### MO'TER.

- 1. The aiventising/media buying cost for Task 2 represents a quote prior to negotiations. VRA's subconsultant, Boone DeLeon, will be responsible for media negotiations. However, VRA nor Boone DeLeon can guarantee the quoted price will be reduced after negotiations. The price quoted here will not be exceeded.
- 2. The \$20,000 fee associated for Task 4 includes administrative cost, which is not listed. Since there is no way of knowing how much that would be at this time, we are noting it here.
- 3. Based on information provided by Fort Bend Transit, collateral production is no longer allowed under this marketing services contract. Therefore, the category "Collateral" has been removed. Collateral production be requested of VRA, the sum will come from Task 4 as a misc. marketing item. Since this type of item is based on FBT's discretion, VRA has no way of knowing what will be requested in the upcoming year.

# Estimated Project Timeline for Fort Bend County Public Transportation - Marketing Services

Work Authorization #3

Task 6: General Marketing and Advertising Item Development

# TO NOTE:

🖈 The stars placed in the timeline indicate when a final, physical deliverable is due to Fort Bend County Public Transportation.

\* VRA has estimated a one (1) week (five [5] business days) review period for Fort Bend County Public Transportation to review the draft deliverable and make any necessary / preferred changes.

\*\* Depending on the severity of requested changes, VRA's editing period could last from 3-5 business days. VRA has assumed a five (5) business day period for this timeline.

\*\*\* The media push phases will be heavily influenced by the NTP receipt date. The goal of the advertising is to avoid summer and holiday months, so the above blocked out timeframes are estimates and may change.
