TO: JAG Review Committee

ATTN: Angie Wierzbicki, Project Manager – Grants

FROM: Kyle Dobbs, Chief Juvenile Probation Officer

RE: FY 2023 Edward Byrne Memorial Justice Assistance Grant Program

The Fort Bend County Juvenile Probation Department is respectfully requesting consideration for the following items from the above referenced grant.

Items to be utilized by the Detention Center include:

Motorola 2 Way Radios: Used by all staff inside the detention center to communicate with one another. Radios make it easier for quick responses to emergencies, programming disruptions and calls for assistance.

Motorola Batteries: All 2-way radios use a lithium ion battery for operation.

Clips for Radios: Clips enable the staff to attach the radios to their belts leaving their hands free.

Motorola 2 Way Radios	8 @ \$489.95	\$3,919.60
Motorola Lithium Batteries	10 @ \$47.95	\$479.50
Radio Clips	25 @ \$12.95	<u>\$323.75</u>
		\$4,722.85

The grand total for this request is \$4,722.85. Thank you in advance for your consideration.

Sincerely,

Kyle Dobbs,
Chief Juvenile Probation Officer

Fort Bend County Precinct One Constable's Office

MEMORANDUM

To: Angela Wierzbicki, Grants Coordinator
From: John Hermann, Chief Deputy *JAH*
CC: Constable Chad Norvell
Date: July 17, 2023
Re: FY 2023 Edward Byrne Memorial Justice Assistance Grant

On behalf of the Precinct 1 Constable's Office, I respectfully request that the JAG review committee consider the following items for purchase as a part of the 2023 Edward Byrne Memorial Justice Assistance Grant:

60 – MFAK First Aid Kit for Law Enforcement = \$ 108.69

Total = \$ 6,521.40

Preparation for response to mass violent acts not only includes tactical response to stop the violence but also includes immediate treatment of injured responders and victims. Equipment to provide for immediate critical care of penetrating, blast or other traumatic injuries and bleeding control is needed to respond to such anticipated injuries.

Attached are copies of supporting documentation and pricing information for the requested items.

Thank you for your consideration.

- NAR's most compact, versatile Mini First Aid Kit

Contains the First Responder's most requested critical point-of-wounding medical equipment for treating penetrating, blast or other traumatic injuries in the line of duty

- Super compact, rugged nylon platform that allows attachment both vertically and horizontally
- Treatment pack out options BLS (Basic Life Support)
- Half the size of our popular T.O.R.K. platform

DESCRIPTION

Our most compact, half size First Aid Kit empowering First Responders with the most requested point-of-wounding equipment in the smallest cube space possible

The M-FAK, North American Rescue's Mini First Aid Kit, was designed to be the most compact, multi-use IFAK for delivering immediate critical care for penetrating, blast or other traumatic injuries. At half the size of our popular T.O.R.K. platform, the M-FAK is currently the smallest platform available in our product offering. Despite its reduced

size, this kit comes fully loaded with the critical medical equipment most requested by First Responders operating in the line of duty. Treatment pack out is BLS (Basic Life Support) with Bleeding Control Dressing

The M.FAK's super compact, 500 Denier nylon bag opens from the side in a clam shell configuration utilizing (2) two main sleeves that open on both ends for easy access and features multiple elastic loops for secure gear organization. The bag's exterior includes a MOLLE backing for mounting in the standard vertical position as well as a 3 in. internal sleeve for accommodating horizontal attachment to your duty belt. The vertical mount can be set to open left-to-right or right-to-left based on shooter preference, while the horizontal mount on a belt allows opening directly to your C-A-T.® tourniquet. Also included are a loop patch on front of the bag for custom user labeling and (3) three MOLLE strips to attach additional gear such as a TQ/Holder (sold separately) if needed.

CONSTABLE DEPARTMENT - PRECINCT TWO

Fort Bend County, Texas

Daryl L. Smith, Sr.
Constable

Office (281) 403-8019
Fax (832) 471-1824

Fort Bend County Constable Precinct 2 office is requesting the use of \$16,425.00 funds from the Edward Byrne Memorial Justice Assistance Grant for FY23 for the purchase of a FAST-18T Radar Speed Trailer.

The FAST-18T Radar Speed Trailer purpose is to serve as a tool in assisting Fort Bend County Precinct 2 Constable's efforts in keeping the citizens within the community safe by:

- Reducing speeding in the neighborhoods,
- Increase driver awareness of posted speed limits,
- Help identify problem areas for targeted enforcement efforts and,
- Provide valuable data on speeding trends, hurricane preparedness and emergency messages.

Thank you for your consideration and we look forward with anticipation to hearing from you.

Radar Speed Trailers: Keeping the community safe

Radar speed trailers are an important tool in keeping communities safe. By providing a visual reminder of the posted speed limit, radar speed trailers help to encourage drivers to obey the law and help keep everyone safe.

(<https://radargunsales.com/>)

 (800) 914-4008 (tel: (800) 914-4008)

What are Radar Speed Trailers?

Radar speed trailers are devices that use radar technology to measure the speed of oncoming vehicles and then display that information to drivers. These devices are a great way to help reduce speeding in your neighborhood. Radar speed trailers are placed in strategic locations and can be programmed to show the speed limit and the actual speed of oncoming traffic. This serves as a visual reminder to drivers to slow down. Radar speed signs are also often used in school zones and construction zones to help keep everyone safe.

What are the benefits of radar speed trailers?

There are many reasons to implement radar speed trailers in your community. Radar speed trailers help to:

- Reduce speeding in neighborhoods
- Increase driver awareness of posted speed limits
- Provide valuable data to law enforcement officers on speeding trends
- Help identify problem areas for targeted enforcement efforts

Radar speed trailers are an important tool in protecting our communities and keeping our roads safe. If you are interested in implementing radar speed trailers in your community, there are many resources available to help you get started.

Where to find the best radar speed trailer?

You can find top-of-the-line radar speed trailers at radargunsales.com. We offer a wide variety of radar speed trailers to meet your needs. We also offer a wide range of accessories to customize your radar speed trailer to fit your specific community. Some of the comprehensive speed trailers we offer include the Onsite 300 MX Speed trailer, which is our premium model that offers portability, durability, and a range of other valuable features. If you have any questions about which radar speed trailer is right for your community, please contact us, and we would be happy to help you select the perfect model for your needs.

DESCRIPTION

[SHIPPING & RETURNS](#)

The FAST-18T trailer helps keep roadways safe, especially where posted speed limits exceed 45mph. With 18" characters, speeding drivers will be able to read the sign with ease. This trailer stands at over eight feet tall, making it the movable option for highway and county roadway systems. Even with its size, the FAST-18T is still easy to move, allowing for multiple location uses.

Standard features include high & low-speed blanking, flashing digit violator alert, and traffic management arrows. Optional features on our speed signs include our violator alert system (a flashing strip of red and blue LED's and/or the distinct "SLOW DOWN" message in red LED's) when approaching vehicles do not slow to the selected speed. Also available is our Adaptive Data Acquisition Package, which records the time, date, and speed of oncoming vehicles without the use of cumbersome pneumatic tubes placed across the street!

Learn how the FAST-18T achieved a 54% reduction of instances of reckless driving in a four-week study by downloading the case study [here](#).

Chassis & Suspension:

- 2" round tubular steel Space-Frame chassis
- Polyester powder coat finish over high zinc epoxy primer
- Stabilizer jacks with a 750 lb capacity each. Capable of raising the trailer up to 8" from normal height
- 5.0 x 13ST tires on 5 lug automotive type hubs
- 2" Class II ball coupler
- Full 7" wide, 14 gauge steel fenders
- 2000 lb rated axle
- Leaf spring suspension
- Taper roller bearings
- Curb Weight: 580 lbs

Electronics:

- Single directional K-band radar unit
- 18" Amber LED Full Matrix display characters
- 1/8" clear polycarbonate lens with non-glare textured finish
- Automatic intensity adjustment to ambient light conditions
- Fold-down display with gas shock-assist for easy deployment
- Keyed On/Off switch
- 160W Solar Panel
- Violator alerts
 - Red LED "SLOW DOWN"
 - Red-Blue Flashing Bars
 - White flashing strobe
- 27 AGM battery (4x100Ah)
- Single-cycle 24 hr. ON/OFF clock

DISTRICT ATTORNEY'S OFFICE

Fort Bend County, Texas

BRIAN M. MIDDLETON
District Attorney

(281) 341-4460

July 17, 2023

To: Angela Wierzbicki, Fort Bend County Grants Program Manager
JAG Review Committee

CC: Brian M. Middleton, District Attorney
Edward Gordon, FBCDA Chief Investigator

From: Wesley Wittig, Second Assistant District Attorney

Re: Edward Byrne Memorial Justice Assistance Grant FY2023

Ms. Wierzbicki and JAG Review Committee Members,

On behalf of the Fort Bend County District Attorney's Office Investigations Division, we respectfully request consideration of the following items for purchase as part of the funds available from the FY2023 Edward Byrne Memorial Justice Assistance Grant (JAG). Listed by priority:

Investigations

1. Dell Latitude 5430 Rugged Mobile Data Terminal (MDT) for Investigators, priced at \$1,735.00 per unit for a total cost of \$5,250.00 for three (3) units.
2. Motorola APX 6000 Model P25 Portable Radio with Wi-Fi and Bluetooth capacity. Integrated Body Camera included. Priced at \$4,011.54 per unit for a total cost of \$8,023.08 for two (2) units.
 - a. Motorola APX 6000 Model P25 Single Unit Charger and Microphone with 3.5MM Jack, priced at \$254.79 per unit for a total cost of \$509.58 for two (2) units.

