Subject: Seeking approval to attend Cattlemens Congress to assist 4-H Families with projects

I don't know if you remember us speaking briefly about me attending Cattlemen's Congress in Oklahoma with some of our 4-H families.

I received official confirmation today that the families will be attending the show. The dates of Cattlemen's Congress will be from January 9-11, in Oklahoma City.

I am seeking approval to attend the show and assist the 4-H families/members with their heifer projects. There will be no expenses on my end, for they have agreed to take care of all expenses for me to attend/assist.
