Our Story Continues in The Big Easy

September 18-22 | New Orleans

Now in its 35th year, EMS World Expo returns to The Big Easy with a continued focus on achieving better patient outcomes through better education. For 5 days, thousands of EMS professionals from hundreds of agencies across the globe will unite to engage in real-world training, participate in ground-breaking education, and connect with fellow attendees.

The combination of world-class education, expert faculty, and an unparalleled exhibit hall make this an event that simply cannot be missed. Join your EMS world in New Orleans this September.
