Award Executive Summary

This application is to request FY2020 Section 5307 funds apportioned to the Houston UZA and sub allocated to Fort Bend County Transit in the amount of \$4,744,746 Federal with a \$195,000 adjustment from settlement proceeds (documentation attached). Local match of \$1,251,775 from H-GAC MPO TDCs are also included. Additional local match of \$3 from the maintenance and operating ad valorem tax levy will be included. A Split letter is attached.

The purpose of this award is to complete construction of the Westpark Park and Ride and purchase ADP Software, Miscellaneous Equipment, 3rd party Contracting, Mobility Management, Operating Assistance, Program Support, and Planning.

This application also applies funds in the amount of \$195,000 received from a dispute on the purchase of an automated fare card system (AFC) from award TX-96-X034-00. Since the AFC system was purchased using 100% federal funds, the entire amount is being used for capital projects. The FTA approval letter is attached.

Other grants funding Westpark Park and Ride Construction include:

TX-04-0041 \$86,806

TX-95-X080 \$2,473,391

TX-95-X021 \$559,612
TX-2020-169-00 \$1,114,104

On November 7, 2012 FTA approved a categorical exclusion (CE) for the Westpark Park and Ride Facility. Since then Fort Bend County added an extension of water and sanitary sewer lines to the project. The original project remains the same. After completion, this project will provide 204 parking spaces, storm water drainage, a fenced detention pond, passenger amenities, a bus circulation area, passenger loading/unloading, a driver restroom, and space for future expansion. The CE approval has been attached to this grant.

Transportation Development Credits (TDCs) in amount \$1,251,775 will be used in lieu of local match. \$3 of local match from a maintenance and operating ad valorem tax levy will be used as well. TDC's were approved by HGAC on May 20, 2022 and July 29, 2022. See TDC Budget for a breakdown of each line item.

1% Security Requirement: METRO has a full time police and security workforce which is funded with local dollars every fiscal year for an amount that far exceeds the 1% requirement. As complete in prior apportionment years, METRO will exercise the use of METRO's police and security expenses to satisfy this requirement.

.75% Safety Requirement: Construction of the Westpark Park and Ride exceeds the .75% requirement. Westpark Park and Ride will have cameras and lights to increase safety during dark hours.

Pre award funds will be used on mobility management and planning funds (\$71,161) starting on 2/1/2021.

In addition to FTAs Buy America requirements that require the steel, iron, and manufactured goods used in an FTA-funded project are produced in the United States (49 U.S.C. 5323(j)(1)), the Build America, Buy America Act (BABA) (Public Law 117-58, div. G 70914(a)) now requires that construction materials used in infrastructure projects are also produced in the United States. Refer to terms and conditions in FTAs Master Agreement Section 15. The BABA requirement applies to this grant, in addition to the Buy America requirements, except to the extent a waiver of either requirements may apply.

There were no federal funds used for lobbying.

BUS: SUPPORT EQUIP AND FACILITIES (114-00)	11.42.08	ACQUIRE - ADP SOFTWARE	ACQUISITION OF BUS SUPPORT EQUIP/FACILITIES	0

Extended Budget Description

Funds will be used for software and software maintenance. Three contracts were awarded. \$70,000 from the \$195,000 received from a dispute on the purchase of an automated fare card system (AFC) from award TX-96-X034-00. Since the AFC system was purchased using 100% federal funds, the entire amount is being used for capital projects. The FTA approval letter is attached.

Budget calculation is \$126,451-\$70,000=\$56,451. Local match for \$56,451 is \$11,290 in TDCs.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 09: Assembly or construction of facilities that is consistent with existing land use and zoning requirements (including floodplain regulations) and uses primarily land disturbed for transportation use, such as: buildings and associated structures; bus transfer stations or intermodal centers; busways and streetcar lines or other transit investments within areas of the right-of-way occupied by the physical footprint of the existing facility or otherwise maintained or used for transportation operations; and parking facilities.

