ADDENDUM TO CORRECTIONS SOFTWARE SOLUTIONS, LP'S AGREEMENT

THIS ADDENDUM ("Addendum") is entered into by and between Fort Bend County, ("County"), a body corporate and politic under the laws of the State of Texas, and Corrections Software Solutions, LP, ("CSS"), a company authorized to conduct business in the State of Texas (hereinafter collectively referred to as the "parties").

WHEREAS, subject to the changes herein, the parties previously executed and accepted CSS' Professional Services Agreement, Attachment 1 to Professional Services Agreement Nonexclusive License Agreement, and Correspondence on April 5, 2022, and have executed and accepted CSS' Extension to Agreement (collectively the "Agreement"), attached hereto as Exhibit "I" and incorporated fully by reference, for the purchase of specified software services (the "Services"); and

WHEREAS, County desires that CSS provide Services as will be more specifically described in this Agreement; and

WHEREAS, CSS represents that it is qualified and desires to perform such Services, and represents that it is the owner of all copyrights and all other intellectual property rights in connection therewith; and

WHEREAS, CSS is the sole source provider of the Services as indicated by the letter attached hereto as Exhibit "II" and incorporated fully by reference; and

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

AGREEMENT

1. **Term.** The term of the Agreement is effective as of September 1, 2022, and shall expire no later than August 31, 2023, unless terminated sooner pursuant to the Agreement. This Agreement shall not automatically renew, but may be subsequently renewed in writing upon agreement of the parties.
2. **Scope of Services.** Subject to this Addendum, CSS will render Services to County as described in Exhibits I and II.
3. **Payment; Non-appropriation; Taxes.** During the term of this Agreement, CSS will invoice County each month for Services. County will review such invoices and approve them within thirty (30) calendar days with such modifications as are consistent with this Agreement. Except as authorized below, each payment by County will be in the amount of \$9,770.00 (Nine Thousand, Seven Hundred Seventy and 00/100 dollars) (for a total amount not to exceed

\$117,240.00). If County disputes charges related to an invoice submitted by CSS, County shall notify CSS no later than twenty-one (21) days after the date County receives the invoice. If County does not dispute the invoice, then County shall pay each such approved invoice within thirty (30) calendar days. It is specifically understood and agreed that in the event no funds or insufficient funds are appropriated by Fort Bend County under this Agreement, Fort Bend County shall notify all necessary parties that this Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were made without penalty, liability or expense to Fort Bend County. County is a body corporate and politic under the laws of the State of Texas and claims exemption from sales and use taxes. A copy of a tax-exempt certificate will be furnished upon request. Interest resulting from late payments by County shall be governed by Chapter 2251, TEXAS GOVERNMENT CODE.

4. **Limit of Appropriation.** CSS clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of One Hundred Seventeen Thousand, Two Hundred Forty and 00/100 dollars (\$117,240.00), specifically allocated to fully discharge any and all liabilities County may incur. CSS does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that CSS may become entitled to and the total maximum sum that County may become liable to pay to CSS shall not under any conditions, circumstances, or interpretations thereof exceed One Hundred Seventeen Thousand, Two Hundred Forty and 00/100 dollars (\$117,240.00). In no event will the amount paid by the County for all services under this Agreement exceed this Limit of Appropriation without an amendment executed by the parties.
5. **Public Information Act.** CSS expressly acknowledges that County is subject to the Texas Public Information Act, TEX. GOV'T CODE ANN. §§ 552.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will make any information related to the Agreement, or otherwise, available to third parties in accordance with the Texas Public Information Act. Any proprietary or confidential information marked as such provided to County by CSS shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed. The terms and conditions of the Agreement are not proprietary or confidential information.
6. **Applicable Law; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement. The parties hereto acknowledge that venue is proper in Fort Bend County, Texas, for all legal actions or proceedings arising out of or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by CSS in any way associated with the Agreement.

7. **Certain State Law Requirements for Contracts.** The contents of this Section are required by Texas Law and are included by County regardless of content. For purposes of Sections 2252.152, 2271.002, and 2274.002, Texas Government Code, as amended, CSS hereby verifies that CSS and any parent company, wholly owned subsidiary, majority-owned subsidiary, and affiliate:

13. **Understanding, Fair Construction.** By execution of this Addendum, the parties acknowledge that they have read and understood each provision, term and obligation contained in this Addendum. This Addendum, although drawn by one party, shall be construed fairly and reasonably and not more strictly against the drafting party than the nondrafting party.

15. **Electronic and Digital Signatures.** The parties to this Agreement agree that any electronic and/or digital signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as the use of manual signatures.
16. **County Data.** Nothing in this Agreement will be construed to waive the requirements of § 205.009 of the Texas Local Government Code.
17. **Ownership and Reuse of Documents.** All documents, data, reports, research, graphic presentation materials, etc., developed by CSS as a part of its work under this Agreement, shall become the property of County upon completion of this Agreement, or in the event of termination or cancellation thereof, at the time of payment under § 3 for work performed. CSS shall promptly furnish all such data and material to County on request.
18. **Personnel.** CSS represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for the timely performance of the Services required under this Agreement and that CSS shall furnish and maintain, at its own expense, adequate and sufficient personnel, in the opinion of County, to perform the Services when and as required and without delays.

All employees of CSS shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of CSS or agent of CSS who, in the opinion of County, is incompetent or by his conduct becomes detrimental to providing Services pursuant to this Agreement shall, upon request of County, immediately be removed from association with the Services required under this Agreement.

