Greetings,

On behalf of The Council of State Governments (CSG) Justice Center and in partnership with the U.S. Department of Justice's Office of Justice Programs' Office of Juvenile Justice and Delinquency Prevention, I am pleased to announce that the FY2020–FY2022 Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children Grantee Convening will be held on September 13 and 14, 2023, in Washington, DC.

This convening will provide an opportunity for you to engage with experts in the field and to meet fellow grantees from around the country to learn about topics that will inform your grant-funded work. Attendees will learn about best practices and promising approaches to improving outcomes for incarcerated parents and their children. This event is intended for program directors, program administrators, program staff, and partner staff. Each grantee may send two representatives to attend the convening.

Please register for the convening through this [link](#). Registration is limited to two participants (maximum) from each project. Please register no later than June 30, 2023. In the selection of two participants, one participant must be part of the award holder for the grant. The other person can be from the grant team or a partner. Please note, how you enter your information is how it will be printed on your name badge. If you have questions about who should attend, please contact your CSG Justice Center technical assistance (TA) provider Tiana Smith.

You will receive a link to register for the hotel in the coming weeks after your grant team has registered for the convening. Please let us know if you have any questions about this process.

We look forward to gathering with you in person!

Kind Regards,

Tiana Smith