Total requested: \$13,782.66

Justification

1. Mobile Data Terminals: Mobile Data Terminals (MDTs) are electronic devices similar to laptops investigators use to access information in the field. MDTs allow field investigators to interface with law enforcement databases in real time, giving them the most up-to-date information on victims, witnesses, and suspects during an investigation. MDTs typically include a keyboard, a display screen, and a printer. They may also have features like GPS navigation and mapping capabilities or voice recognition software. These units provide a more secure and reliable internet connection and eliminate the need for investigators to use hotspot connections through their cell phones while working in the field.

DISTRICT ATTORNEY'S OFFICE

Fort Bend County, Texas

BRIAN M. MIDDLETON
District Attorney

(281) 341-4460

2. Four-Channel Portable Radios: These radios are used in the field during investigations or while working protection detail for the District Attorney at various public appearances. These devices allow investigators to communicate discreetly with each other during undercover operations, in large group gatherings, or in other public settings to ensure the safety and security of investigators or the District Attorney during appearances. Radios have Wi-Fi and Bluetooth capabilities and an integrated body camera that automatically activates when placed in emergency mode. These radios will replace two of the oldest, outdated models.

These requests enable our investigators to be mobile and provide quick access to critical information as they perform timely and comprehensive investigations, allowing them to perform their responsibilities efficiently and effectively. Thank you for your consideration.

Sincerely,

Wesley Wittig
Second Assistant District Attorney

Important Notes

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringsspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

^DELL BUSINESS CREDIT (DBC): Offered to business customers by WebBank, who determines qualifications for and terms of credit. Taxes, shipping and other charges are extra and vary. The Total Minimum Payment Due is the greater of either \$20 or 3% of the New Balance shown on the statement rounded up to the next dollar, plus all past due amounts. Dell and the Dell logo are trademarks of Dell Inc.

July 17, 2023

To: Angie Wierzbicki
Fort Bend County Project Manager, Grants

From: Mike Beard
Fort Bend County Precinct 4 Constable

Ref: Edward Byrne Memorial Justice Assistance Grant Program (JAG) FY 2023

Thank you for extending the opportunity for our agency to apply for funds from the 2023 Edward Byrne Memorial Justice Assistance Grant. In accordance with your email and the grant outline, our agency is requesting the following equipment that will be utilized for increased officer and citizen's safety and general law enforcement purposes.

DESCRIPTION	QTY.	EA. \$	AMT. \$
Phillips HeartStart Onsite AED M5066A	1	\$1,649.00	\$1,649.00
IDEMIA IDENT 2.0- Portable AFIS Unit	2	\$2,000.00	\$4,000.00
IDEMIA IDENT 2.0- Portable AFIS Unit 2 Year Warranty	2	\$250.00	\$500.00
Blackhawk Dynamic Entry Tactical Backpack Kits	2	\$796.99	\$1,593.98
TOTAL:			\$7,742.98

The Fort Bend County Pct. 4 Constable's Office is requesting one (1) Phillips HeartStart Onsite AED to better equip the agency when conducting our mandated firearms training at the firing range. TCOLE (Texas Commission on Law Enforcement) "strongly recommends" maintaining an AED be present at the time the firearms training is being conducted to ensure an enhanced safety measure is in place in addition to trauma level first aid kit. It will be the agency's responsibility to ensure the personnel are adequately trained on the use of the AED as well as the financial training cost associated with it.

The Fort Bend County Pct. 4 Constable's Office is requesting two (2) IDEMIA IDENT 2.0- Portable AFIS Unit to assist the agency with an automated method of identifying persons who cannot provide other means of identification or to provide a verification of the presented identification documents. The portable AFIS unit will highly benefit the Patrol and Warrant division within our agency as well as save time, as in the process for the agency to identify a subject, the subject would need to be transported to the Fort Bend County Jail to utilize their AFIS system. This is a lengthy process which over utilizes time and resources.

The Fort Bend County Pct. 4 Constable's Office is requesting two (2) Blackhawk Dynamic Entry Tactical Backpack Kits. The Blackhawk Dynamic Entry Tactical Backpack Kits consist of 4 heavy duty tools, which are primarily used for entry. The agency has had calls for service in the past, where we could have benefited from these tools, but instead had to depend on the assistance of the Fire Department, which prolonged the time of the overall call and resources on scene. Should an emergency arise which requires forced entry, the Blackhawk Dynamic Entry Tactical Backpack Kit, would be readily be available and most importantly would save time.

CONSTABLE PRECINCT 4

Fort Bend County, Texas

MIKE BEARD
CONSTABLE

301 Jackson
Richmond, TX 77469
(281) 341-4536

In accordance with the parameters of the grant, none of the above-mentioned items were requested for in our FY 2021, 2022, or 2023 budget requests. Should you or the JAG Committee have any questions, please feel free to contact me at 281-238-2249 or at cory.hansen@fortbendcountytexas.gov. Thank you for your assistance and consideration on this grant request.

Sincerely,

Cory Hansen
Lieutenant 1403

Constable Mike Beard

Solution Description and Pricing

IDEMIA proposes the equipment and services described in Table 1.

IDent 2.0 Pricing

Table 1. Pricing

Description		Qty	Unit Price
D150-000043	IDent 2.0 Solution includes: <ul style="list-style-type: none">♦ IDent 2.0 Device♦ Mobile Connection Windows Software♦ USB 2.0 Data Cable♦ IDent 2.0 Quick Start Guide♦ 1 Year Warranty♦ Freight	1-200	\$2,000

****Submission of the new IDent 2.0 Device to the Harris County (HCSO) AFIS System is pending completion of the HCSO MBIS Upgrade; current projected timeline is late 2023.**

Extended Warranty Option

IDEMIA Extended Warranty options and pricing are detailed in Table 2.

Table 2. Extended Warranty Options Pricing

	Description	Annual Fee Per Device*
	Year 1 Extended Warranty	Included
ID-IDENT2.0-W-YR1	Year 2 Extended Warranty	\$250

***At the time of purchase, Annual Fee shown is 'per year per device' fee. Should * Fort Bend County Constable Pct. 4* choose to purchase Extended Warranty coverage with Device, this must equal the total quantity of IDent 2.0 devices being purchased.**

Extended Warranty will start immediately following the 1st Year Warranty. Extended Warranty prices shown above are for Year 2 only. Yearly Extended Warranty pricing is subject to increase beginning in Year 3. Please contact the IDEMIA Maintenance Agreement team for pricing details: sec.alx.servicecontracts@idemia.com.

Accessory Pricing

IDEMIA Accessory pricing is described in Table 3.

Table 3. Accessory Pricing

	Description	Unit Price
H160-000126	Black Device Sleeve	\$50

IDEMIA will include documentation and /or support to facilitate the installation by * Fort Bend County Constable Pct. 4* of the Mobile Connection Software on the * Fort Bend County Constable Pct. 4*-provided workstation.

Customer Responsibilities

* Fort Bend County Constable Pct. 4* is responsible for the following:

- ♦ End-user training.
- ♦ Ensuring the required inter-agency agreements are in place between * Fort Bend County Constable Pct. 4* and Harris County Sheriff's Office (HCSO) and applicable local, state and government AFIS.
- ♦ Ensuring workstations provided by * Fort Bend County Constable Pct. 4* can: (1) support at minimum Bluetooth 2.0 or USB 2.0. If USB 2.0, at least one (1) available port is required; (2) connect to the Harris County network.
- ♦ Ensuring that the workstation network connectivity will support either HTTP or SMTP data protocols to exchange data between Mobile Connection and the HCSO AFIS.
- ♦ Installing Mobile Connection Application Software on each workstation provided by * Fort Bend County Constable Pct. 4*.
- ♦ Pairing each IDent 2.0 with each * Fort Bend County Constable Pct. 4*-provided workstation via Bluetooth or USB.
- ♦ Provide the necessary network connectivity between the * Fort Bend County Constable Pct. 4* LAN and incoming WAN transactions including requisite backend connectivity.
- ♦ Testing the IDent 2.0 and Mobile Connection Software as per the Quick Start Guide.

Assumptions

IDEMIA has designed the IDent 2.0 / Mobile Connection solution to eliminate the need for recurring cellular costs. As such, Pricing does not include network/data provisioning or maintenance and assumes the following:

- ◆ The Mobile Connection Software can be: (a) installed on the * Fort Bend County Constable Pct. 4*- provided workstation; (b) configured by * Fort Bend County Constable Pct. 4*.
- ◆ The mugshot images that will be available with the "hit" respondent data will come from the HCSO AFIS System designated by the * Fort Bend County Constable Pct. 4*.

The following items are not included in the scope of IDEMIA's pricing and will be quoted based on current service rates in effect at the time of request: (a) requests for IDEMIA assistance / completion of any agency or governing body required security documentation, surveys or questionnaires; (b) requests for IDEMIA support and potential resolution of issues resulting from agency vulnerability assessments, penetration testing and/or security audits.

