Greetings Fort Bend County Commissioners,

The Black Cowboy Museum, located in Rosenberg, Texas, has an amazing collection of stories and memorabilia dedicated to the history of the Black Cowboy in Texas History and today.

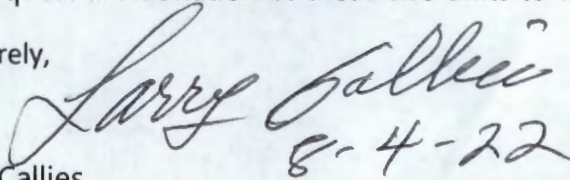

We have partnered with the Fort Bend County Sheriff's Office, YOU ARE NOT ALONE PROGRAM, to work to archive the aging Cowboys in Fort Bend County.

Our goal is to preserve their stories and utilize the Fort Bend County Sheriff's Offices, the two Tensator Virtual Assistant units, to bring this innovative teaching tool to life for the present and future.

The Units consist of two carrying cases, two-person shape cut outs, two projectors, two display frames, thumb drives with software and video collection, and all power plugs.

We request the donation of these two units to the Black Cowboy Museum.

Sincerely,

Larry Callies