Fort Bend County (the County) must comply with all applicable Federal laws and regulations related to this project, including the ADA Standards for Transportation Facilities, based on the U.S. Access Board's ADA Accessibility Guidelines. Found here: <http://www.access-board.gov/guidelines-and-standards/transportation/facilities/ada-standards-for-transportation-facilities>

Specifically, the County must comply with the ADA Standards for Transportation Facilities when designing/constructing the Westpark Park and Ride facility. The following is a non-exhaustive list of ADA standards that the County must comply with and document compliance of:

- As required under DOT ADA Standard 206.4.1, the County must ensure that 60 percent of all public entrances to the facility will be accessible. If a station has only two entrances, then both must be accessible.
- As required under DOT ADA Standard 810.10, for rail projects, the County must ensure that no flange way gap can be greater than 2.5" where passenger circulation paths cross tracks at grade (i.e. a street-level pedestrian crossing over streetcar tracks).
- As required under DOT ADA Standard 206.3, the County must ensure that accessible routes coincide with or are located in the same area as general circulation paths, and elements such as ramps, elevators, and fare vending and collection areas are placed to minimize the distance that wheelchair users and other persons who cannot climb steps must travel in comparison to the general public.
- As required under DOT ADA Standard 406.8, the County must ensure that curb ramps will have detectable warnings.
- As required under DOT ADA Standard 810.2, the County must ensure that bus boarding and alighting areas are in compliance with the ADA-ABA Guidelines (Section 810.2), which address surfaces (sturdy); dimensions (96" long x 60" wide); connection to sidewalks, streets, and pedestrian paths; slope (not steeper than 1:48); signs; and public address systems.
- As required by DOT ADA Standard 810.5.3, the County must ensure that station platforms must be coordinated with the vehicle floor height.

Comment In addition to adding the \$195,000 from insurance proceeds from an older grant to the Adjustment Amount, Fort Bend County also added it to the Federal amount. As a result, the application is requesting \$4,744,746 (FY 20 5307 allocation from METRO) plus the \$195,000 in additional FY 20 5307 funds. They cant do it that way because Harris County and Galveston Co. Transit District would be shorted \$195,000. The Adjustment Amount should remain in the Adjustment column of the budget and not be included in the Federal amount. FBC should only document how theyre going to use the insurance proceeds in the grant application.

The amounts in the description narratives will need to be edited as well. This might resolve the issue that left the TDCs \$1 short on local match on 3 ALIs. The impacted ALI budgets will need to be changed. For example, if no new FY 20 5307 funds are going towards 11.42.20, and only \$125,000 from the proceeds, then that ALI budget should only have \$125,000 in the Adjustment Amount and its federal amount will be \$0.

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
FEDERAL TRANSIT ADMINISTRATION

GRANT AGREEMENT
(FTA G-30)

On the date the authorized U.S. Department of Transportation, Federal Transit Administration (FTA) official signs this Grant Agreement, FTA has obligated and awarded federal assistance as provided below. Upon execution of this Grant Agreement by the Recipient named below, the Recipient affirms this FTA Award, enters into this Grant Agreement with FTA, and binds its compliance with the terms of this Grant Agreement.

The following documents are incorporated by reference and made part of this Grant Agreement:

- (1) "Federal Transit Administration Master Agreement," FTA MA(30), <http://www.transit.dot.gov>,
- (2) The Certifications and Assurances applicable to the FTA Award that the Recipient has selected and provided to FTA, and
- (3) Any Award notification containing special conditions or requirements, if issued.

WHEN THE TERM "FTA AWARD" OR "AWARD" IS USED, EITHER IN THIS GRANT AGREEMENT OR THE APPLICABLE MASTER AGREEMENT, "AWARD" ALSO INCLUDES ALL TERMS AND CONDITIONS SET FORTH IN THIS GRANT AGREEMENT.

