

# North American Human Trafficking Conference 2023

Investigating and prosecuting human trafficking cases are complex and require techniques that carefully balance public safety with the rights of victim-survivors. The commercial sex ecosystem thrives on an unrelenting demand, which fuels the supply and ultimately leads to the prolific distribution of victims. This conference will explore advanced human trafficking investigation and prosecution skills, which will aid in successful investigations and ultimately convictions.

## Sessions at a Glance:

Illicit Massage Businesses

The Impact of Sex Trafficking on the Brain

Multi-Jurisdictional and Agency Investigations

Building Community and Law Enforcement Partnerships

Leveraging Financial Intelligence to Unravel Your Next Human Trafficking Case

Human Trafficking Case Study

Intrafamilial Child Sexual Abuse, Exploitation and Trafficking of Boys

Catfishing Pimps

Pros and Cons of Reporting Systems: How Human Trafficking is Reported in Your Jurisdiction

## Alison Phillips

Co-Founder of Human Trafficking Training Center

Alison Phillips is a consultant and co-founder of HTTC. Previously, she served as the Director of the Anti-Human Trafficking Task Force for the Missouri Attorney General's Office. As task force director, Alison built a strong, engaged multi-disciplinary team that conducted proactive operations, trained thousands of law enforcement and health care professionals, and implemented strategic initiatives such as "The Hope Initiative" which resulted in the closure of 40% of the state's illicit massage businesses and became a national model. Alison has written her own curriculum on human trafficking for undergraduate, criminal justice majors while working as an Adjunct Professor at the University of Missouri i...
