Fort Bend County Precinct 2  
303 Texas Parkway, Suite 213  
Missouri City, Texas 77489

**RE: Benton Road at A Myers Road / Bryan Road – All-Way Stop Control**

Dear Commissioner:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of Benton Road at A Myers Road / Bryan Road in response to a request for all-way stop control. The intersection currently operates with stop control on A Myers Road / Bryan Road. Both roadways have posted speed of 45 mph and are identified as Major Thoroughfares in the 2015 Fort Bend County Major Thoroughfare Plan.

Traffic counts were collected and used to evaluate the intersection for all-way stop control based on the warrants specified in the Texas Manual on Uniform Traffic Control Devices. Based on the data collected, traffic volumes warrant all-way stop control at the intersection. The updated traffic control plan is attached.

Based on the above results, Engineering recommends the conversion of the intersection to all-way stop control. If you have any questions please do not hesitate to contact me at 281-633-7528 or [chris.debaillon@fortbendcountytexas.gov](mailto:chris.debaillon@fortbendcountytexas.gov).

Regards,

A handwritten signature in blue ink, appearing to read "Chris Debaillon".