FTA OR THE FEDERAL GOVERNMENT MAY WITHDRAW ITS OBLIGATION TO PROVIDE FEDERAL ASSISTANCE IF THE RECIPIENT DOES NOT EXECUTE THIS GRANT AGREEMENT WITHIN 90 DAYS FOLLOWING FTA's AWARD DATE SET FORTH HEREIN.

FTA AWARD

Federal Transit Administration (FTA) hereby awards a Federal Grant as follows:

Award Information

Federal Award Identification Number: TX-2023-029-00

Award Name: Fort Bend County, FY2020 5307, Construct Westpark Park and Ride, Capital Items, 3rd party Contracting, Mobility Mgmt, Operating Assistance, Program Support, and Planning

Award Start Date: 9/5/2023

Original Award End Date: 6/1/2026

Current Award End Date: 6/1/2026

Award Executive Summary: This application is to request FY2020 Section 5307 funds apportioned to the Houston UZA and sub allocated to Fort Bend County Transit in the amount of \$4,744,746 Federal with a \$195,000 adjustment from settlement proceeds (documentation attached). Local match of \$1,251,775 from H-GAC MPO TDCs are also included. Additional local match of \$3 from the maintenance and operating ad valorem tax levy will be included. A Split letter is attached.

The purpose of this award is to complete construction of the Westpark Park and Ride and purchase ADP Software, Miscellaneous Equipment, 3rd party Contracting, Mobility Management, Operating Assistance, Program Support, and Planning.

This application also applies funds in the amount of \$195,000 received from a dispute on the purchase of an automated fare card system (AFC) from award TX-96-X034-00. Since the AFC system was purchased using 100% federal funds, the entire amount is being used for capital projects. The FTA approval letter is attached.

Other grants funding Westpark Park and Ride Construction include:

TX-04-0041 \$86,806

TX-95-X080 \$2,473,391

TX-95-X021 \$559,612

TX-2020-169-00 \$1,114,104

On November 7, 2012 FTA approved a categorical exclusion (CE) for the Westpark Park and Ride Facility. Since then Fort Bend County added an extension of water and sanitary sewer lines to the project. The original project remains the same. After completion, this project will provide 204 parking spaces, storm water drainage, a fenced detention pond, passenger amenities, a bus circulation area, passenger loading/unloading, a driver restroom, and space for future expansion. The CE approval has been attached to this grant.

Transportation Development Credits (TDCs) in amount \$1,251,775 will be used in lieu of local match. \$3 of local match from a maintenance and operating ad valorem tax levy will be used as well. TDC's were approved by HGAC on May 20, 2022 and July 29, 2022. See TDC Budget for a breakdown of each line item.

1% Security Requirement: METRO has a full time police and security workforce which is funded with local dollars every fiscal year for an amount that far exceeds the 1% requirement. As complete in prior apportionment years, METRO will exercise the use of METRO's police and security expenses to satisfy this requirement.

.75% Safety Requirement: Construction of the Westpark Park and Ride exceeds the .75% requirement. Westpark Park and Ride will have cameras and lights to increase safety during dark hours.

Pre award funds will be used on mobility management and planning funds (\$71,161) starting on 2/1/2021.

In addition to FTAs Buy America requirements that require the steel, iron, and manufactured goods used in an FTA-funded project are produced in the United States (49 U.S.C. 5323(j)(1)), the Build America, Buy America Act (BABA) (Public Law 117-58, div. G 70914(a)) now requires that construction materials used in infrastructure projects are also produced in the United States. Refer to terms and conditions in FTAs Master Agreement Section 15. The BABA requirement applies to this grant, in addition to the Buy America requirements, except to the extent a waiver of either requirements may apply.

There were no federal funds used for lobbying.

Research and Development: This award does not include research and development activities.

Indirect Costs: This award does not include an indirect cost rate.

Suballocation Funds: Recipient organization is suballocated these apportioned funds and can apply for and receive these funds directly.

Pre-Award Authority: This award is using Pre-Award Authority.
