General Information

Congratulations - Graduation day will be here before you know it! Your family member or friend is on the way to successfully completing National Academy requirements. Graduation day is a proud moment for all those associated with the graduate. Here are some tips to make the day go smoothly:

- Print and place the FBI National Academy Access Pass (last slide) in the driver's side windshield of your vehicle where it is visible.
- Plan to arrive early! You will be stopped at two security checkpoints: Marine Corps Base Quantico (MCBQ) and the FBI Academy gate. Both will be busy the day of graduation so plan accordingly.
- All adults in vehicle must have government issued photo identification ready for both checkpoints and be on the pre-approved guest roster. If you arrive early, be advised that the graduation venue will not open until 8:30am. FBI Police will direct you to parking and the Jefferson entrance upon your arrival. All visitors must enter at the designated point of entry. Guests with special needs or requiring wheelchair access can enter through the Administration Building and can enter Auditorium at 8:00am.
- Four (4) guests are permitted per National Academy graduate. Tickets will be given to trainees in Homeroom. Each guest entering the Auditorium must provide a graduation ticket or access will be denied. This is strictly enforced as seating is limited. Children under 3 years old do not require a ticket if they will be held and not take up a seat.

General Information

** Current COVID-19 protocol does not require visitors to show proof of vaccination or a negative COVID test taken within 72 hours of the event. **

** All visitors have the option to wear a mask inside FBI buildings, but it is not mandatory at this time. **

- You are allowed to take photos from your seat during the graduation ceremony. The graduation ceremony will be recorded, and each graduate will receive a DVD.
- **Food and drinks are not permitted in the Auditorium.** The only exception is bottles for infants.
- Baby Strollers are not allowed in the Auditorium. There is limited storage for strollers outside of the Auditorium and a nursing mother's room is available within close proximity.
- Guests will be permitted to visit the FBIRA Store after the graduation ceremony and can visit the FBINA Store prior to graduation before entering the auditorium.
- Guests are not permitted to tour the main campus/classroom buildings of the Academy.
- Guests cannot bring backpacks or luggage inside the FBI Academy.

** These guidelines are subject to change if CDC and/or community area levels change with regards to COVID-19. Update would be pushed out closer to graduation if COVID posture changes**
