Dear Commissioner:

At the request of the Katy Independent School District, Fort Bend County Engineering Department has completed the traffic control plan to add "Do Not Block Intersection" signs at the two Griffin Elementary School driveways on westbound Fry Road. This TCP also adds a u-turn prohibition on eastbound Fry Road at Lake Crossing Lane that will only be in effect during school zone hours. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

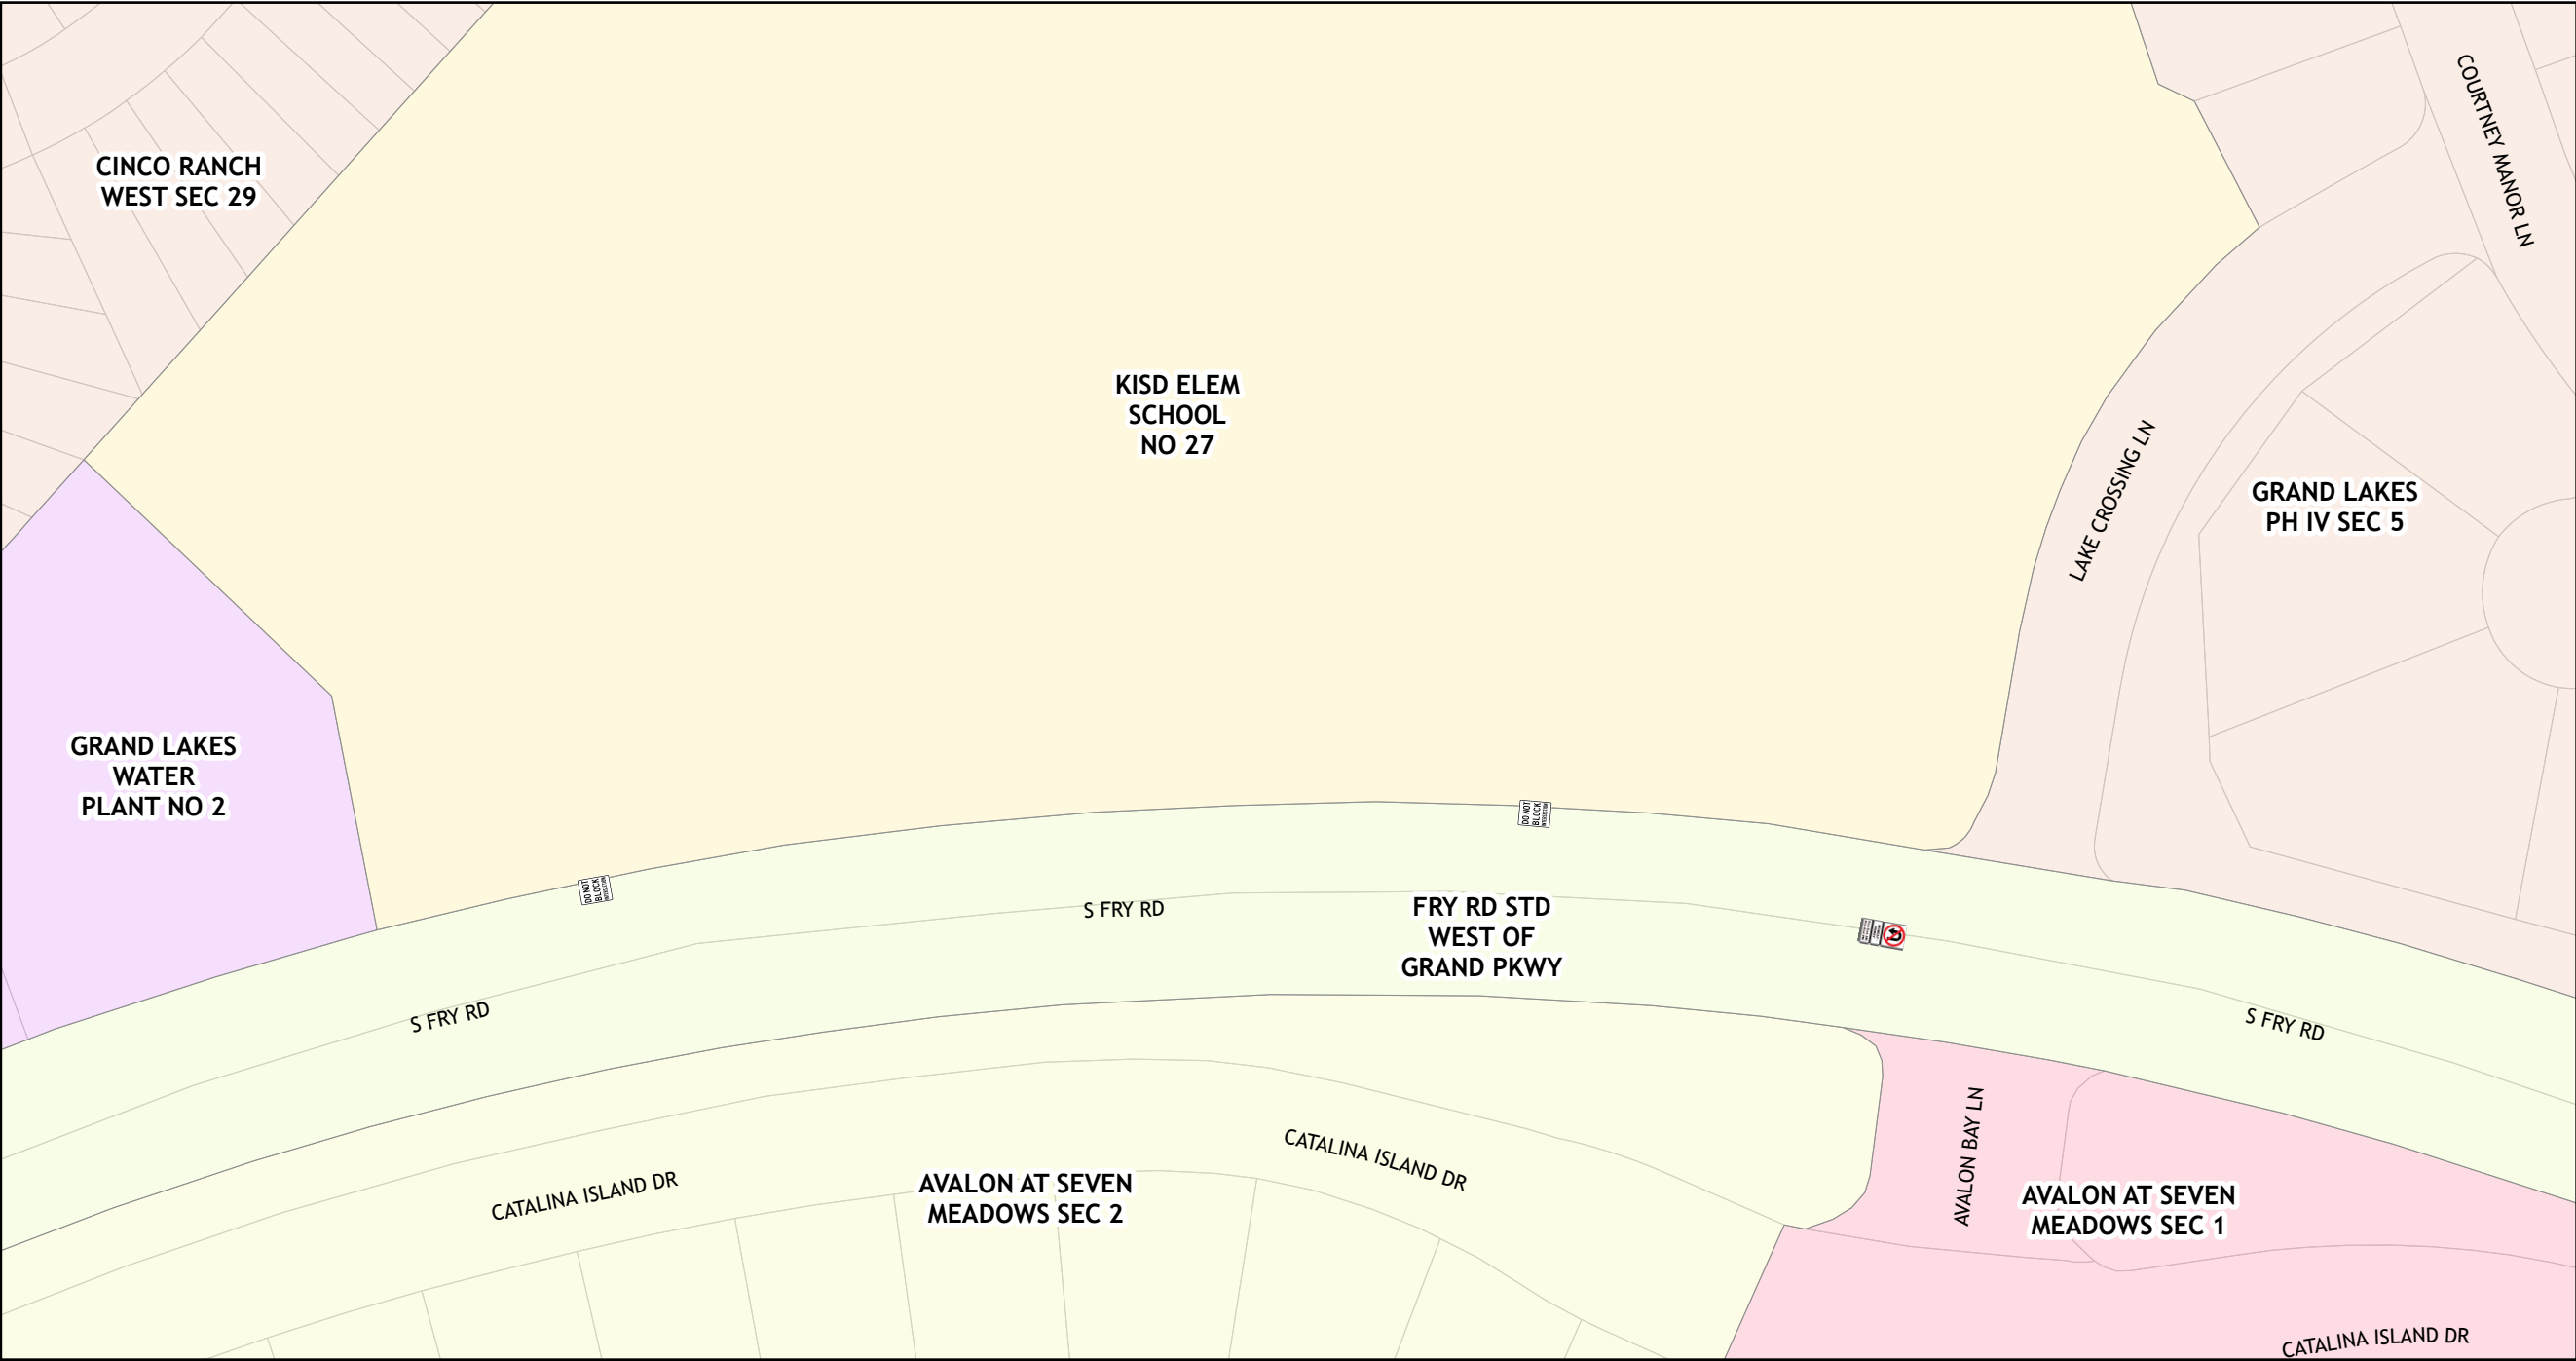

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov.

Sincerely,
