Security:

The Fort Bend County Fire Marshal's Office is the security authority for Fort Bend County Parks rentals. The Renter is responsible for contacting the appropriate leasing office to coordinate the facility rental process and for making payment directly to the officers at the conclusion of the event. All Officers will be assigned by the Fire Marshal's Office. Private Security Officers hired by Renter will not be allowed. It is a condition of rental that Renter contacts the appropriate leasing office at least thirty (30) days in advance to start the application process to rent a facility; larger events may need additional time to adequately address all event needs. The current rate for Officers is \$50 per hour per Officer (\$60 per hour for County holidays) paid at the time of service by cash/money order/ cashier's check. Officer(s) must be on duty at all times during Renter's event. At the Officer's discretion any or all Officers hired may remain on duty for as long as the Officer deems necessary. Renter will be responsible for any additional time as determined by the Officer. A hired Officer is required any time where there is a concern for public safety as determined by the Fire Marshal's Office or assigned Officer or whenever alcohol is being consumed. NO alcohol may be consumed on premises until an Officer is present and on duty. The Fort Bend County Fire Marshal's Office is responsible for determining the number of Officers required for each event and may choose to increase or decrease the number of Officers for any event at any time due to security concerns. All additional Officers will be at the expense of the Renter at the current rate per hour. If the officer does not arrive at the scheduled time, please contact the non-emergency dispatch number at 281 - 341- 4665. The number of hours reserved by the Renter and the maximum number of guests allowed to attend will be used to calculate the cost of security, based on hourly rates set above. Renters are required to make payment at the end of the Rental period directly to the Officer(s). Renter should keep in mind that fees may increase should the event last longer than expected or if the Officer deems that additional security will be needed. All Fort Bend County Officers fall under their department's Standard Operating Procedures and will report all concerns to the property's

management. The Fire Marshal's Office and its employees are not responsible for management of the Officers or staff on scene unless instructions have been provided by Commissioner's Court. In the event that adequate security cannot be obtained, Renter's event may be cancelled and Renter's sole remedy will be a refund of any money paid to Fort Bend County.

Fort Bend County Fire and Life Safety Code shall be enforced at all events; in addition, any requirements listed on this form shall also be enforced.

In addition to Fire Code/Security, only prior approved portable cooking equipment may be used. If food will only be heated and not cooked, then there is no requirement for an Officer to be present at the cooking site, but all equipment must still be approved by the Officer prior to use to ensure safe operation. Approved Cooking Equipment: LP-gas fueled cooking appliances must meet the requirements of NFPA 58. All Charcoal and oil needs to be discarded in County approved containers.
