RE: Proposal for First Supplemental Services on Belknap Project 17211 (008169) (PO #212779)

Dear Mr. Akinwande:

We appreciate the opportunity to work with the County as a Project Manager on the On-Call Construction Phase Services and Project Management for the Trammel Fresno project. We have worked hard to provide exceptional service and to be responsive to your needs. We have expended the fees allocated to us previously and would like to request an additional fee be added to our contract.

We propose adding **\$52,625.88** to our contract on a lump sum basis. We anticipate the following breakdown of additional design effort to add services for a sub (IDCUS) to complete design modifications to the signal design based on RPS's road design improvements. This proposal also adds additional scope of survey, and traffic and roadway design for the intersection of West Bellfort and Belknap, which was out of the original scope.

Task	Method of Compensation	Amount
Task 1 – Roadway Evaluation and Re-Design	Lump Sum	\$0.00
Task 2 – Bid and Construction Phase Services	T&M	\$0.00
Task 2 – Drainage Evaluation and Re-Design	Lump Sum	\$0.00
Task 3 – Bridge Crossing Impact Analysis	Lump Sum	\$0.00
