RE: Bid 22-005 Term Contract for Dump Truck Bed Lining Material

To whom it may concern:

Over the past year all of us have seen price increases in most everything. We strive to keep our quality high and prices as low as possible in order to retain and increase business. Material prices, fuel costs and freight costs have had a direct effect on most of the products we provide. Accordingly, there has been a cost increase for the Dump Truck Bed Lining Material that Fort Bend County- Road and Bridge uses that we cannot absorb.

The Term Contract for Dump Truck Bed Lining Material is set to renew October 1, 2022. However, per our contract with Fort Bend County Bid 22-005, General Requirements 1.35 Escalation Clause, we are requesting Commissioner's Court approval to increase the price for the Dump Truck Bed Lining Material effective immediately. We would be willing to renew the contract only if the price increase is approved.

Vor-Tex Industries has worked favorably with Fort Bend County-Road and Bridge over the years and hope we can continue. Feel free to contact us if you have any questions or concerns.
