Subject: FW: KFFB/DBG event April 28th

Dear Crystal,

The City of Missouri City would like to donate a tree and associated planting materials to the Fort Bend County Parks Department, as part of a partnership event at Kitty Hollow Park on April 28th, 2023. The total estimated cost of the donation is \$200. Once planted, the tree will become the property of Fort Bend County, to maintain as county staff sees appropriate. Thank you!
