Subject: Amendment Request to CMT Budget For Katy Flewellen Road Reconstruction from Willow to Gaston Road in Fort Bend County, Texas

Gentlemen:

This letter is to request for amendment in the construction materials testing (CMT) budget for the above subject project. Based on our record, we've exceeded the materials testing budget. A request for budget increase in the amount of \$99,190 was submitted on January 28, 2022 but was not processed. We were instructed to perform materials testing, which we did, until the request is approved. The increase in costing is due to additional field observation and field/laboratory testing. We request that the original budget be revised to cover for the additional time and material expense in the amount of \$87,653 as shown in table below.

Total Amount Invoiced and not paid yet	\$110,681
Original Budget	- \$110,681
Additional Budget Amount Requested	\$87,653
Requested New Budget	\$198,334

We look forward to your approval of this request.
