## What's included in registration

### Plenary Session

Be inspired by powerful stories about how GIS is making a difference around the globe as geospatial thinking brings us together. Get a front-row seat for demonstrations of the latest Esri technology and learn about the newest upgrades. Hear from Jack Dangermond and find insights from other thought-provoking speakers.

### Technical workshops, user presentations, and more

The Esri User Conference offers a unique learning opportunity through technical workshops and demonstrations, user presentations, and special interest group meetings. Learn from Esri experts, as well as your peers, about how they are using GIS to meet world challenges.

### Expo

Browse the list of sponsors and exhibitors and explore GIS-powered products and services. Interact with exhibitors and get your questions answered.

### Networking

Connect with your peers at the conference. Take advantage of the many ways to network and collaborate with users from around the world.

## What you need for registration

### Esri account with a unique email address

All attendees will need to have an Esri account (such as an ArcGIS public account) with their unique email address. While a public account can accommodate multiple email addresses, our online registration platform cannot. You can create a free Esri account if you do not have one already.

### Customer number

If you are having difficulty locating your customer number, please contact [confregis@esri.com](mailto:confregis@esri.com) for assistance prior to registering.

[Email confregis@esri.com](mailto:confregis@esri.com)

### Proof of enrollment (students only)

To verify you are a current student or recent graduate, please send proof of enrollment to [confregis@esri.com](mailto:confregis@esri.com). Examples of proof include a photo of your school ID, a class schedule, or an unofficial transcript.

[Email confregis@esri.com](mailto:confregis@esri.com)

## Cancellation policy

For cancellations received after June 8, 2023, registrants will forfeit 50 percent of their registration fee.

Confirmed registrants who do not participate or who cancel after June 22, 2023, will forfeit their entire registration fee, and registrations received after this date will not be eligible for refunds. If you need to cancel due to special circumstances, please email [confregis@esri.com](mailto:confregis@esri.com) with your request for review.

Substitutions for registrants can be made at any time. Esri reserves the right to cancel any event or training if the minimum registration is not met. If Esri cancels an event, registration fees will be refunded. Canceling your registration does not automatically cancel your housing reservation, if applicable.

## Justify your attendance

We've created a customizable letter you can use to show your manager or organization the value of your attendance at this year's Esri User Conference. Download the letter and add details that highlight how you'll use your new knowledge and connections to get the most from your company's investment in GIS.
