General Information

1. Describe the proposed project(s) for which the funds will be used. *

Fort Bend County (FBC) will use funds for purchase of service, software, miscellaneous equipment, project administration and operating expenses.

FBC provides general public demand response and commuter services. All services operate Monday through Friday (excluding County Holidays). Demand Response services operate to accommodate the first drop-off by 8:00 am and last pick-up by 5:00 pm. Demand Response trips are provided within the County limits and/or to destinations in adjoining counties within one (1) mile of the Fort Bend County line. Advanced reservations are required and can be requested up to thirty (30) calendar days in advance. Requests are taken on a first-come, first-serve basis.

FBC provides additional services such as the Ambassador Program wherein passenger assistants help passengers with disabilities to and from their destinations. FBC continues to plan with human service agency transportation providers within the County and continues to stay involved in the region's public transportation efforts.

Commuter services are provided to Greenway Plaza, Galleria, and Texas Medical Center areas of Houston from park and ride locations in Sugar Land and Rosenberg. FBC has a planned park and ride facility along the Westpark Toll Road in northwest Fort Bend County.
