

# Adaptive Law Enforcement:<sup>1</sup> An Immersive Experience for First Responders (IEFR) Overview, Objectives & Outline

David Cross<sup>2</sup> & Randy Kaiser<sup>3</sup>

Tangipahoa Parish, Louisiana  
July 17-19, 2023

## Some General Thoughts

- Overarching goals of the training:
  - Take next steps in the Tangipahoa Parish TBRI implementation journey, focusing on first responders;
  - further develop and refine the Adaptive Law Enforcement (ALE) training package;
  - expand the group of trainers who can deliver ALE in Tangipahoa Parish and elsewhere.
- Some resources relevant to the training:
  - *TBRI+ and Adaptive Law Enforcement* (David Cross & Randy Kaiser, September, 2022);
  - *TBRI Implementation Guide* (KPICD Staff & Partners, September, 2021);
  - *TBRI Implementation Activities* (KPICD Staff & Partners, September, 2022);
  - *TBRI Animates & Podcasts* (KPICD website: [child.tcu.edu](http://child.tcu.edu)) –
  - *All Rise for the Good of the Children* ([allriseforchildren.com](http://allriseforchildren.com))

<sup>2</sup>Founder & Former Director, Karyn Purvis Institute of Child Development

<sup>3</sup>Special Agent, Texas Department of Public Safety

## Learning Objectives

- Participants will be able to organize and apply their knowledge about trauma using the Five P's: Pain, Protection, Pattern, Process, Practice.
- Participants will be able to organize their knowledge about healing and preventing trauma using the Three Pillars: Felt-Safety, Connection, Self Regulation.
- Participants will be able to organize and apply their knowledge about the patterns of adaptive trauma-informed practice using the OODA Loop: Observe, Orient, Decide, Act.
- Participants will be able to organize and apply their knowledge about the processes that support adaptive trauma-informed practice using the Three Facets of Mindful Awareness: Self-Awareness, Other-Awareness, Situation Awareness.
- Participants will be able to organize and apply their knowledge about adaptive trauma-informed practices using the IDEAL Response: Immediate, Direct, Efficient, Action-Based, Leveled at the behavior and not the person.

## DAY 1: TBRI-IEFR

### 9:00–9:50 Introduction

- Welcome by Local Leadership [Judge, Sheriff]
- The TBRI<sup>®</sup> Implementation Journey [local impact?]
- The ALE Journey: Trauma, Law Enforcement, and John Boyd [Cross/Kaiser]
- ALE Core Concepts P's & Q's [Cross/Kaiser]
  - Pain:* How do traumatic experiences impact us?
  - Protection:* How can we minimize the impact of traumatic experiences, past, present, and future?
  - Patterns:* What are the patterns of effective trauma-informed service?
  - Processes:* What are the psychological, social, and organizational processes that enable effective trauma-informed service?
  - Practices:* What are the strategies and tactics that constitute effective trauma-informed service?

## **10:00–11:50 PAIN, PROTECTION** [Cross/Kaiser]

- How do traumatic experiences impact us?
- How can we minimize the impact of traumatic experiences, past, present, and future?

## **11:50-1:00 LUNCH**

## **1:15–1:50 PAIN, PROTECTION** [Cross/Kaiser]

- How do traumatic experiences impact us?
- How can we minimize the impact of traumatic experiences, past, present, and future?

## **2:00-2:15 BRAIN BREAK**

## **2:15–3:50 PAIN, PROTECTION** [Cross/Kaiser]

- How do traumatic experiences impact us?
- How can we minimize the impact of traumatic experiences, past, present, and future?

# **DAY 2: TBRI-IEFR**

## **9:00–9:30**

- The TBRI®Implementation Journey [Profilet Fort Bend Impact]

## **9:30-10:50 PATTERN, PROCESS, PRACTICE** [Cross/Kaiser]

- What are the patterns of effective trauma-informed service?
- What are the psychological, social, and organizational processes that enable effective trauma-informed service?
- What are the strategies and tactics that constitute effective trauma-informed service?

## **11:00-11:15 BRAIN BREAK**

## **11:15- 11:50 PATTERN, PROCESS, PRACTICE** [Cross/Kaiser]

- What are the patterns of effective trauma-informed service?
- What are the psychological, social, and organizational processes that

- enable effective trauma-informed service?
- What are the strategies and tactics that constitute effective trauma-informed service?

## **11:50-1:00 LUNCH**

### **1:00-1:50 PATTERN, PROCESS, PRACTICE** [Cross/Kaiser]

- What are the patterns of effective trauma-informed service?
- What are the psychological, social, and organizational processes that enable effective trauma-informed service?
- What are the strategies and tactics that constitute effective trauma-informed service?

## **2:00-2:15 BRAIN BREAK**

### **2:15-3:50 PATTERN, PROCESS, PRACTICE** [Cross/Kaiser]

- What are the patterns of effective trauma-informed service?
- What are the psychological, social, and organizational processes that enable effective trauma-informed service?
- What are the strategies and tactics that constitute effective trauma-informed service?

## **DAY 3: TBRI-IEFR**

### **9:00–9:30**

- The TBRI<sup>®</sup>Implementation Journey [Devers]

### **9:30-9:50 OODA LOOP** [Cross/Kaiser]

- Adaptive trauma-informed practice using the OODA Loop: Observe, Orient, Decide, Act.

### **10:00-11:50 OODA LOOP** [Cross/Kaiser]

- Adaptive trauma-informed practice using the OODA Loop: Observe, Orient, Decide, Act.

## **11:50-1:00 LUNCH**

## **1:00-2:50 OODA LOOP** [Cross/Kaiser]

- Adaptive trauma-informed practice using the OODA Loop:  
Observe, Orient, Decide, Act.

## **3:00 Closing** [local to close out the training?]
