Project: Chimney Rock - Project 13203

**RE: Project 13203 Chimney Rock Road; 7<sup>th</sup> Amendment**

Dear Mr. Slawinski:

This proposal is written to address the recent decision of the County to split the project into two phases, north and south of the American Canal. The effort included in this proposal is to prepare the separate design package for the portion of Chimney Rock Road south of the American Canal. Included in this proposal are the following items:

- Revision of the design drawings to remove all drawings for the portion of the roadway north of the American Canal. All drawings at the interface will need to be modified to indicate the new limits of the Segment 1 package. In addition, some general sheets such as the title page, index, quantity sheet, etc. will have to be modified.
- One submittal will be provided for review prior to the final submittal.
- The bid sheet, specifications and Project Manual will be revised.
- This effort will include bid phase services for the Segment 1 project.

Our proposed fee including sub consultant fees and management fees is \$33,990.00. Attached is our level of effort summary spreadsheet.

Please call me at 832-242-2426 if you have any questions. We look forward to working with RPS Group and Fort Bend County on this project.

Sincerely,

  
Giti Zarinkelk, P.E.
