RE: Assignment of Agreement for Public Transportation Financial and Transportation Planning Services for Fort Bend County Public Transportation, RFP 21-024 dated September 7th, 2021
Project No. 1039000-01.21 Agreement for Public Transportation Financial and Transportation Planning Services for Fort Bend County Public Transportation, Contract 21-PT-100694, RFP 21-024

Dear Mr. Kovar:

On December 17, 2021, Tindale-Oliver & Associates, Inc. (Tindale Oliver) merged with Alfred Benesch & Company (Benesch), an engineering and professional services company based in Chicago, Illinois. This merger provides an opportunity to provide clients with expanded services and additional capacity – drawing from a network of over 830 engineers, planners, landscape architects and other professional staff. Tindale Oliver and Benesch are culturally aligned, sharing a commitment to quality work and responsive client service.

As you are aware, we have an Agreement for Public Transportation Financial and Transportation Planning Services for Fort Bend County Public Transportation, RFP 21-024 with you, dated September 7th, 2021. While a merger is not technically an assignment or transfer, the corporate entity of Tindale Oliver will cease to exist and the contract between us will now be performed by a division of Benesch, which consists of the former Tindale Oliver and its staff. Regardless of this merger, the staff members currently working on your project will continue to provide you with the same high level of service that you have been receiving.

All Terms and Conditions of the Agreement, and information or data that Tindale Oliver was obligated to provide under the Agreement will become the same legal obligation for Benesch.

We look forward to working with you on projects associated with this Agreement and on future projects. Please acknowledge your approval of the assignment of the above referenced Agreement from Tindale Oliver to Benesch, by signing below and returning this to us. If you prefer to use your own assignment form, please send it to us for our review and execution.
