RE: Major Thoroughfare Plan modifications to the future extension of Kunz and Modena School Roads in the Rosenberg ETJ

Dear Judge George:

Fort Bend County Engineering respectfully requests modifications to the Fort Bend County Major Thoroughfare Plan (MTP). Coordination between Fort Bend County and the City of Rosenberg has occurred and both parties agree to the requested modification. The requested modification is as follows:

- **Kunz and Modena School Roads alignment**
 - This request is to adjust the alignment of the thoroughfare to align with the edges of properties, rather than bisecting, and adjust the curves to meet the 2,000' centerline requirement for Major Thoroughfares.

A copy of the map is attached for your review. The public hearing date for acceptance of the change is being scheduled. If you should have any questions, please give me a call 281-633-7515.

Sincerely,

Maggie Dalton
Development Services Manager
