RE: Letter of Request – Benton Rd Detour

Allgood Construction would like to request a road closure of Benton Rd at FM 762, as part of Benton Rd Project #17110 From FM 762 to 300' South of Reading Rd. This closure is to upgrade the BNSF Railroad's crossing and reconstruct FM 762 at this intersection. The road closure will be implemented as shown on sheet 55 of the approved construction plans, attached. These weekend closures will begin on or after May12th, 2023 and will be intermittent until that portion of the project is complete.

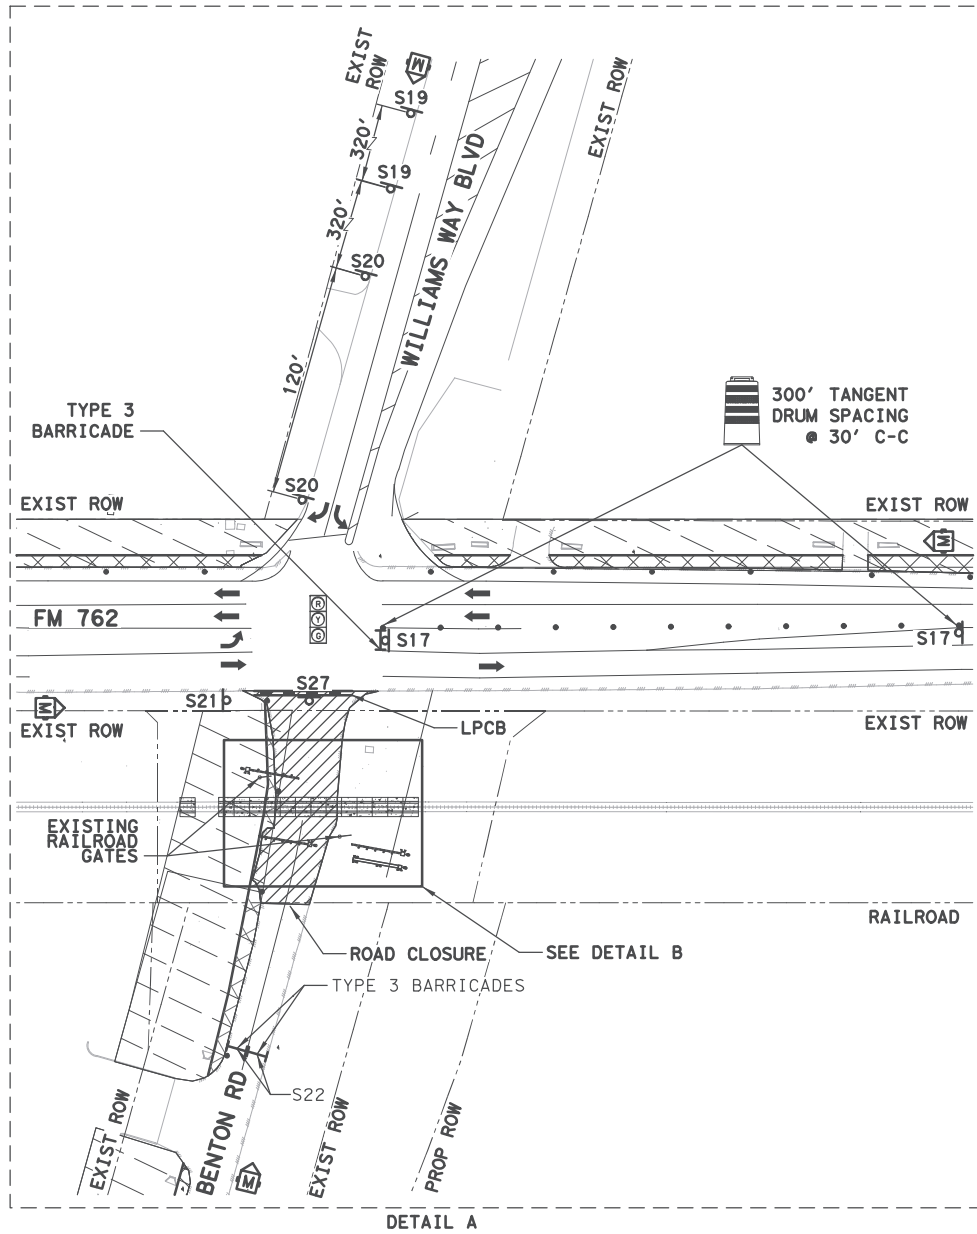

Thanks,

A handwritten signature in blue ink that reads "Michael Boenig". The signature is written in a cursive, flowing style.

Michael Boenig
VP of Construction
