Featured Keynotes

Immerse Yourself in the World of Exponential IT

Info-Tech LIVE is one of the must-attend events for technology leaders in 2023, according to CIO DIVE.

Take your seat at Info-Tech LIVE and put theory into practice.

- 1 Learn how to navigate exponential opportunities — and exponential risks — in this new era of autonomization, ushered in by forces such as generative AI.
- 2 Gain practical insights from subject matter experts and peers to lead your organization through this new exponential world.
- 3 Explore how to shift priorities for delivering Exponential IT through revised mission, governance, capabilities, and partnerships.