Additional engineering efforts by IDEMIA beyond the scope of the standard product will be quoted based on current service rates in effect at the time of the change, plus any related travel or administrative expenses. Assistance with training and questions for the * Fort Bend County Constable Pct. 4*'s database or any programming, scripting, or review of programs beyond work quoted above are excluded from this offer.

IDEMIA reserves the right to substitute hardware of equal value with equal or better capability, based upon market availability. If, however, such equipment is unavailable, IDEMIA will make its best effort to provide a suitable replacement.

Prices are exclusive of any and all state, or local taxes, or other fees or levies. Customer payments are due to IDEMIA within 20 days of the date of the invoice.

Product purchase will be governed by the IDEMIA Agreement, a copy of which is attached for your convenience. No subsequent purchase order can override such terms. Nothing additional shall be binding upon IDEMIA unless a subsequent agreement is signed by both parties. Firm delivery schedules will be provided upon receipt of a purchase order.

Pricing valid through: October 30, 2023

Purchase orders should be sent to IDEMIA by electronic mail or U.S. postal mail to:

IDEMIA
14 Crosby Dr., 2nd Floor
Bedford, MA 01730
Email: noemi.islas@us.idemia.com | anamtkorders@us.idemia.com

Please direct all questions and order correspondence to:

Noemi Islas
IDEMIA Inside Sales
Email: noemi.islas@us.idemia.com | Tel: (657) 652-4447

We look forward to working with you.

Sincerely,

Casey Mayfield
Vice President Justice and Public Safety - IDEMIA Identity & Security USA LLC

IDEMIA IDent 2.0 Features and Benefits

FAP 30, FBI-Certified, Single-Finger Scanner

The IDEMIA IDent 2.0 includes an FBI Certified FAP 30 single-fingerprint scanner. IDent 2.0 makes it easy to capture up to 10 fingers. On screen instructions and visual confirmation of fingerprint images make it easy for operators to capture each fingerprint. The FAP 30 sensor ensures captured fingerprints are of the highest quality and provide the greatest likelihood of resulting in an identification.

Touchscreen and Physical Buttons

The IDEMIA IDent 2.0 combines the benefits of a 3.5-inch touch screen display with the proven reliability of physical buttons. Operators can complete all major functions, including the capture workflow, by touching an area of the screen or by pressing a physical button. Touch screen buttons and physical buttons are aligned to make it easy to identify the desired action. Advanced features of the IDent 2.0 device can be accessed through traditional touchscreen actions.

USB and Bluetooth / Mobile Connection

Fingerprints captured by the IDent 2.0 can be transferred to a PC in two different ways. Operators can simply connect the IDent 2.0 device to a Windows PC via a USB cable, or the device can be configured to communicate via Bluetooth. When configured for Bluetooth communication, officers can use the device up to 200 feet from their patrol car, dependent upon certain environmental conditions. When configured for USB transmission, operators simply connect the device to a PC via a USB cable and captured fingerprints will be automatically transferred and submitted for search.

Search Results

The IDEMIA IDent 2.0 works in conjunction with IDEMIA's Mobile Connection Windows application. Mobile Connection supports communication between the IDent 2.0 device and the agency that is providing search results. Search details are displayed within Mobile Connection and can be customized to an agency's specifications. Search information including a hit / non-hit indication, mugshot and subject name are transmitted and displayed on the IDent 2.0 device. Results are easily removed through the IDent 2.0's intuitive user interface.

Camera

The IDEMIA IDent 2.0 comes equipped with a rear facing camera that makes it easy for an officer to capture a facial image while capturing a subject's fingerprints. The facial image can be referenced when comparing results within the Mobile Connection application or on the IDent 2.0 device.

No Subscription

IDent 2.0 requires an operator to transmit fingerprint information to the Mobile Connection software via USB or Bluetooth. A reoccurring cellular subscription plan is not required to be able to use the IDent 2.0.

IDent 2.0 Specifications

Dimensions	(L x W x H) 156 x 76.5 x 24 mm (6.1 x 2.9 x 0.9 inches)
Weight	235 grams (8.2 oz.)
Fingerprint Scanner	PIV 071006, FIPS 201, FAP 30, FBI-Certified, Single-Finger Scanner 20.3 x 25.4 mm sensing area (0.8 x 1.0 inches)
Display	3.5" TFT display, 640x960, Cap Touch multi touch, Cover Gorilla Glass 3, AR+AF Surface treatment
Battery	Li-Ion, 6400 mAh, 3.8V nominal Drop test 1.4m (4 ft)
Drop Test	Testing per MIL-STD-510G sec. 6
Operating conditions	0°C to 50° (32° to 122°F)
Storage conditions	-10° to 60°C (14° to 140°F)

Mobile Connection Host Application Features

- ♦ IDent 2.0 configuration and management
- ♦ Standard NIST file generation and management
- ♦ Remote identification on central AFIS database
- ♦ HTTP/SMTP Interface with AFIS Server
- ♦ Match candidate portrait and demographic information display
- ♦ Receive and display fingerprints from terminal (IDent 2.0)
- ♦ Create search requests with fingerprints to AFIS

Idemia Identity & Security USA LLC Short Form Sales Agreement

1. Scope. Idemia Identity & Security USA LLC, ("IDEMIA" or "Seller") having a place of business at 11951 Freedom Drive, Suite 1800, Reston, Virginia 20190 and _____, ("Customer"), having a place of business at _____

_____, enter into this Sales Agreement ("Agreement"), pursuant to which IDEMIA will sell to Customer and Customer will purchase from Seller the equipment, parts, software, or services related to the equipment (e.g., installation) described in Seller's Proposal or Letter Quote dated _____. These terms and conditions, together with the Proposal or Quote, comprise the "Agreement." Customer may indicate its acceptance of this Agreement by signing below or by issuing a purchase order that refers to either the Proposal/Quote or to a Customer solicitation to which the Proposal/Quote responds. Only these terms and conditions apply to the transaction, notwithstanding any inconsistent or additional terms and conditions contained in the purchase order or Customer solicitation.

2. Price, Payment and Sales Terms. The Contract Price is U.S. \$_____, excluding applicable sales, use, or similar taxes and freight. Seller will submit invoices to Customer for products when they are shipped and, if applicable, for services when they are performed. Customer will make payments to Seller within twenty (20) days after the invoice date. Unless otherwise stipulated with the Seller when an Order is accepted, the Equipment will be delivered by Seller "FCA" (Free Carrier), with named place being the Seller's premises where the Goods are being dispatched, (Incoterms 2010). Title to the Equipment will pass to Customer upon payment in full of the Contract Price as outlined above, except that title to Software will not pass to Customer at any time. Risk of loss will pass to Customer upon delivery of the Equipment to the Customer at the agreed named place of delivery in accordance with the Incoterm in the contract. Seller will pack and ship all Equipment in accordance with good commercial practices.

3. Software. If this transaction involves software, any software owned by Seller ("IDEMIA Software") is licensed to Customer solely in accordance with Seller's Software License Agreement ("SLA"), which is attached as Exhibit A and incorporated herein by this reference. Any software owned by a third party ("Non-IDEMIA Software") is licensed to Customer in accordance with the standard license, terms, and restrictions of the copyright owner unless the owner has granted to Seller the right to sublicense its software pursuant to the SLA, in which case the SLA applies and the owner will have all rights and protections under the SLA as the Licensor. Seller makes no representations or warranties of any kind regarding Non-IDEMIA Software.

4. Express Limited Warranty and Warranty Disclaimer. IDEMIA Software is warranted in accordance with the SLA.

5. Delays and Disputes. Neither party will be liable for its non-performance or delayed performance if caused by an event, circumstance, or act of a third party that is beyond a party's reasonable control (a "Force Majeure"). Each party will notify the other if it becomes aware of a Force Majeure that will significantly delay performance. The parties will try to settle any dispute arising from this Agreement (except for a claim relating to intellectual property or breach of confidentiality) through good faith negotiations. If necessary, the parties will escalate the dispute to their appropriate higher-level managers. If negotiations fail, the parties will jointly select a mediator to mediate the dispute and will share equally the mediation costs. Neither party will assert a breach of this Agreement without first giving the other party written notice and a thirty (30) day period to cure the alleged breach.

6. LIMITATION OF LIABILITY. Except for personal injury or death, Seller's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the purchase price of the products or services for which losses or damages are claimed. SELLER WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE PRODUCTS, OR THE PERFORMANCE OF SERVICES BY SELLER PURSUANT TO THIS AGREEMENT. No action for contract breach or otherwise relating to the transactions contemplated by this Agreement may be brought more than one year after the accrual

of the cause of action. This limitation of liability survives the expiration or termination of this Agreement.

7. Confidential Information and Preservation of Proprietary Rights. The SLA governs software confidentiality. As to any other information marked "Confidential" and provided by one party to the other, the receiving party will maintain the confidentiality of the information and not disclose it to any third party; take necessary and appropriate precautions to protect the information; and use the information only to further the performance of this Agreement. Confidential information is and will remain the property of the disclosing party, and no grant of proprietary rights in the confidential information is given or intended. Seller, any copyright owner of Non-IDEMIA Software, and any third party manufacturer own and retain all of their proprietary rights in the equipment, parts and software, and nothing herein is intended to restrict their proprietary rights. Except as explicitly provided in the SLA, this Agreement does not grant any right, title or interest in Seller's proprietary rights, or a license under any Seller patent or patent application.

