project Management	Schedule updates, travel for FMO Go-live discussions,	2021-08-30	4.0
		Sprint task review and updates for FBC		
		Upgrade - Root Cause and Issue resolution addition to Jira tickets.		
		FMO New request Jira assignments		
Kristen Stack	Project Management	requirements - project on hold notice to Tania. FMO _ New requests review. What can we do, who can do, estimate of time required	2021-08-04	4.0
		EMS PAS Requirements gathering from team to present to Jason. Internal discussion on delay on providing		
		Workview Issue - Follow up with Paula to see if CCB approved change. Was not-will go to CCB next week		
		FMO - QA Testing Daily Touchpoint		
		FMO - Internal Issue review and prep for touchpoint call		
		Disk Group Migration - Coordinate and schedule meeting with FB IT and ISI		
		Payroll Additional Doc Types - Deferred Comp Forms and Codes. Disburse to team. WOrk with team to update the Tech Specs Doc		
		AP UPop URL Issue correspondence with Paula and issue assignment, review		
		Upgrade - Issue review internal with team		
		Mobile Device project requirements gathering for Demo, demo scheduling		
		FBC Project Portfolio updates, sprint planning prep - all projects		
		FMO - Training correspondence with Tania.		
Kristen Stack	Project Management	FBC Proj Portfolio updates	2021-08-16	3.0
		TrueSign Clerks - follow up on Stamp needed to complete the solution		
		FMO - Follow up with Tania on additional training for ACI Piece		
		FMO - Internal issue log review and assignment to SEs		
Kristen Stack	Project Management	FMO - Temp Licenses for Training FMO - Schedule UAT Status Calls	2021-08-09	4.00
Kriston Stock	Duniost Manadamant		2021 08 00	4.0
		Training Walkthrough/Prep FMO Prod Licenses discussion		
		FMO - Review Updated SRD with Fort Bend		
Kristen Stack	Project Management	FMO QA Testing Touchpoint - Review open issues, testing progress	2021-08-02	3.0
		Retiree Packet Annual Enrollment Meeting to discuss project schedule feasibility		
		Sheriff Office Invoice Mgt Script Meeting facilitation		
		FMO - Plan review license ordering		
Kristen Stack	Project Management	FMO - schedule updates, re schedule other FBC Projects to accommodate.	2021-08-31	4.0
		Upgrade - cont adding root cause, resolution to tickets		

		Inv Mgt Internal SRD Review		
		Inv Mgt - schedule meeting to review the SRD with Paula. Discuss incorporating the BRD in with the SRD		
		EMS Internal discussion to present options to FBC due to delays in supporting documentation from ACI - dayforward vs just backfile options		
		Upgrade - Internal review of issues, roadblocks, next steps		
		Update sprint tasks in Jira for FBC Projects		
		Update all FBC Project schedules to include QA testing. include WA Training sessions and a minimum of 2		
Kristen Stack	Project Management	weeks for QA to test. Additional end user training and UAT pushed out accordingly.	2021-08-17	4.00
		Payroll Doc Types changes		
		FMO Updates, planning, discuss changes requested, coordinate resources		
Kristen Stack	Project Management	Update project plans and schedules for FBC Portfolio	2021-08-25	4.00
		Rec Man - discuss go-live plans		
		Non-PO - CCB Approval request		
		Weekly Backlog planning for FBC Portfolio		
		BRD discussion - how do we need to incorporate into our SRD process		
Kristen Stack	Project Management	Mobile Device Demo Sprint planning, FBC Project resourcing updates and set up,	2021-08-24	4.00
		EMS 837 followup/escalation continuance		
Kristen Stack	Project Management	Upgrade - Issue review with team, next steps, roadblocks?	2021-08-26	5.00
		Upgrade - schedule meeting with Jonathon and Matt for DMZ/Web Client issue		
		FMO/Upgrade- create additional users in Jira for QA Testing and Upgrade