When performing Services for the County, CSS shall comply with, and ensure that all CSS Personnel comply with, all rules, regulations and policies of County that are communicated to CSS in writing, including security procedures concerning systems and data and remote access thereto, building security procedures, including the restriction of access by County to certain areas of its premises or systems for security reasons, and general health and safety practices and procedures.

19. **Compliance with Laws.** CSS shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. When required by County, CSS shall furnish County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified.

20. **Confidential Information.** CSS acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Any and all information of any form obtained by CSS or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information"). Any reports or other documents or items (including software) that result from the use of the Confidential Information by CSS shall be treated with respect to confidentiality in the same manner as the Confidential Information. Confidential Information shall be deemed not to include information that (a) is or becomes (other than by disclosure by CSS) publicly known or is contained in a publicly available document; (b) is rightfully in CSS' possession without the obligation of nondisclosure prior to the time of its disclosure under this Agreement; or (c) is independently developed by employees or agents of CSS who can be shown to have had no access to the Confidential Information.

CSS agrees to hold Confidential Information in strict confidence, using at least the same degree of care that CSS uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than the provision of Services to County hereunder, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential. CSS shall use its best efforts to assist County in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limitation of the foregoing, CSS shall advise County immediately in the event CSS learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Agreement and CSS will at its expense cooperate with County in seeking injunctive or other equitable relief in the name of County or CSS against any such person. CSS agrees that, except as directed by County, CSS will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, CSS will promptly turn over to

County all documents, papers, and other matter in CSS' possession which embody Confidential Information.

CSS acknowledges that a breach of this Section, including disclosure of any Confidential Information, or disclosure of other information that, at law or in equity, ought to remain confidential, will give rise to irreparable injury to County that is inadequately compensable in damages. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. CSS acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interest of County and are reasonable in scope and content.

CSS in providing all services hereunder agrees to abide by the provisions of any applicable Federal or State Data Privacy Act.

21. Termination.

21.1. Termination for Convenience. County may terminate this Agreement at any time upon thirty (30) days written notice.

21.2. Termination for Default. County may terminate the whole or any part of this Agreement for cause in the following circumstances:

(a). If CSS fails to timely perform services pursuant to this Agreement or any extension thereof granted by the County in writing;

(b). If CSS materially breaches any of the covenants or terms and conditions set forth in this Agreement or fails to perform any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in any of these circumstances does not cure such breach or failure to County's reasonable satisfaction within a period of ten (10) calendar days after receipt of notice from County specifying such breach or failure.

21.3. If, after termination, it is determined for any reason whatsoever that CSS was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County in accordance with § 21.1 above.

21.4. Upon termination of this Agreement, County shall compensate CSS in accordance with § 3, above, for those services which were provided under this Agreement prior to its termination and which have not been previously invoiced to County. CSS' final invoice for said services will be presented to and paid by County in the same manner set forth in § 3 above.

21.5. If County terminates this Agreement as provided in this Section, no fees of any type, other than fees due and payable at the Termination Date, shall thereafter be paid to CSS.

- 21.6. If County terminates this Agreement prior to the termination date, County shall not be subject to any early termination fee or other penalty.
- 21.7. Upon termination of this Agreement for any reason, if CSS has any property in its possession belonging to County, CSS will account for the same, and dispose of it in the manner the County directs. Upon termination of this Agreement, the County will maintain records concerning this Agreement as required by law, including any applicable record retention laws.
22. **Independent Contractor.** In the performance of work or services hereunder, CSS shall be deemed an independent contractor, and any of its agents, employees, officers, or volunteers performing work required hereunder shall be deemed solely as employees of CSS or, where permitted, of its subcontractors. CSS and its agents, employees, officers, or volunteers shall not, by performing work pursuant to this Agreement, be deemed to be employees, agents, or servants of County and shall not be entitled to any of the privileges or benefits of County employment.
23. **Further Assurances.** Each party further agrees that it shall take any and all necessary steps and sign and execute any and all necessary documents or agreements required to implement the terms of the agreement of the parties contained in this contract, and each party agrees to refrain from taking any action, either expressly or impliedly, which would have the effect to prohibiting or hindering the performance of the other party to this Agreement.
24. **Severability.** If any provision of this Agreement is determined to be invalid, illegal, or unenforceable, the remaining provisions remain in full force, if the essential terms and conditions of this Agreement for each party remain valid, binding, and enforceable.
25. **Dispute Resolution.**
- 25.1. The parties shall attempt in good faith to resolve promptly any dispute arising out of or relating to this Agreement by negotiation between the parties. In the event the dispute cannot be settled through negotiation, the parties agree to submit the dispute to non-binding mediation.
- 25.2. The party requesting mediation shall notify the other party in writing of the dispute desired to be mediated. If the parties are unable to resolve their differences within ten (10) days of the receipt of such notice, such dispute shall be submitted for mediation.
- 25.3. Each party shall be responsible for its own costs associated with the mediation.
- 25.4. The requirement to seek mediation shall be a condition required before filing an action at law or in equity, unless to do so would prevent either party from seeking relief in a court of law or equity under any applicable statute of limitations.

25.5. CSS acknowledges that County is subject to the requirements of the Texas Open Meetings Act, TEX. GOV'T CODE ANN. §§ 551.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, the County will comply with the provisions of the Open Meetings Act.