8. Miscellaneous: Each party will comply with all applicable laws, regulations and rules concerning the performance of this Agreement or use of the products to the extent they do not conflict with the laws of the United States. This Agreement and the rights and duties of the parties will be governed by and interpreted in accordance with the laws of the State in which the products are installed to the extent they do not conflict with the laws of the United States. This Agreement constitutes the entire agreement of the parties regarding this transaction, supersedes all previous agreements and proposals relating to this subject matter, and may be amended only by a written instrument executed by both parties. Seller is not making, and Customer is not relying upon, any representation or warranty except those expressed herein. There are no certifications or commitments binding Seller applicable to this transaction unless they are in writing and signed by an authorized signatory of Seller.

EXHIBIT A – SOFTWARE LICENSE AGREEMENT

In this Exhibit A, the term "Licensor" means Idemia Identity & Security USA LLC, ("IDEMIA"); "Licensee," means the Customer; "Primary Agreement" means the agreement to which this exhibit is attached (IDEMIA Short Form Sales Agreement); and "Agreement" means this Exhibit and the applicable terms and conditions contained in the Primary Agreement. The parties agree as follows:

For good and valuable consideration, the parties agree as follows:

SECTION 1. DEFINITIONS

1.1 "Designated Products" means products provided by IDEMIA to Licensee with which or for which the Software and Documentation is licensed for use.

1.2 "Documentation" means product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which such information is provided).

1.3 "Open Source Software" means software with either freely obtainable source code, license for modification, or permission for free distribution.

1.4 "Open Source Software License" means the terms or conditions under which the Open Source Software is licensed.

1.5 "Primary Agreement" means the agreement to which this exhibit is attached (IDEMIA Short Form Sales Agreement).

1.6 "Security Vulnerability" means a flaw or weakness in system security procedures, design, implementation, or internal controls that could be exercised (accidentally triggered or intentionally exploited) and result in a security breach such that data is compromised, manipulated or stolen or the system damaged.

1.7 "Software" (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by IDEMIA; and (iii) may contain one or more items of software owned by a third party supplier. The term "Software" does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

SECTION 2. SCOPE

IDEMIA and Licensee enter into this Agreement in connection with IDEMIA's delivery of certain proprietary Software or products containing embedded or pre-loaded proprietary Software, or both. This Agreement contains the terms and conditions of the license IDEMIA is providing to Licensee, and Licensee's use of the Software and Documentation.

SECTION 3. GRANT OF LICENSE

3.1. Subject to the provisions of this Agreement and the payment of applicable license fees, IDEMIA grants to Licensee a personal, limited, non-transferable (except as permitted in Section 7) and non-exclusive license under IDEMIA's copyrights and Confidential Information (as defined in the Primary Agreement) embodied in the Software to use the Software, in object code form, and the Documentation solely in connection with Licensee's use of the Designated Products. This Agreement does not grant any rights to source code.

3.2. If the Software licensed under this Agreement contains or is derived from Open Source Software, the terms and conditions governing the use of such Open Source Software are in the Open Source Software Licenses of the copyright owner and not this Agreement. If there is a conflict between the terms and conditions of this Agreement and the terms and conditions of the Open Source Software Licenses governing Licensee's use of the Open Source Software, the terms and conditions of the license grant of the applicable Open Source Software Licenses will take precedence over the license grants in this Agreement. If requested by Licensee, IDEMIA will use commercially reasonable efforts to: (i) determine whether any Open Source Software is provided under this Agreement; (ii) identify the Open Source Software and provide Licensee a copy of the applicable Open Source Software License (or specify where that license may be found); and, (iii) provide Licensee a copy of the Open Source Software source code, without charge, if it is publicly available (although distribution fees may be applicable).

SECTION 4. LIMITATIONS ON USE

4.1. Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation.

Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Licensee will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

4.2. Licensee will not, and will not allow or enable any third party to: (i) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (ii) modify, adapt, create derivative works of, or merge the Software; (iii) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (iv) remove, or in any way alter or obscure, any copyright notice or other notice of IDEMIA's proprietary rights; (v) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by this Agreement; or (vi) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software. Licensee may make one copy of Software to be used solely for archival, back-up, or disaster recovery purposes; *provided* that Licensee may not operate that copy of the Software at the same time as the original Software is being operated. Licensee may make as many copies of the Documentation as it may reasonably require for the internal use of the Software.

4.3. Unless otherwise authorized by IDEMIA in writing, Licensee will not, and will not enable or allow any third party to: (i) install a licensed copy of the Software on more than one unit of a Designated Product; or (ii) copy onto or transfer Software installed in one unit of a Designated Product onto another device. Licensee may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Licensee provides written notice to IDEMIA of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Licensee must provide prompt written notice to IDEMIA at the time temporary transfer is discontinued.

SECTION 5. OWNERSHIP AND TITLE

IDEMIA, its licensors, and its suppliers retain all of their proprietary rights in any form in and to the Software and Documentation, including, but not limited to, all rights in patents, patent applications, inventions, copyrights, trademarks, trade secrets, trade names, and other proprietary rights in or relating to the Software and Documentation (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, emulations to or derivative works from the Software or Documentation, whether made by IDEMIA or another party, or any improvements that result from IDEMIA's processes or, provision of information services). No rights are granted to Licensee under this Agreement by implication, estoppel or otherwise, except for those rights which are expressly granted to Licensee in this Agreement. All intellectual property developed, originated, or prepared by IDEMIA in connection with providing the Software, Designated Products, Documentation or related services, remains vested exclusively in IDEMIA, and Licensee will not have any shared development or other intellectual property rights.

SECTION 6. LIMITED WARRANTY; DISCLAIMER OF WARRANTY

6.1. If Licensee is not in breach of any of its obligations under this Agreement, IDEMIA warrants that the unmodified Software, when used properly and in accordance with the Documentation and this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined by IDEMIA solely with reference to the Documentation. IDEMIA does not warrant that Licensee's use of the Software or the Designated Products will be uninterrupted, error-free, completely free of Security Vulnerabilities, or that the Software or the Designated Products will meet Licensee's particular requirements. IDEMIA makes no representations or warranties with respect to any third party software included in the Software.

6.2. IDEMIA's sole obligation to Licensee and Licensee's exclusive remedy under this warranty is to use reasonable efforts to remedy any material Software defect covered by this warranty. These efforts will involve either replacing the media or attempting to correct significant, demonstrable program or documentation errors or Security

Vulnerabilities. If IDEMIA cannot correct the defect within a reasonable time, then at IDEMIA's option, IDEMIA will replace the defective Software with functionally-equivalent Software, license to Licensee substitute Software which will accomplish the same objective, or terminate the license and refund the Licensee's paid license fee.

6.3. Warranty claims are described in the Primary Agreement.

6.4. The express warranties set forth in this Section 6 are in lieu of, and IDEMIA disclaims, any and all other warranties (express or implied, oral or written) with respect to the Software or Documentation, including, without limitation, any and all implied warranties of condition, title, non-infringement, merchantability, or fitness for a particular purpose or use by Licensee (whether or not IDEMIA knows, has reason to know, has been advised, or is otherwise aware of any such purpose or use), whether arising by law, by reason of custom or usage of trade, or by course of dealing. In addition, IDEMIA disclaims any warranty to any person other than Licensee with respect to the Software or Documentation.

SECTION 7. TRANSFERS

Licensee will not transfer the Software or Documentation to any third party without IDEMIA's prior written consent. IDEMIA's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement.

SECTION 8. TERM AND TERMINATION

8.1 Licensee's right to use the Software and Documentation will begin when the Primary Agreement is signed by both parties and will continue for the life of the Designated Products with which or for which the Software and Documentation have been provided by IDEMIA, unless Licensee breaches this Agreement, in which case this Agreement and Licensee's right to use the Software and Documentation may be terminated immediately upon notice by IDEMIA.

8.2 Within thirty (30) days after termination of this Agreement, Licensee must certify in writing to IDEMIA that all copies of the Software have been removed or deleted from the Designated Products and that all copies of the Software and Documentation have been returned to IDEMIA or destroyed by Licensee and are no longer in use by Licensee.

8.3 Licensee acknowledges that IDEMIA made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation and that Licensee's breach of this Agreement will result in irreparable harm to IDEMIA for which monetary damages would be inadequate. If Licensee breaches this Agreement, IDEMIA may terminate this Agreement and be entitled to all available remedies at law or in equity (including immediate injunctive relief and repossession of all non-embedded Software and associated Documentation unless Licensee is a Federal agency of the United States Government).

SECTION 9. UNITED STATES GOVERNMENT LICENSING PROVISIONS & RESTRICTED RIGHTS LEGEND

This Section applies if Licensee is the United States Government or a United States Government agency. Licensee's use, duplication or disclosure of the Software and Documentation under IDEMIA's copyrights or trade secret rights is subject to the restrictions set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless they are being provided to the Department of Defense. If the Software and Documentation are being provided to the Department of Defense, Licensee's use, duplication, or disclosure of the Software and Documentation is subject to the restricted rights set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. The Software and Documentation may or may not include a Restricted Rights notice, or other notice referring to this Agreement. The provisions of this Agreement will continue to apply, but only to the extent that they are consistent with the rights provided to the Licensee under the provisions of the FAR or DFARS mentioned above, as applicable to the particular procuring agency and procurement transaction.

