Subject: Confirming your attendance (Data leads) - FJP's Fall Convening - October 20-21
Date: Tuesday, August 16, 2022 1:53:07 PM

Hello!

We are excited that you will accompany your elected official to FJP's upcoming convening in Philadelphia, PA, on October 20th. Your voices and experiences working on the ground will add value to the planned conversations. We are still confirming the agenda, but day 1 will revolve around the role of data – including challenges and innovations – in achieving prosecutorial reform. Topics may include:

- Data-driven public safety approaches, as well as efforts to measure public safety and wellbeing
- Data management and communications guidance
- Highlighting recent data innovations

We are also planning to have an event to launch FJP's first book, *Change from Within*, on Wednesday, October 19th, at 4 pm (tentatively). We will be sending more information about the details of this event soon.

Ahead of the convening, we are sending our convening protocols for your review. Please review and complete [this form](#) before Friday, August 19. This form includes COVID protocols, hotel, and dinner RSVPs.

Please do not hesitate to reach out if you have any questions!
