Section 2. Personnel

- A. - C. All performance of the Scope of Services by Contractor including any changes in the Scope of Services and revision of work satisfactorily performed will be performed only when approved in advance and authorized by County.
- D. County will pay Contractor based on the following procedures: Upon completion of the tasks identified in the Scope of Services, Contractor shall submit to County two (2) original copies of invoices showing the amounts due for services performed in a form acceptable to County. County shall review such invoices and approve them within 30 calendar days with such modifications as are consistent with this Agreement and forward same to the Auditor for processing. Upon receipt of the notice, Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to County all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Agreement whether completed or in process.
- B. Upon termination of this Agreement, County shall compensate Contractor in accordance with Section 3, above, for those services which were provided under this Agreement prior to its termination and which have not been previously invoiced to County. Contractor's final invoice for said services will be presented to and paid by County in the same manner set forth in Section 3 above.
- C. If the termination is for failure of Contractor to fulfill the obligations under this Agreement, County may complete the work by contract or otherwise and Contractor shall be liable for any additional cost incurred by County.
- D. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor had not failed, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County.