SECTION 10. CONFIDENTIALITY

Licensee acknowledges that the Software and Documentation contain IDEMIA's valuable proprietary and Confidential Information and are IDEMIA's trade secrets, and that the provisions in the Primary Agreement concerning Confidential Information apply.

SECTION 11. GENERAL

11.1. COPYRIGHT NOTICES. The existence of a copyright notice on the Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

11.2. COMPLIANCE WITH LAWS. Licensee acknowledges that the Software is subject to the laws and regulations of the United States and Licensee will comply with all applicable laws and regulations, including export laws and regulations of the United States. Licensee will not, without the prior authorization of IDEMIA and the appropriate governmental authority of the United States, in any form export or re-export, sell or resell, ship or reship, or divert, through direct or indirect means, any item or technical data or direct or indirect products sold or otherwise furnished to any person within any territory for which the United States Government or any of its agencies at the time of the action, requires an export license or other governmental approval. Violation of this provision is a material breach of this Agreement.

11.3. GOVERNING LAW. This Agreement is governed by the laws of the United States to the extent that they apply and otherwise by the internal substantive laws of the State to which the Software is shipped if Licensee is a sovereign government entity, to the extent they do not conflict with the laws of the United States, or the internal substantive laws of the State of Delaware if Licensee is not a sovereign government entity. The terms of the U.N. Convention on Contracts for the International Sale of Goods do not apply. In the event that the Uniform Computer Information Transaction Act, any version of this Act, or a substantially similar law (collectively "UCITA") becomes applicable to a party's performance under this Agreement, UCITA does not govern any aspect of this Agreement or any license granted under this Agreement, or any of the parties' rights or obligations under this Agreement. The governing law will be that in effect prior to the applicability of UCITA.

11.4. THIRD PARTY BENEFICIARIES. This Agreement is entered into solely for the benefit of IDEMIA and Licensee. No third party has the right to make any claim or assert any right under this Agreement, and no third party is deemed a beneficiary of this Agreement. Notwithstanding the foregoing, any licensor or supplier of third party software included in the Software will be a direct and intended third party beneficiary of this Agreement.

11.5. PREVAILING PARTY. In the event of any dispute arising out of the subject matter of this Agreement, the prevailing party shall recover, in addition to any other damages assessed, its reasonable attorneys' fees and court costs incurred in arbitrating, litigating, or otherwise settling or resolving such dispute.

11.6. SURVIVAL. Sections 4, 5, 6, 3, 7, 8, 9, 10, and 11 survive the termination of this Agreement.

To: Angela Wierzbicki, Project Manager - Grants
From: Veronica Martin, Captain
Date: July 17, 2023
Re: FY 2023 Edward Byrne Memorial Justice Assistance Grant

On behalf of the Precinct 3 Constable's Office, I respectfully request that the JAG review committee consider the following items for purchase as a part of the 2023 Edward Byrne Memorial Justice Assistance Grant:

X20	Kit, M-Fak Basic with Combat Gauze, Blk	= \$ 1,937.60
X10	Motorola, Impress RSM, 3.5mm Jack, IP55 Mic	=\$ 1,149.10
X20	North American Rescue CAT Tourniquet, Gen7 Combat Application Tourniquet	=\$ 530.00
X20	5.11 Flex Tourniquet Pouch	=\$ 480.00
X3	Mustang Survival Water Rescue Kit	=\$ 1,350.00
X10	Motorola Battery Impress 2 LII R IP67 3400T	=\$ 1,412.00

Combat medical emergency trauma kit contain supplies for the treatment of life-threatening injuries and bleeding control.

Motorola Impress (mics) are used as attachments to the hand held radios allowing the radios to be hands free for officer safety purposes. These mics are used daily and wear and tear is inevitable.

Tourniquets are an effective way of stopping life-threatening bleeding from an extremity. The application of tourniquets have been proven to save lives during critical incidents. The pouches are necessary for the ability to carry on the officer's/deputy's person

A Survival Water Rescue Kit provides tools to law enforcement arriving first on the scene to provide emergency flotation when no water rescue gear is available. The survival kit includes a throw bag with 50 feet of floating rope to retrace the victim.

- NAR's most compact, versatile Mini First Aid Kit
- Contains the First Responder's most requested critical point-of-wounding medical equipment for treating penetrating, blast or other traumatic injuries in the field of duty
- Super compact, rugged nylon platform that allows attachment both vertically and horizontally
- Treatment pack out option: BLS (Basic Life Support) with Combat Gauze
- Half the size of our popular T.O.R.K. platform

Chat

DESCRIPTION

The most compact, half size First Aid Kit empowering First Responders with the most requested point-of-wounding equipment in the smallest cube space possible

The M-FAK, North American Rescue's Mini First Aid Kit, was designed to be the most compact, multi-use IFAK for delivering immediate critical care for penetrating chest or other traumatic injuries. At half the size of our popular T.O.R.K. platform, the M-FAK is currently the smallest platform available in our product offering. Despite its reduced size, this kit comes fully loaded with the critical medical equipment most requested by First Responders operating in the line of duty. Treatment kit out options include Basic, Basic with Combat Gauze and Advanced versions.

The M-FAK's super compact, 500 Denier nylon bag opens from the side in a clam shell configuration utilizing (2) two main sleeves that open on both ends for easy access and features multiple elastic loops for secure gear organization. The bag's exterior includes a MOLLE backing for mounting in the standard vertical position as a 3 in. internal sleeve for accommodating horizontal attachment to your duty belt. The vertical mount can be set to open left-to-right or right-to-left based on user preference, while the horizontal mount on a belt allows opening directly to your C-A-T.® tourniquet. Also included are a loop patch on front of the bag for item user labeling and (3) three MOLLE strips to attach additional gear such as a TQ/Holder (sold separately) if needed.

SHERIFF'S OFFICE

Fort Bend County, Texas

ERIC FAGAN
Sheriff

July 17, 2023

(281) 341-4700
Fax (832) 471-2475

Ms. Angela Wierzbicki
Project Manager, Grants
Office of the County Judge
401 Jackson Street
Richmond, TX 77469

Re: 2023 Edward Byrne Memorial Justice Assistance Grant--Local Solicitation

Dear Ms. Wierzbicki:

The Fort Bend County Sheriff's Office seeks funds from the above-named solicitation for the purchase of

- 30 North American Rescue (NAR) Headrest Individual First Aid Kits (IFAK) with Combat Gauze and 30 stainless steel Trauma Shears
- 12 IDEMIA IDent 2.0 Mobile Automated Fingerprint Identification Systems (AFIS)

The total funding sought for the IFAKs, trauma shears, and Mobile AFIS is \$31,335.80.

Description:

NAR IFAKs and Trauma Shears provide compact, portable critical trauma care equipment to treat gunshot wounds, stabbings, and other injuries that Deputies might sustain themselves or encounter in accident or crime victims, or in suicide and other self-harm attempts. The IFAK contains chest seals to treat gunshot wounds (entry and exit points), wound packing gauze, and hemostatic dressing (Combat Gauze) impregnated with blood clotting agents. It also contains two tourniquets, a compression bandage, wound dressing, CPR mask, fentanyl resistant gloves, small bandages, and an emergency survival blanket, which can prevent hypothermia in the event of a hemorrhage. These are essential items for in situ treatment while waiting for EMS to arrive and Sheriff's Office backup. The rounded-tip NAR Trauma Shears can safely cut through the toughest materials, including law enforcement uniforms, providing quick access to the wound site for immediate treatment, which can mean the difference between life and death.

Mobile AFIS is a hand-held, Android based, FBI-Certified fingerprinting device for use in the field. Using USB and Bluetooth mobile connection, it can easily and quickly capture up fingerprints for submission and search in a range of criminal databases. The device will provide a hit/non-hit indication, mugshot, and subject name. It also comes with a rear-facing camera to easily capture a facial image while capturing a subject's fingerprints. A 2005 article published in the journal, *Law Enforcement Technology*, describes this device as a "Match Made in Heaven," one that reaps the benefits of a wireless-biometric technology marriage (Volume: 32 Issue: 4, p. 1).

Purpose:

In the application for funding under last year's 2022 JAG award, the Sheriff's Office sought funding for 165 IFAKs totaling \$34,029. We were generously awarded funding that would cover the purchase of 119 units. However, between the award of funds and the actual receipt of funds, which has been nearly a year, the cost of the IFAKs has risen by nearly \$40.00, reducing the number of units we can purchase. The 30 units for which we seek funding will allow us to reach the original 165 request. Prior to this award, none of FBCSO's patrol vehicles were outfitted with first aid or trauma care kits.

The NAR IFAKs and trauma shears address the emergency first aid and trauma care needs of law enforcement officers, who put themselves in harm's way every minute they are in uniform. The IFAKs and shears are foremost for their own protection and preservation, as in the current milieu law enforcement officers are frequently targeted by violent individuals. Increasingly, however, FBC Deputies are the first on the scene of an accident, shooting, suicide attempt, and other scenes where critical medical care is necessary, thus trauma care supplies are also to treat accident victims, victims of violent crimes, and other injured FBC residents.

