RE: Major Thoroughfare Plan modifications to Williams School Road at State Highway 36 in the unincorporated area of Fort Bend County

Dear Judge George:

Fort Bend County Engineering respectfully requests modifications to the Fort Bend County Major Thoroughfare Plan (MTP). This thoroughfare does not lie within any ETJ, therefore coordination with a municipal agency was not required. The requested modifications are as follows:

- **Williams School Road**
 - Remove future east-west Major Thoroughfare extension of said road located at the intersection of Whitetail Crossing.
 - Extend Major Thoroughfare classification north of Whitetail Crossing and beyond future extension of Oberrender Road.
 - Adjust alignment of Williams School Road across SH36 and align at FM 361 with the future alignment of Spacek Road.

A copy of the map is attached for your review. The public hearing date for acceptance of the change is being scheduled. If you should have any questions, please give me a call 281-633-7515.

Sincerely,

Maggie Dalton
Development Services Manager
