**RE: Major Thoroughfare Plan modifications to proposed unnamed Collector
Roadways in the Richmond Extraterritorial Jurisdiction**

Dear Judge George:

Fort Bend County Engineering respectfully requests modifications to the Fort Bend County Major Thoroughfare Plan (MTP). Coordination between Fort Bend County and the City of Richmond has occurred and the city offers no objection to the requested revisions. The requested modifications are as follows:

- **Unnamed Collectors**
 - *North-South Collector.* Remove the proposed collector shown from US 90A north to Jester Unit 3 Road.
 - *East-West Collectors.* Remove the proposed collectors shown from the north-south collector (proposed to be removed) to Harlem Road. These roads will not extend to connect to SH99 due to access restrictions by in place by the toll road. The east-west extension of future FM 1464 to Harlem Road is proposed to remain.

A copy of the map is attached for your review. The public hearing date for acceptance of the change is being scheduled. If you should have any questions, please give me a call 281-633-7515.

Sincerely,

Maggie Dalton
Development Services Manager
