Supplemental Proposal**

Dear Kevin:

EPIC Transportation Group, LP (EPIC) appreciates the opportunity to submit this supplemental proposal for engineering services to Fort Bend County (FBC) related to replacing Sycamore Road's existing asphalt pavement section and open ditches with concrete curb & gutter pavement section, sidewalks, and storm sewers.

The limits are about 1,300 feet of Sycamore Road between the eastern driveway of Fort Bend MUD 23's M.R Massey Building (located at 1570 Rabb Road) and just west of Eaglewood Trail Drive. This project will be part of two adjacent projects, one on each side.

FBC has requested to prepare a new bid ready PS&E package.

SCOPE OF SERVICES

The following design sheets shall be revised/added:

- Index of sheets
- General notes
- General construction notes
- Typical sections
- Removal layout
- Horizontal alignment data
- Plan and profile layouts
- Drainage area map
- Drainage calculations
- Storm sewer lateral layouts
- SWPPP
- Traffic control plan

Notes:

1. EPIC shall review existing survey, and if needed request additional survey points and sections.
2. As the drainage outfall is outside the project limits no drainage outfall design shall be provided.
3. Adjacent section consultants may need to update their respective drainage systems/study.

TRAFFIC CONTROL PLANS

EPIC shall coordinate with adjacent project engineers and revise traffic control plan to incorporate their phasing and traffic control so one or both adjacent sections can be constructed simultaneously with this project. Traffic control plan will be revised for this project only. Adjacent project engineers are responsible for providing their own traffic control within their sections.

DELIVERABLES

Submittals include one pre-final set for review followed by one set of sealed and signed drawings for construction. Deliverables shall be in 11"x17" PDF format.

MEETINGS & COORDINATION

There shall be no coordination meetings. All coordination shall be handled by phone calls and emails. Coordination with adjacent sections and information/plan request will be handled by Binkley and Barfield.