As population rises in Fort Bend County, so too does crime. For example, 2023 YTD, compared to the same reporting period in 2022, Robbery has increased by 25.3%, and use of a firearm when committing a robbery has increased by 48.3%. The Mobile AFIS units will allow for Sheriff's Office Deputies and Investigators to quickly and accurately check a person's identity, including individuals suspected of using a firearm in the commission of a robbery. These devices will enable law enforcement to identify individuals who refuse to provide identification or provide false credentials, to identify persons found wandering without ID, to identify individuals involved in traffic accidents (and to notify family members if necessary), to identify victims of traffic fatalities when no ID is found at the scene, and to identify individuals who are deceased. These devices also enable Deputies and Investigators to check individuals for possible outstanding warrants and to confirm mistaken-identity claims. In addition to allowing for quick and rapid identification, these devices obviate need to bring a subject to the County jail for fingerprint identification—a time-consuming activity that takes Deputies away from other, perhaps more critical law enforcement work.

Performance Goals:

The acquisition of 30 IFAKs with trauma shears will equip our *entire* patrol fleet vehicles with portable trauma kits so that wounded FBC law enforcement personnel have improved odds of surviving a violent attack, accident, or other injury sustained in the line of duty. This tactical medical equipment will also result in a larger number of first responders having the necessary tools to render aid to FBC citizens. By equipping our Deputies with portable IFAK and trauma shears, tools that can save citizens' lives, we make communities and policing safer throughout Fort Bend County and build public trust.

Currently, FBCSO has four (4) Mobile AFIS devices: two (2) in the Warrants Division and two (2) in the Crime Scene Unit, but these are often unavailable for use in the field, and if they are, they are logistically difficult to obtain while performing the law enforcement tasks that would require their use. Deputies and Investigators regularly rely on Harris County Sheriff's Office and/or Houston Police Department for a Mobile AFIS loan. This, too, is a logistical challenge and a waste of valuable time. The acquisition of 12 units for Patrol and the Criminal Investigation Division will make for more efficient, accurate, and safe policing. Subjects can be identified quickly and easily in the field, and if they are determined to be dangerous, deputies can take them off the street immediately, keeping both law enforcement officers and the citizens of FBC safe.

Fort Bend County Sheriff's Office recognizes the sizeable cost to properly outfit field operations personnel with the requested equipment. Our request is urgent and critical, but it is scalable should the Committee elect to award less than the full amount.

Thank you for your consideration, and please contact me if I may provide any additional information.

Sincerely,

Eric Fagan
Sheriff

Reference No. IDTX-ID2-070523-01 (HCSO)

IDEMIA is pleased to provide * Fort Bend County Sheriff's Office* with the following price quote for IDEMIA IDent 2.0.

IDEMIA's IDent 2.0

Law enforcement officers are in constant need to check a person's identity quickly and accurately. Out on patrol, officers can use the IDEMIA IDent 2.0 to easily capture and submit fingerprints for search to one or many criminal databases. The IDent 2.0 is an Android based device that includes an intuitive, easy to use fingerprint capture workflow. Compact, convenient and accurate, IDEMIA IDent 2.0 is an advanced hand-held fingerprint device that enables real-time identification based on IDEMIA's world-class biometric technology.

Figure 1: IDent 2.0 GUI

IDEMIA IDent 2.0 Features and Benefits

FAP 30, FBI-Certified, Single-Finger Scanner

The IDEMIA IDent 2.0 includes an FBI Certified FAP 30 single-fingerprint scanner. IDent 2.0 makes it easy to capture up to 10 fingers. On screen instructions and visual confirmation of fingerprint images make it easy for operators to capture each fingerprint. The FAP 30 sensor ensures captured fingerprints are of the highest quality and provide the greatest likelihood of resulting in an identification.

Touchscreen and Physical Buttons

The IDEMIA IDent 2.0 combines the benefits of a 3.5-inch touch screen display with the proven reliability of physical buttons. Operators can complete all major functions, including the capture workflow, by touching an area of the screen or by pressing a physical button. Touch screen buttons and physical buttons are aligned to make it easy to identify the desired action. Advanced features of the IDent 2.0 device can be accessed through traditional touchscreen actions.

USB and Bluetooth / Mobile Connection

Fingerprints captured by the IDent 2.0 can be transferred to a PC in two different ways. Operators can simply connect the IDent 2.0 device to a Windows PC via a USB cable, or the device can be configured to communicate via Bluetooth. When configured for Bluetooth communication, officers can use the device up to 200 feet from their patrol car, dependent upon certain environmental conditions. When configured for USB transmission, operators simply connect the device to a PC via a USB cable and captured fingerprints will be automatically transferred and submitted for search.

Search Results

The IDEMIA IDent 2.0 works in conjunction with IDEMIA's Mobile Connection Windows application. Mobile Connection supports communication between the IDent 2.0 device and the agency that is providing search results. Search details are displayed within Mobile Connection and can be customized to an agency's specifications. Search information including a hit / non-hit indication, mugshot and subject name are transmitted and displayed on the IDent 2.0 device. Results are easily removed through the IDent 2.0's intuitive user interface.

Camera

The IDEMIA IDent 2.0 comes equipped with a rear facing camera that makes it easy for an officer to capture a facial image while capturing a subject's fingerprints. The facial image can be referenced when comparing results within the Mobile Connection application or on the IDent 2.0 device.

No Subscription

IDent 2.0 requires an operator to transmit fingerprint information to the Mobile Connection software via USB or Bluetooth. A reoccurring cellular subscription plan is not required to be able to use the IDent 2.0.

IDent 2.0 Specifications

Dimensions	(L x W x H) 156 x 76.5 x 24 mm (6.1 x 2.9 x 0.9 inches)
Weight	235 grams (8.2 oz.)
Fingerprint Scanner	PIV 071006, FIPS 201, FAP 30, FBI-Certified, Single-Finger Scanner 20.3 x 25.4 mm sensing area (0.8 x 1.0 inches)
Display	3.5" TFT display, 640x960, Cap Touch multi touch, Cover Gorilla Glass 3, AR+AF Surface treatment
Battery	Li-Ion, 6400 mAh, 3.8V nominal Drop test 1.4m (4 ft)
Drop Test	Testing per MIL-STD-510G sec. 6
Operating conditions	0°C to 50° (32° to 122°F)
Storage conditions	-10° to 60°C (14° to 140°F)

Mobile Connection Host Application Features

- ♦ IDent 2.0 configuration and management
- ♦ Standard NIST file generation and management
- ♦ Remote identification on central AFIS database
- ♦ HTTP/SMTP Interface with AFIS Server
- ♦ Match candidate portrait and demographic information display
- ♦ Receive and display fingerprints from terminal (IDent 2.0)
- ♦ Create search requests with fingerprints to AFIS

Solution Description and Pricing

IDEMIA proposes the equipment and services described in Table 1.

IDent 2.0 Pricing

Table 1. Pricing

Description		Qty	Unit Price
D150-000043	IDent 2.0 Solution includes: <ul style="list-style-type: none">• IDent 2.0 Device• Mobile Connection Windows Software• USB 2.0 Data Cable• IDent 2.0 Quick Start Guide• 1 Year Warranty• Freight	1-200	\$2,000

Current shipping is 180+ days after receipt of order, or as otherwise scheduled.

**** (6/2023) INSIDE SALES: do not include above 'Current shipping...' sentence.**

****Submission of the new IDent 2.0 Device to the Harris County (HCSO) AFIS System is pending completion of the HCSO MBIS Upgrade; current projected timeline is late 2023.**

Extended Warranty Option

IDEMIA Extended Warranty options and pricing are detailed in Table 2.

Table 2. Extended Warranty Options Pricing

	Description	Annual Fee Per Device*
	Year 1 Extended Warranty	Included
ID-IDENT2.0-W-YR1	Year 2 Extended Warranty	\$250

***At the time of purchase, Annual Fee shown is 'per year per device' fee. Should * Fort Bend County Sheriff's Office* choose to purchase Extended Warranty coverage with Device, this must equal the total quantity of IDent 2.0 devices being purchased.**

Extended Warranty will start immediately following the 1st Year Warranty. Extended Warranty prices shown above are for Year 2 only. Yearly Extended Warranty pricing is subject to increase beginning in Year 3. Please contact the IDEMIA Maintenance Agreement team for pricing details: sec.alx.servicecontracts@idemia.com.

Accessory Pricing

IDEMIA Accessory pricing is described in Table 3.

Table 3. Accessory Pricing

	Description	Unit Price
H160-000126	Black Device Sleeve	\$50

IDEMIA will include documentation and /or support to facilitate the installation by * Fort Bend County Sheriff's Office* of the Mobile Connection Software on the * Fort Bend County Sheriff's Office*-provided workstation.

Customer Responsibilities

* Fort Bend County Sheriff's Office* is responsible for the following:

- ◆ End-user training.
- ◆ Ensuring the required inter-agency agreements are in place between * Fort Bend County Sheriff's Office* and Harris County Sheriff's Office (HCSO) and applicable local, state and government AFIS.
- ◆ Ensuring workstations provided by * Fort Bend County Sheriff's Office* can: (1) support at minimum Bluetooth 2.0 or USB 2.0. If USB 2.0, at least one (1) available port is required; (2) connect to the Harris County network.
- ◆ Ensuring that the workstation network connectivity will support either HTTP or SMTP data protocols to exchange data between Mobile Connection and the HCSO AFIS.
- ◆ Installing Mobile Connection Application Software on each workstation provided by * Fort Bend County Sheriff's Office*.
- ◆ Pairing each IDent 2.0 with each * Fort Bend County Sheriff's Office*-provided workstation via Bluetooth or USB.

