Re: Post Road Street Dedication Section 1 – Lane Closure  
LJA Job No. 0388-2008

Dear Ms. Dalton,

The construction of Post Road is nearing completion. The last step to complete the project will require the contractor to replace the pavement for the asphalt transitions into the newly constructed lanes adjacent to the Lakes of Savannah development. This construction will necessitate a full closure all lanes along the existing Post Road. The contractor has estimated a month of closure to complete these improvements. LJA is respectfully requesting a review and consideration of the attached road closure for the above-referenced project at the next Commissioners Court agenda. Enclosed, please find the traffic control plan, as well as TxDOT approvals for the signage, lane closures, and rerouting of traffic due to the specific closure proposed by this plan.

Please contact me at 713.953.5215 if you have any comments or concerns. Thank you for your review and assistance with this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kane Mudd'.

Phillip Kane Mudd, PE  
Senior Project Manager

PKM/pn
