City Council Agenda Request

AGENDA REQUEST NO: V.B.

AGENDA OF: City Council Meeting

INITIATED BY: *Dawn Steph, Director of Environmental and Neighborhood Services*

PRESENTED BY: *Dawn Steph, Director of Environmental and Neighborhood Services*

RESPONSIBLE DEPARTMENT: Environmental and Neighborhood Services

AGENDA CAPTION:

Consideration of and action on authorization of an Interlocal Cooperation Agreement between the City of Sugar Land, Texas, and Fort Bend County Relating to Veterinarian Services and Use of Veterinary Surgical Room.

RECOMMENDED ACTION:

Authorize an interlocal agreement between the City of Sugar Land and Fort Bend County for surgical veterinary care to the homeless and abandoned animals in each entities care.

EXECUTIVE SUMMARY:

Both the City of Sugar Land and Fort Bend County operate an animal shelter and are partnering to provide sterilization and emergency surgeries to the animals in our care.

Chapter 828 of the Texas Health and Safety Code states animal shelter agencies may not release a dog or cat for adoption unless the animal has been sterilized. The City currently contracts with multiple veterinary establishments to provide medical care, including sterilization and other surgical procedures. In January 2023, the City was successful in hiring a full-time licensed veterinarian which allows us to expand the medical services provided in-house, but we do not have the surgical facilities to provide sterilizations and emergency surgeries.

The Fort Bend County animal shelter located at 1210 Blume Road, Rosenberg, Texas, 77471, has a surgical suite and veterinary technicians to operate the surgical suite but they do not have a licensed veterinarian to perform the surgeries. Under the Interlocal Agreement, it allows the utilization of the city-employed veterinarian to provide certain veterinary surgical services utilizing the

surgical room at the Fort Bend County Animal Shelter. The agreement is a five-year term with the option to renew for an additional five-year term.

Animal Services will transport city-owned animals to and from the Fort Bend County animal shelter and provide our licensed Veterinarian and Veterinary Technician, if needed. The County will provide the surgical room, support staff, supplies, drugs (controlled and uncontrolled), and all medications necessary to perform the surgeries.

The Environmental and Neighborhood Services staff recommends that the City Council authorize an Interlocal Agreement between the City of Sugar Land and Fort Bend County for surgical veterinary care to the animals in our care.
