EXPLANATION: Transferring funds to purchase additional equipment (network recorder) to install an IP camera for property surveillance. We purchased the camera last year to be used with our hatching exhibit at the AG'tivity Barn. Then in December 2021 the catalytic coverter was stolen out of our Dodge (#R073). Three weeks prior, USDA had one stolen from one of their unit vehicles. Fort Bend Seniors also reported two catalytic converters stolen. Facilities assessed our camera and conducted a site survey (for installation) in April 2022 (WO #101653). The Facilities Rep, George, forwarded the quote from ADI for the additional equipment needed.