- ◆ Provide the necessary network connectivity between the * Fort Bend County Sheriff's Office* LAN and incoming WAN transactions including requisite backend connectivity.
- ◆ Testing the IDent 2.0 and Mobile Connection Software as per the Quick Start Guide.

Assumptions

IDEMIA has designed the IDent 2.0 / Mobile Connection solution to eliminate the need for recurring cellular costs. As such, Pricing does not include network/data provisioning or maintenance and assumes the following:

- ◆ The Mobile Connection Software can be: (a) installed on the * Fort Bend County Sheriff's Office*- provided workstation; (b) configured by * Fort Bend County Sheriff's Office*.
- ◆ The mugshot images that will be available with the "hit" respondent data will come from the HCSO AFIS System designated by the * Fort Bend County Sheriff's Office*.

The following items are not included in the scope of IDEMIA's pricing and will be quoted based on current service rates in effect at the time of request: (a) requests for IDEMIA assistance / completion of any agency or governing body required security documentation, surveys or questionnaires; (b) requests for IDEMIA support and potential resolution of issues resulting from agency vulnerability assessments, penetration testing and/or security audits.

Additional engineering efforts by IDEMIA beyond the scope of the standard product will be quoted based on current service rates in effect at the time of the change, plus any related travel or administrative expenses. Assistance with training and questions for the * Fort Bend County Sheriff's Office*'s database or any programming, scripting, or review of programs beyond work quoted above are excluded from this offer.

IDEMIA reserves the right to substitute hardware of equal value with equal or better capability, based upon market availability. If, however, such equipment is unavailable, IDEMIA will make its best effort to provide a suitable replacement.

Prices are exclusive of any and all state, or local taxes, or other fees or levies. Customer payments are due to IDEMIA within 20 days of the date of the invoice.

Product purchase will be governed by the IDEMIA Agreement, a copy of which is attached for your convenience. No subsequent purchase order can override such terms. Nothing additional shall be binding upon IDEMIA unless a subsequent agreement is signed by both parties. Firm delivery schedules will be provided upon receipt of a purchase order.

Pricing valid through: October 30, 2023

Purchase orders should be sent to IDEMIA by electronic mail or U.S. postal mail to:

IDEMIA
14 Crosby Dr., 2nd Floor
Bedford, MA 01730

Idemia Identity & Security USA LLC Short Form Sales Agreement

1. Scope. Idemia Identity & Security USA LLC, ("IDEMIA" or "Seller") having a place of business at 11951 Freedom Drive, Suite 1800, Reston, Virginia 20190 and _____, ("Customer"), having a place of business at _____,

_____, enter into this Sales Agreement ("Agreement"), pursuant to which IDEMIA will sell to Customer and Customer will purchase from Seller the equipment, parts, software, or services related to the equipment (e.g., installation) described in Seller's Proposal or Letter Quote dated _____. These terms and conditions, together with the Proposal or Quote, comprise the "Agreement." Customer may indicate its acceptance of this Agreement by signing below or by issuing a purchase order that refers to either the Proposal/Quote or to a Customer solicitation to which the Proposal/Quote responds. Only these terms and conditions apply to the transaction, notwithstanding any inconsistent or additional terms and conditions contained in the purchase order or Customer solicitation.

2. Price, Payment and Sales Terms. The Contract Price is U.S. \$_____, excluding applicable sales, use, or similar taxes and freight. Seller will submit invoices to Customer for products when they are shipped and, if applicable, for services when they are performed. Customer will make payments to Seller within twenty (20) days after the invoice date. Unless otherwise stipulated with the Seller when an Order is accepted, the Equipment will be delivered by Seller "FCA" (Free Carrier), with named place being the Seller's premises where the Goods are being dispatched, (Incoterms 2010). Title to the Equipment will pass to Customer upon payment in full of the Contract Price as outlined above, except that title to Software will not pass to Customer at any time. Risk of loss will pass to Customer upon delivery of the Equipment to the Customer at the agreed named place of delivery in accordance with the Incoterm in the contract. Seller will pack and ship all Equipment in accordance with good commercial practices.

3. Software. If this transaction involves software, any software owned by Seller ("IDEMIA Software") is licensed to Customer solely in accordance with Seller's Software License Agreement ("SLA"), which is attached as Exhibit A and incorporated herein by this reference. Any software owned by a third party ("Non-IDEMIA Software") is licensed to Customer in accordance with the standard license, terms, and restrictions of the copyright owner unless the owner has granted to Seller the right to sublicense its software pursuant to the SLA, in which case the SLA applies and the owner will have all rights and protections under the SLA as the Licensor. Seller makes no representations or warranties of any kind regarding Non-IDEMIA Software.

4. Express Limited Warranty and Warranty Disclaimer. IDEMIA Software is warranted in accordance with the SLA.

5. Delays and Disputes. Neither party will be liable for its non-performance or delayed performance if caused by an event, circumstance, or act of a third party that is beyond a party's reasonable control (a "Force Majeure"). Each party will notify the other if it becomes aware of a Force Majeure that will significantly delay performance. The parties will try to settle any dispute arising from this Agreement (except for a claim relating to intellectual property or breach of confidentiality) through good faith negotiations. If necessary, the parties will escalate the dispute to their appropriate higher-level managers. If negotiations fail, the parties will jointly select a mediator to mediate the dispute and will share equally the mediation costs. Neither party will assert a breach of this Agreement without first giving the other party written notice and a thirty (30) day period to cure the alleged breach.

6. LIMITATION OF LIABILITY. Except for personal injury or death, Seller's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the purchase price of the products or services for which losses or damages are claimed. SELLER WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE PRODUCTS, OR THE PERFORMANCE OF SERVICES BY SELLER PURSUANT TO THIS AGREEMENT. No action for contract breach or otherwise relating to the transactions contemplated by this Agreement may be brought more than one year after the accrual

of the cause of action. This limitation of liability survives the expiration or termination of this Agreement.

7. Confidential Information and Preservation of Proprietary Rights. The SLA governs software confidentiality. As to any other information marked "Confidential" and provided by one party to the other, the receiving party will maintain the confidentiality of the information and not disclose it to any third party; take necessary and appropriate precautions to protect the information; and use the information only to further the performance of this Agreement. Confidential information is and will remain the property of the disclosing party, and no grant of proprietary rights in the confidential information is given or intended. Seller, any copyright owner of Non-IDEMIA Software, and any third party manufacturer own and retain all of their proprietary rights in the equipment, parts and software, and nothing herein is intended to restrict their proprietary rights. Except as explicitly provided in the SLA, this Agreement does not grant any right, title or interest in Seller's proprietary rights, or a license under any Seller patent or patent application.

8. Miscellaneous: Each party will comply with all applicable laws, regulations and rules concerning the performance of this Agreement or use of the products to the extent they do not conflict with the laws of the United States. This Agreement and the rights and duties of the parties will be governed by and interpreted in accordance with the laws of the State in which the products are installed to the extent they do not conflict with the laws of the United States. This Agreement constitutes the entire agreement of the parties regarding this transaction, supersedes all previous agreements and proposals relating to this subject matter, and may be amended only by a written instrument executed by both parties. Seller is not making, and Customer is not relying upon, any representation or warranty except those expressed herein. There are no certifications or commitments binding Seller applicable to this transaction unless they are in writing and signed by an authorized signatory of Seller.

EXHIBIT A – SOFTWARE LICENSE AGREEMENT

In this Exhibit A, the term "Licensor" means Idemia Identity & Security USA LLC, ("IDEMIA"); "Licensee," means the Customer; "Primary Agreement" means the agreement to which this exhibit is attached (IDEMIA Short Form Sales Agreement); and "Agreement" means this Exhibit and the applicable terms and conditions contained in the Primary Agreement. The parties agree as follows:

For good and valuable consideration, the parties agree as follows:

SECTION 1. DEFINITIONS

1.1 "Designated Products" means products provided by IDEMIA to Licensee with which or for which the Software and Documentation is licensed for use.

1.2 "Documentation" means product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which such information is provided).

1.3 "Open Source Software" means software with either freely obtainable source code, license for modification, or permission for free distribution.

1.4 "Open Source Software License" means the terms or conditions under which the Open Source Software is licensed.

1.5 "Primary Agreement" means the agreement to which this exhibit is attached (IDEMIA Short Form Sales Agreement).

1.6 "Security Vulnerability" means a flaw or weakness in system security procedures, design, implementation, or internal controls that could be exercised (accidentally triggered or intentionally exploited) and result in a security breach such that data is compromised, manipulated or stolen or the system damaged.

1.7 "Software" (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by IDEMIA; and (iii) may contain one or more items of software owned by a third party supplier. The term "Software" does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

SECTION 2. SCOPE

IDEMIA and Licensee enter into this Agreement in connection with IDEMIA's delivery of certain proprietary Software or products containing embedded or pre-loaded proprietary Software, or both. This Agreement contains the terms and conditions of the license IDEMIA is providing to Licensee, and Licensee's use of the Software and Documentation.

