Re: Public Road Connection for Kians Way at IH 69/ US 59 on behalf of Berry Place Holdings, LP and FBC MUD 207 – Sponsorship

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from LJA Engineering on behalf of Berry Place Holdings, LP, for Fort Bend County to sponsor a project for a public road connection for Kians Way at IH 69/ US 59. The road connection will provide access to Circle Oak Section 1.

Any and all cost involved with the project will be borne by FBC MUD 207. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 11/22/2022 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,
