

# UNITE & INSPIRE

*...to make an impact!*

Dear Christina,

Cinco Ranch Library,  
Adult Librarian  
Fort Bend County Libraries

Sub: Placement of FBCL Logo

Thank you for considering our request to place the logo of Fort Bend County Libraries on our website ( [www.uniteandinspire.org](http://www.uniteandinspire.org) ) along with our partners logos, and we intend to place the logo only on the home page alongside our other partner organizations, and we do not use the logo for any other purposes other than the intended one. We value our partnership which benefits our communities, and we look forward to conducting more workshops and bring awareness through our volunteers.

Yours Sincerely,

Unite & Inspire