SECTION 3. GRANT OF LICENSE

3.1. Subject to the provisions of this Agreement and the payment of applicable license fees, IDEMIA grants to Licensee a personal, limited, non-transferable (except as permitted in Section 7) and non-exclusive license under IDEMIA's copyrights and Confidential Information (as defined in the Primary Agreement) embodied in the Software to use the Software, in object code form, and the Documentation solely in connection with Licensee's use of the Designated Products. This Agreement does not grant any rights to source code.

3.2. If the Software licensed under this Agreement contains or is derived from Open Source Software, the terms and conditions governing the use of such Open Source Software are in the Open Source Software Licenses of the copyright owner and not this Agreement. If there is a conflict between the terms and conditions of this Agreement and the terms and conditions of the Open Source Software Licenses governing Licensee's use of the Open Source Software, the terms and conditions of the license grant of the applicable Open Source Software Licenses will take precedence over the license grants in this Agreement. If requested by Licensee, IDEMIA will use commercially reasonable efforts to: (i) determine whether any Open Source Software is provided under this Agreement; (ii) identify the Open Source Software and provide Licensee a copy of the applicable Open Source Software License (or specify where that license may be found); and, (iii) provide Licensee a copy of the Open Source Software source code, without charge, if it is publicly available (although distribution fees may be applicable).

SECTION 4. LIMITATIONS ON USE

4.1. Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation.

Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Licensee will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

4.2. Licensee will not, and will not allow or enable any third party to: (i) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (ii) modify, adapt, create derivative works of, or merge the Software; (iii) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (iv) remove, or in any way alter or obscure, any copyright notice or other notice of IDEMIA's proprietary rights; (v) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by this Agreement; or (vi) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software. Licensee may make one copy of Software to be used solely for archival, back-up, or disaster recovery purposes; *provided* that Licensee may not operate that copy of the Software at the same time as the original Software is being operated. Licensee may make as many copies of the Documentation as it may reasonably require for the internal use of the Software.

4.3. Unless otherwise authorized by IDEMIA in writing, Licensee will not, and will not enable or allow any third party to: (i) install a licensed copy of the Software on more than one unit of a Designated Product; or (ii) copy onto or transfer Software installed in one unit of a Designated Product onto another device. Licensee may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Licensee provides written notice to IDEMIA of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Licensee must provide prompt written notice to IDEMIA at the time temporary transfer is discontinued.

SECTION 5. OWNERSHIP AND TITLE

IDEMIA, its licensors, and its suppliers retain all of their proprietary rights in any form in and to the Software and Documentation, including, but not limited to, all rights in patents, patent applications, inventions, copyrights, trademarks, trade secrets, trade names, and other proprietary rights in or relating to the Software and Documentation (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, emulations to or derivative works from the Software or Documentation, whether made by IDEMIA or another party, or any improvements that result from IDEMIA's processes or, provision of information services). No rights are granted to Licensee under this Agreement by implication, estoppel or otherwise, except for those rights which are expressly granted to Licensee in this Agreement. All intellectual property developed, originated, or prepared by IDEMIA in connection with providing the Software, Designated Products, Documentation or related services, remains vested exclusively in IDEMIA, and Licensee will not have any shared development or other intellectual property rights.

SECTION 6. LIMITED WARRANTY; DISCLAIMER OF WARRANTY

6.1. If Licensee is not in breach of any of its obligations under this Agreement, IDEMIA warrants that the unmodified Software, when used properly and in accordance with the Documentation and this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined by IDEMIA solely with reference to the Documentation. IDEMIA does not warrant that Licensee's use of the Software or the Designated Products will be uninterrupted, error-free, completely free of Security Vulnerabilities, or that the Software or the Designated Products will meet Licensee's particular requirements. IDEMIA makes no representations or warranties with respect to any third party software included in the Software.

6.2. IDEMIA's sole obligation to Licensee and Licensee's exclusive remedy under this warranty is to use reasonable efforts to remedy any material Software defect covered by this warranty. These efforts will involve either replacing the media or attempting to correct significant, demonstrable program or documentation errors or Security

Vulnerabilities. If IDEMIA cannot correct the defect within a reasonable time, then at IDEMIA's option, IDEMIA will replace the defective Software with functionally-equivalent Software, license to Licensee substitute Software which will accomplish the same objective, or terminate the license and refund the Licensee's paid license fee.

6.3. Warranty claims are described in the Primary Agreement.

6.4. **The express warranties set forth in this Section 6 are in lieu of, and IDEMIA disclaims, any and all other warranties (express or implied, oral or written) with respect to the Software or Documentation, including, without limitation, any and all implied warranties of condition, title, non-infringement, merchantability, or fitness for a particular purpose or use by Licensee (whether or not IDEMIA knows, has reason to know, has been advised, or is otherwise aware of any such purpose or use), whether arising by law, by reason of custom or usage of trade, or by course of dealing. In addition, IDEMIA disclaims any warranty to any person other than Licensee with respect to the Software or Documentation.**

SECTION 7. TRANSFERS

Licensee will not transfer the Software or Documentation to any third party without IDEMIA's prior written consent. IDEMIA's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement.

SECTION 8. TERM AND TERMINATION

8.1 Licensee's right to use the Software and Documentation will begin when the Primary Agreement is signed by both parties and will continue for the life of the Designated Products with which or for which the Software and Documentation have been provided by IDEMIA, unless Licensee breaches this Agreement, in which case this Agreement and Licensee's right to use the Software and Documentation may be terminated immediately upon notice by IDEMIA.

8.2 Within thirty (30) days after termination of this Agreement, Licensee must certify in writing to IDEMIA that all copies of the Software have been removed or deleted from the Designated Products and that all copies of the Software and Documentation have been returned to IDEMIA or destroyed by Licensee and are no longer in use by Licensee.

8.3 Licensee acknowledges that IDEMIA made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation and that Licensee's breach of this Agreement will result in irreparable harm to IDEMIA for which monetary damages would be inadequate. If Licensee breaches this Agreement, IDEMIA may terminate this Agreement and be entitled to all available remedies at law or in equity (including immediate injunctive relief and repossession of all non-embedded Software and associated Documentation unless Licensee is a Federal agency of the United States Government).

SECTION 9. UNITED STATES GOVERNMENT LICENSING PROVISIONS & RESTRICTED RIGHTS LEGEND

This Section applies if Licensee is the United States Government or a United States Government agency. Licensee's use, duplication or disclosure of the Software and Documentation under IDEMIA's copyrights or trade secret rights is subject to the restrictions set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless they are being provided to the Department of Defense. If the Software and Documentation are being provided to the Department of Defense, Licensee's use, duplication, or disclosure of the Software and Documentation is subject to the restricted rights set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. The Software and Documentation may or may not include a Restricted Rights notice, or other notice referring to this Agreement. The provisions of this Agreement will continue to apply, but only to the extent that they are consistent with the rights provided to the Licensee under the provisions of the FAR or DFARS mentioned above, as applicable to the particular procuring agency and procurement transaction.

SECTION 10. CONFIDENTIALITY

Licensee acknowledges that the Software and Documentation contain IDEMIA's valuable proprietary and Confidential Information and are IDEMIA's trade secrets, and that the provisions in the Primary Agreement concerning Confidential Information apply.

SECTION 11. GENERAL

11.1. **COPYRIGHT NOTICES.** The existence of a copyright notice on the Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

11.2. **COMPLIANCE WITH LAWS.** Licensee acknowledges that the Software is subject to the laws and regulations of the United States and Licensee will comply with all applicable laws and regulations, including export laws and regulations of the United States. Licensee will not, without the prior authorization of IDEMIA and the appropriate governmental authority of the United States, in any form export or re-export, sell or resell, ship or reship, or divert, through direct or indirect means, any item or technical data or direct or indirect products sold or otherwise furnished to any person within any territory for which the United States Government or any of its agencies at the time of the action, requires an export license or other governmental approval. Violation of this provision is a material breach of this Agreement.

11.3. **GOVERNING LAW.** This Agreement is governed by the laws of the United States to the extent that they apply and otherwise by the internal substantive laws of the State to which the Software is shipped if Licensee is a sovereign government entity, to the extent they do not conflict with the laws of the United States, or the internal substantive laws of the State of Delaware if Licensee is not a sovereign government entity. The terms of the U.N. Convention on Contracts for the International Sale of Goods do not apply. In the event that the Uniform Computer Information Transaction Act, any version of this Act, or a substantially similar law (collectively "UCITA") becomes applicable to a party's performance under this Agreement, UCITA does not govern any aspect of this Agreement or any license granted under this Agreement, or any of the parties' rights or obligations under this Agreement. The governing law will be that in effect prior to the applicability of UCITA.

11.4. **THIRD PARTY BENEFICIARIES.** This Agreement is entered into solely for the benefit of IDEMIA and Licensee. No third party has the right to make any claim or assert any right under this Agreement, and no third party is deemed a beneficiary of this Agreement. Notwithstanding the foregoing, any licensor or supplier of third party software included in the Software will be a direct and intended third party beneficiary of this Agreement.

11.5. **PREVAILING PARTY.** In the event of any dispute arising out of the subject matter of this Agreement, the prevailing party shall recover, in addition to any other damages assessed, its reasonable attorneys' fees and court costs incurred in arbitrating, litigating, or otherwise settling or resolving such dispute.

11.6. **SURVIVAL.** Sections 4, 5, 6.3, 7, 8, 9, 10, and 11 survive the termination of this Agreement.
